Various defendants represent that all defendants are in agreement that this case should be reassigned to a Commercial Division Justice. Plaintiffs have not submitted a response to the application to transfer, but they designated the case commercial when purchasing the index number. Further, the application represents that all parties are in agreement to use the court's electronic filing system for this case since some counsel are from out-of-state. The e-filing system is available only in commercial and tax certiorari cases. The First Amended Complaint sets forth claims appropriate for adjudication by the Division. Accordingly, the Motion Support Office is directed to reassign this case at random to a Commercial Division Justice. Counsel should contact the E Filing Office of our court (212-374-6562) as soon as possible to obtain passwords to use the e-filing system and for information about it.
