

Family Legal Care

Justice for All. One Family at a Time.

We offer **free legal information and advice** on New York family law and Family Court procedure. In New York State, many families are navigating the Family Court process without a lawyer. *Family Legal Care is here to help.*

Our Helpline gives family law information by phone, live chat, and email. Contact us at **212-343-1122** or **familylegalcare.org**. Open Monday-Friday, 9am-1pm and 2pm-5pm.

Legal Consultations provide litigants with access to an attorney via video chat or phone for in-depth help with child support, custody and visitation, parentage/paternity, guardianship and domestic violence.

Our website provides legal resources and tools for families without representation—scan the code for easy access to our Guided Court Forms, Family Law Navigator and more.

Legal Resource Guides explain family law and the court process. Find the guides on our website or in partnering New York Family Courts.

Our Tech Hubs can support you with computers, WiFi, and a confidential space to complete court forms and access virtual hearings. For appointments, contact **646-496-0046** or **techhub@familylegalcare.org**
