

RFP #335 AMENDMENT #1

The RFP budget has been amended to include a line item for administrative/indirect costs.

The RFP questions for current providers have been prefaced with the following:

*PLEASE NOTE: If the proposer was not the current provider for the time periods referenced in any of the questions below, the proposer must state the date on which service provision commenced AND answer the question for any time period contained within the question for which the proposer was providing services. For question #2, if the proposer was not providing services at the time the report was due, state this fact and the date on which the proposer became a provider.*
