RULES OF THE JUSTICES

[REVISED FEBRUARY 28, 2006, EFFECTIVE APRIL 17, 2006;
RULES REGARDING PUBLIC ACCESS ON-LINE PROJECT (“SCROLL”) ADDED
SEPT. 8, 2006, EFFECTIVE SEPT. 15, 2006;
EMINENT DOMAIN RULES ADDED MAY 19, 2010, EFFECTIVE MAY 24, 2010;
BACKGROUND INFORMATION UPDATED: August 15, 2017]

The following constitute the rules of the Justices of the Supreme Court, Civil Branch, New York County (hereinafter “the Rules” or “the Local Rules”) with the exception of the Justices of the Commercial Division. A separate set of uniform rules governs cases assigned to the Commercial Division.

STRUCTURE OF THESE RULES: The rules of the court are set forth immediately hereafter. These rules are applicable in the Parts of the court (excluding the Commercial Division) unless otherwise indicated in the Basic Information section that follows after the main body of the rules. The Basic Information section lists the Justices of the court in alphabetical order and a summary of the operational details of their Parts (e.g., motion days). Variations exist among the Parts in regard to such details. An attorney who wishes to know the requirements followed in a particular Part should consult the main body of the Rules together with the portion of the Basic Information section that pertains to that Part.

CASE INFORMATION: Information on the status of cases and activity therein and copies of decisions and other case documents are available in the Supreme Court Records On-Line Library (“*Scroll*”), which is accessible at no charge through the website of this court (at www.nycourts.gov/supctmanh).

RULES

In addition to the Rules that follow, procedures have been developed to simplify and expedite the submission of papers to the court in electronically-filed cases. Counsel are advised to consult the court’s Protocol on Courthouse Procedures for Electronically Filed Cases (posted on the “E-Filing” page of this court’s website at www.nycourts.gov/supctmanh). Parts II and IV of these Rules are inapplicable to condemnation and tax certiorari cases. Emergency medical hearings and proceedings under the Mental Hygiene Law have their own special rules. Part V is applicable to matrimonial cases only.

I
RULES REGARDING THE PUBLIC ACCESS ON-LINE PROJECT
("SCROLL")¹

Rule A-1. Redaction of Information in Documents Filed with the County Clerk and the Court. Attorneys filing documents with the County Clerk or the Court, including those that fall within a category of document that is, as explained in the Court's Notice to the Bar on the Public Access Project, included in the *Scroll (Supreme Court Records On-Line Library)* Public Access Project system or that shall hereafter be so included, shall omit or redact from such documents confidential personal information as provided in Uniform Rule 202.5 (e).

Rule A-2. Application for Restriction of Access to Records. A party or person who claims that the availability of a document in the *Scroll* Public Access Project system may cause harm to that party or person or who seeks to limit access in compliance with Rule A-1 may apply to the Court for a directive restricting access. Any such application shall be made as follows. If the case has been assigned to a Justice, a request shall be made to the Justice by letter describing the document as to which a restriction on access is sought and explaining the reasons why such a restriction is appropriate. If the case has not been assigned to a Justice, the party shall direct such a request to the Administrative Judge. The Court on its own initiative may direct that access be restricted. An interested party or person may apply by letter to remove a document from the *Scroll* database if, notwithstanding these rules, a document is posted on the Public Access Project system that contains sensitive information access to which in this form causes harm to that party or person.

Rule A-3. Form of Restriction on Access to Records. Where the Court grants a request to limit access to a document in the *Scroll* Public Access Project system or issues a directive sua sponte, the directive shall take the form of an administrative direction to the staff of the Court that the document in question not be included in the *Scroll* system or, if already included therein, that it be deleted from the database. Any such directive as may be issued in a case in which documents are otherwise available in the *Scroll* system shall not affect the status of the County Clerk hard-copy case file, which is open to the public unless otherwise ordered by the Court pursuant to Part 216 of the Uniform Rules for the Trial Courts.

