MOTION/CASE IS RESPECTFULLY REFERRED TO JUSTICE FOR THE FOLLOWING REASON(S):

Counsel for plaintiffs filed a Request for Judicial Intervention and designated this case as a commercial matter with a view to having the matter assigned to the Commercial Division. The staff of the Commercial Division Support Office suggested that counsel write to the Administrative Judge for approval of the assignment to the Division, which has been done. Counsel for plaintiffs advises that counsel for defendant does not oppose this application. I have reviewed the complaint. It is clear that this is a complicated insurance matter that properly belongs in the Commercial Division. Therefore, upon presentation of the RJI to the Commercial Division Support Office, that Office is directed to assign this matter at random to a Justice of the Division.
