Description of Organization

Immigration Equality is a national organization that works to end discrimination in U.S. immigration law, to reduce the negative impact of that law on the lives of lesbian, gay, bisexual, transgender and HIV-positive people, and to help obtain asylum for those persecuted in their home country based on their sexual orientation, transgender identity or HIV-status. Through education, outreach, advocacy, and the maintenance of a nationwide network of resources, we provide information and support to advocates, attorneys, politicians, and those who are threatened by persecution or the discriminatory impact of the law.