II
GENERAL RULES

Rule 1. Appearances by Counsel; Knowledge and Authority. Counsel who appear at preliminary conferences must have sufficient familiarity with the case and authority to be able to discuss a discovery schedule in a meaningful way and to enter into agreements with regard thereto. Counsel who appear at other conferences and at the argument of motions must be

familiar with the entire case in regard to which they appear and fully authorized to enter into agreements, both substantive and procedural, on behalf of their clients.

Rule 2. Settlements and Discontinuances; Change of Counsel.

(a) If an action is settled or discontinued, a stipulation shall be submitted promptly to the County Clerk with the appropriate fee (Cashier's Office, Room 160) and a copy shall be forwarded to the Part in question. If the case is otherwise disposed of, in whole or in part, counsel for the defendant affected shall immediately file a letter with the Clerk of the Part. If at the time of a settlement, discontinuance or other disposition a submitted motion is sub judice that is rendered moot, in whole or in part, by the disposition, or where a motion previously submitted is withdrawn, it is imperative that the Part be informed immediately.

(b) If counsel is changed on consent, a copy of the form shall be filed in the General Clerk's Office (Room 119). Filing with the County Clerk does not suffice. Absent submission of a consent form, an attorney of record will continue as such unless a motion for leave to withdraw is granted. If such an order is issued, counsel must serve a copy on the General Clerk's Office and all other counsel. A notice of appearance shall be filed by substitute counsel with the General Clerk's Office and the Clerk of the Part.

Rule 3. Information on Cases. County Clerk data, case history information from the court's Civil Case Information System, and many documents from the case file of most cases in the court (e.g., pleadings, decisions, orders, notes of issue, judgments) are available on-line in the *Supreme Court Records On-Line Library (Scroll)* of the County Clerk of New York County and the New York County Supreme Court, accessible on the court's website at www.nycourts.gov/supctmanh/. Decisions of the court with County Clerk entry stamp are posted in *Scroll* very promptly after their issuance. Information on scheduled court appearances and other case activity, including the issuance of decisions and orders, can also be obtained from *Scroll*, as well as from *e-Track*, the court system's case tracking and notification service, private services, courthouse terminals, or the New York Law Journal. The Clerk of the Part can also provide information about scheduling in the Part (trials, conferences, and arguments on motions in the Part). Counsel should not telephone Chambers.

Rule 4. Papers by Fax. Unless indicated otherwise by the court in a particular case or in the Basic Information section below, Justices do not accept papers by fax.

III CONFERENCES AND DISCOVERY

Rule 5. Preliminary Conferences; Requests.

(a) A preliminary conference will be held or, in Motor Vehicle cases and most tort cases against the City of New York, an automated Differentiated Case Management ("DCM")

scheduling order issued (i) within 45 days of assignment of a case to a Justice, unless impracticable for unusual reasons; or (ii) where a Request for Judicial Intervention is accompanied by a dispositive motion, within 45 days following disposition of such motion (if the case is not mooted by that disposition). Cases will be assigned to a DCM track (see Uniform Rule 202.19 (b)) upon filing. The court will afford all parties an opportunity to raise objections to the track assignment or any DCM scheduling order issued without a conference. Requests for preliminary conferences in unassigned cases should be filed with an RJJ in the General Clerk's Office (Room 119). In assigned cases, if the court itself does not direct a conference in a decision nor issue an order scheduling pretrial proceedings, counsel should contact the Part Clerk.

(b) The court utilizes distinct forms of preliminary conference order in General, Medical, Dental and Podiatric Malpractice, City, Matrimonial, and Motor Vehicle cases. See the website (at www.nycourts.gov/supctmanh, under "Forms") for these forms.

Rule 6. Adjournments of Conferences. Except as otherwise provided in the Basic Information section above or in Rule 26, adjournment of conferences will be allowed only as follows. The parties may adjourn any preliminary conference once for no more than 21 days, but only by submission of a written stipulation to the Part Clerk on or before the scheduled date thereof. Appearance by counsel is not required. Further adjournment of preliminary conferences and adjournments of compliance and pretrial conferences will be allowed only with permission of the court for good cause.

