

National Adoption Day

Find in a word

How many words can you make using the letters in the phrase National Adoption Day?

Directions: The words have to be at least TWO letters long. You can't use the letter twice in the same word, unless the letter appears twice in the phrase. So, for example, you can't make the word "all" because there is only one "l" in National Adoption Day, but you can make the word "add" because there are two "d"s. Oh, and no proper names like "Alan" or "Dan". List all the words you can find. Ready? Steady? Go!
