I am pleased to announce we have begun to publish Westchester Supreme and County Court calendar information on the kiosk monitors located in the courthouse lobby. While the kiosk has been present since the renovation of the building, it was located in an out-of-the-way location and was not being used. The kiosk is now located just beyond the security check-in area. Placement here allows the screens to be visible to all persons who are making their way to either the Tower or to the Supreme/County Court side of the Annex.

Daily Supreme and County Court calendars will be provided in this location along with other helpful Court information. For now, the calendars will be digitally scanned versions of the printed versions developed from the mainframe computer. Our technology personnel is developing a more user friendly format which will be adapted from mainframe exports.

In addition, we will be posting the regular "Term Sheets" in the display case located in the area in front of the magnetometers. The "Term Sheets" will list the names of all Westchester judges and their assignments, courtrooms, clerks, court reporters, and associated telephone numbers. We have arranged to order larger print lettering so that this information will be posted in a more visible manner.

In the near future, we will be posting the "Term Sheet" and, eventually, daily calendar information on the District's website: http://www.courts.state.ny.us/courts/9jd/index.shtml.

Although this is something of a work in progress, we hope you will find this information beneficial. We are committed to trying to help attorneys and the general public obtain ready access to court information and to do so in the most technologically advanced manner possible. Your comments and suggestions are most welcome.

Very truly yours,

Hon. Alan D. Scheinkman