Rule 7. Consultation Prior to Preliminary and Compliance Conferences. Prior to a preliminary or compliance conference, counsel for all parties shall consult one another about, and shall make a good faith effort to reach agreement on, (i) resolution of the case, in whole or in part, and (ii) discovery and any other issues to be discussed at the conference.

Rule 8. Discovery Schedule. Strict compliance with all discovery orders is required. See *Kihl v. Pfeffer*, 94 N.Y.2d 118 (1999). Unexcused or unjustified failure to comply with deadlines fixed by the court, including those set out in Preliminary Conference Orders, may result in an award of costs, conditional or otherwise, or the imposition of another penalty authorized by CPLR 3126. Unless otherwise provided in the Basic Information section above or in the order, no extensions of deadlines set forth in a preliminary conference, compliance conference or other discovery order shall be allowed except with permission of the court for good cause shown.

Rule 9. Medical Authorizations. When a defendant in a personal injury action serves a demand for authorizations together with a demand for a bill of particulars, counsel for plaintiff shall serve the authorizations with the bill.

Rule 10. Disclosure Disputes. Prior to making a discovery motion, counsel shall consult one another in a good faith effort to resolve any discovery disputes (see Uniform Rule 202.7). If a dispute is not thus resolved, the party seeking disclosure, unless otherwise directed in the Background Information section above, is advised to contact the Part Clerk promptly, and within any applicable deadline, for the purpose of arranging a conference, in court or by telephone.

Rule 11. Expert Disclosure. Unless otherwise directed by the court in a preliminary conference order or otherwise, a party having the burden of proof shall serve a response to an expert demand pursuant to CPLR 3101(d) no later than 30 days prior to the date set by the court for trial. Within 15 days after receipt of this response any adverse party shall serve its response.

Rule 12. Conferences Regarding Settlement of Actions by Infants and Others. Any proposed infant's compromise or other proposed settlement pursuant to CPLR 1207 shall be considered by the court at an appearance in court on the record. An attorney seeking approval of such a proposal shall serve on all parties, at least five days prior to the scheduled appearance, a Notice of Conference on Proposed Infant's [or other] Compromise. This Notice shall indicate the date, time and place of the conference. A copy of the proposed order of approval shall be annexed to the Notice unless previously served upon all parties. Said attorney shall submit to the court at the conference proof of service of such Notice.

IV MOTIONS

Rule 13. Motions on Notice; Orders to Show Cause.

(a) Motions brought by notice of motion shall be made returnable in the General Clerk's Office Motion Submission Courtroom (Room 130). Relevant procedures are explained on the court's website (see "Courthouse Procedures" at www.nycourts.gov/supctmanh). Depending upon the assigned Part, contested motions submitted in the Motion Submission Part Courtroom are submitted without argument, or rescheduled for oral argument if so directed by the assigned Justice. For Justices who schedule argument on a case-by-case basis, notice of the argument date will be transmitted by the court. Counsel may ascertain how a motion submitted in Courtroom 130 was marked by consulting *Scroll* on the court's website, the *e-Track* application, or, on the two days immediately following the submission date, the New York Law Journal.

(b) Motions should be brought on by order to show cause only in a proper case (CPLR 2214 (d)). Unless otherwise directed in the Basic Information section above or in an order to show cause, original opposition papers on orders to show cause made returnable in the Part shall be delivered to the Part Clerk at least one business day prior to that date and reply papers should not be submitted.

Rule 14. Motion Papers.

(a) Counsel must attach to motion papers copies of all pleadings and other documents as required by the CPLR and as necessary for an informed decision on the motion. Documents in a foreign language shall be properly translated (CPLR 2101(b)). Whenever reliance is placed upon a decision or other authority not officially published or readily available to this court, a copy of the case or of pertinent portions of the authority shall be submitted with the motion papers. Courtesy copies shall not be submitted unless requested by the court, but working copies are required in some Parts in electronically filed cases (see the court's Protocol for e-filed cases on the website (www.nycourts.gov/supctmanh, under "E Filing")). Exhibits should be tabbed and be

legible; a typed version of any exhibit that is difficult to read should be submitted with the original. Exhibits printed on both sides of the page should be bound and tabbed on the side.

(b) Unless advance permission otherwise is granted by the court for good cause, memoranda of law shall not exceed 30 pages each (exclusive of table of contents and table of authorities) and affidavits/affirmations shall not exceed 25 pages each.

(c) The CPLR does not provide for sur-reply papers, however denominated. Papers or letters regarding a motion should not be presented to the court after submission of the motion in the Motion Submission Part Courtroom (Room 130), or after argument in the Part, if any, except with the advance permission of the court. Materials presented in violation of this Rule will not be read.

Rule 15. Oral Argument; Adjournments.

(a) Calendars of motions to be argued in the Parts are published on the morning of the argument date and on the day before in the New York Law Journal under each Part. Argument information is available on a case-by-case basis in *Scroll*, and e-mail notifications are sent by *e-Track* to participating attorneys whenever a motion is scheduled for argument in the court's computer system.

(b) Unless provided otherwise in the Basic Information section: argument may be adjourned for good cause; there shall be only one adjournment, for no more than 14 days, unless otherwise directed by the court. A request for an adjournment shall be made prior to the scheduled date.

Rule 16. Orders.

(a) A copy of any order affecting the caption of a case (e.g., amendment, substitution, correction of errors) shall be served by counsel upon the General Clerk's Office (Room 119) and upon the County Clerk (Room 141B) so that the court's records and the County Clerk's records may be corrected. A copy of any order affecting the trial status of a case (e.g., striking a note of issue) shall be served on the General Clerk's Office.

(b) Proposed counter-orders submitted to the court pursuant to Uniform Rule 202.48 (c) (2) shall be marked to identify all respects in which the proposal differs from the submission to which it responds.

Rule 17. Motions for Summary Judgment. Unless otherwise provided in a particular case in the preliminary conference order or other directive of the Justice assigned, a motion for summary judgment shall be made no later than 120 days after the filing of the note of issue, except with leave of court for good cause shown.

Rule 18. Neutral Evaluation Program. City cases and many other cases will be referred to the court's Neutral Evaluation Program (informally known as "Mediation") after filing of the note of issue. The procedures of this program are available on the court's website (www.nycourt.gov/suptctmanh under "ADR Programs").

V TRIALS

This section sets forth trial procedures generally applicable to cases to be tried in pure IAS Parts (i.e., not including cases scheduled for trial through the Administrative Coordinating Part (Part 40 or Part 40 City for City cases). However, since the nature of particular cases may make departure from these rules efficient and appropriate, counsel should in every instance confirm with the court at the pre-trial conference the Justice's directive regarding applicability of these procedures to the case.

Rule 19. Pretrial Conference. In cases to be tried in IAS Parts (i.e., not including cases scheduled for trial through the Administrative Coordinating Part (Part 40 or Part 40 City), the court will conduct a pretrial conference at which settlement will be explored and a trial date will be confirmed or a firm date set. Prior to the pretrial conference, counsel shall confer in a good faith effort to identify issues not in contention, resolve all disputed questions without need for court intervention, and settle the case. Unless otherwise directed by the court, each party must be represented at the pretrial conference by counsel having full knowledge of the case and specific authority to settle or the ability immediately to contact by telephone a person with such authority. To permit the fixing of a trial date, counsel must, prior to the conference, consult their own schedules and those of their witnesses and be prepared to furnish a realistic estimate of the trial's length and discuss a suitable trial date unless previously fixed.

Rule 20. Trial Schedule in Pure IAS Parts.

(a) Insofar as possible, trials in pure IAS Parts will be scheduled at least one month in advance. As the schedules of counsel and witnesses will have been taken into account in determining the trial date, counsel will be expected to be ready to proceed at that time either to select a jury or to begin presentation of proof. Hence, once a firm trial date is set and counsel are so informed, counsel must immediately reconfirm the availability of witnesses and their own schedules. If for any reason, including trial commitments in other Parts or courts, counsel are not prepared to proceed on the scheduled date, counsel must inform the court of the difficulty within seven days of the date on which counsel were given the firm trial date. Absent extraordinary circumstances, failure of counsel to provide such notification will be deemed a waiver of any objection to the trial date.

(b) The court will endeavor, through contact with Justices in other Parts and courts, to resolve trial scheduling difficulties for counsel who notify the court in accordance with subdivision (a) of this Rule and in instances of extraordinary and unanticipated conflicts. The court will resolve such problems in accordance with Part 125 of the Rules of the Chief Administrator (Uniform Rules for the Engagement of Counsel), taking into account the need to conserve judicial trial time or the time of jurors, the demands upon trial counsel, and the importance of the clients' right to the attorney of his or her choice.

(c) The jury shall be selected in accordance with Uniform Rule 202.33.

Rule 21. Pretrial Identification of Exhibits and Deposition Testimony in Pure IAS Parts. Counsel for the parties shall consult prior to trial and attempt in good faith to agree upon the exhibits and portions of deposition testimony (with the deletion of irrelevant matter) that will be offered into evidence on the direct case without objection.

Rule 22. Marked Pleadings and Other Pre-Trial Submissions in Pure IAS Parts. In cases to be tried in IAS Parts, unless the court directs otherwise, at least ten days prior to trial or at such other time as the court may direct, counsel shall submit to the court marked pleadings, the bill of particulars, and a list of witnesses (direct case); and in a jury case, requests to charge, a proposed verdict sheet, and, as appropriate, a memorandum of law or copies of authorities addressed to any unusual jury charge requests; and, in all jury cases in which doing so will facilitate efficient presentation of proof and in all non-jury cases, pretrial memoranda. If counsel wishes the court to charge verbatim from the Pattern Jury Instructions, it is sufficient if the request cites the PJI charge by number only. All other requested charges should be written out in full.

Rule 23. Subpoenaed Records. Subpoenaed records should be directed to and may be reviewed at the Subpoenaed Records Office, 60 Centre Street, Room 145 M.

VI MATRIMONIAL RULES

The following Rules shall apply to all matrimonial cases and shall take precedence over any inconsistent Rule set forth above. Otherwise, the foregoing rules are applicable in matrimonial cases.

Rule 24. Appearances at Conferences. Counsel and client must appear at the preliminary conference, all compliance conferences and the pre-trial conference. Failure to appear may result in costs or sanctions being imposed against the defaulting party.

Rule 25. Submissions at Preliminary Conference. Each party is required to submit at the preliminary conference a properly certified net worth statement and a copy of the retainer agreement in accordance with Section 202.16 of the Uniform Rules for the Trial Courts.

Rule 26. Adjournments. No stipulations of adjournment will be honored without prior approval of the court.

Rule 27. P.E.A.C.E. Program. Except for cases in which there has been a history of orders of protection, parties with unemancipated children should be aware that the Justice may assign the parties to the P.E.A.C.E. Program.

Rule 28. Pre-Trial Conference. Unless directed otherwise, all cases scheduled for trial must appear for a pre-trial conference on a date set by the court. All motions *in limine* must be presented at this time and counsel should be prepared to discuss all evidentiary issues.

Rule 29. Mandatory Pre-Trial Submissions. At the pre-trial conference, counsel shall provide his or her adversary and the court (a) marked pleadings (if grounds are in issue), (b) proposed statement of disposition, (c) child support worksheet (if applicable), (d) updated net worth statement, (e) list of all proposed exhibits, (f) witness list, (g) any expert report not previously provided, (h) pre-trial memoranda and (i) proof of filing of the note of issue.

VII EMINENT DOMAIN

These local rules supplement Uniform Rule § 202.61 with respect to the obtaining of Index Numbers for Claims and the Exchange and Filing of Appraisal Reports in Eminent Domain Proceedings.

Rule 30. Index Numbers for Fee Claims. Within sixty days from the expiration of the time set forth, pursuant to EDPL 503 (B), in an order of acquisition for the filing of written claims or notices of appearance, condemnor shall obtain an index number for each of the fee claims on file with the court pursuant to the said order so that the Clerk can separately maintain the claim and all further proceedings with respect thereto, and the condemnor shall notify the claimant or its attorney of record of the index number assigned to its claim. Thereafter, papers pertaining to each claim shall be separately prepared and filed under the index number assigned to the claim. A Request for Judicial Intervention is required to initiate proceedings before the court pertaining to a claim.

Rule 31. Index Numbers for Fixture Claims. Within six months after appraisals of fixtures have been exchanged pursuant to Uniform Rule § 202.61 (a)(1), condemnor shall obtain an index number for each individual claim for which an appraisal has been exchanged so that the Clerk can separately maintain the claim and all further proceedings with respect thereto, and the condemnor shall notify the claimant or its attorney of record of the index number assigned to its claim. Thereafter, papers pertaining to each claim shall be separately prepared and filed under the index number assigned to the claim. A Request for Judicial Intervention is required to initiate proceedings before the court pertaining to a claim.

Rule 32. Submission and Filing of Appraisal Reports. In all proceedings for the determination of the value of property taken pursuant to eminent domain, counsel may request that the court modify the procedure set forth in Uniform Rule § 202.61 for the exchange of appraisal reports. Within the nine-month period for filing of appraisals set forth in Rule § 202.61 (a), the parties may agree by stipulation, and present same to the court for approval, to a direct exchange of appraisals without filing copies of appraisals with the court. Thereafter, the parties may extend the date for exchange of appraisal reports set forth in the stipulation by further stipulation, without court approval, for no more than an additional nine months, provided such stipulation(s) are filed with the Clerk of the court. In such event, a copy of each exchanged appraisal shall be provided to the court upon the earlier of (i) its request or (ii) a pre-trial conference called upon the filing of a note of issue. Original appraisals shall be retained for presentation as an exhibit at trial.

Rule 33. Index Numbers for Other Matters. If the condemnor seeks relief against a person who has not filed a claim, the condemnor shall commence a special proceeding or action as may be appropriate.

3. DO NOT call Chambers regarding scheduling matters and requests for adjournments. Please contact the Part Clerk for instructions.
4. All requests for adjournment must be approved in advance. Without prior approval, a stipulation will not be accepted and any failure to appear will be considered a default.
 1. To make your request, please call the Part Clerk, not chambers, at least two (2) days prior to the scheduled appearance by conference call with all counsel on the line. Alternatively, a request may be made by fax with a carbon copy to all parties. All adjournment requests must provide a reason for the request. If approved, you will receive a new date and further instructions, such as submitting a stipulation.
 2. Except for emergency situations, adjournments for Wednesday morning motions will not be given if the application is made less than 48 hours before the scheduled appearances and you may be defaulted for non-appearance.
5. NO *ex parte* communications.
 1. Unless specifically instructed, please do not call or email chambers. If specifically instructed to call chambers regarding a pending matter, such call may be placed only by attorneys or pro se parties if not represented by an attorney. No law office employees, assistants, or aides may call chambers.

8. DO NOT call the Part Clerk or Chambers for a status update or to ask whether a decision has been issued. All decisions and orders are scanned and available on the internet (eCourts or SCROLL).

- **Appearances before the Court/Motion Practice**

1. Attorneys appearing before Justice Bannon must be thoroughly familiar with the case.
2. Courtroom comments and demeanor:
 1. Please do not "talk over" each other. Only one person speaks at a time.
 2. It is called "oral argument," but that does not mean you are here to fight with the Court or opposing counsel. Please present your arguments in a cogent, calm, and courteous manner.
 3. All remarks should be directed to the Court, not to opposing counsel.

¹ The motion days set forth in this section consist of the days on which Justices normally hear motions that have been submitted in the Motion Submission Part Courtroom (Room 130) and then rescheduled for argument in the relevant Part. However, Justices may of course schedule argument on orders to show cause at other times as need requires.

3. General Motion Instructions
 1. Part 42 is an e-filing part. Any questions regarding the e-filing system should be addressed to the E-Filing Office at 646-386-3610 or at newyorkef@nycourts.gov.
 2. Motions with opposition will be scheduled for oral argument in the Trial & Motion Courtroom for the next available Wednesday at 9:30am.
 3. Motions submitted without opposition are generally not scheduled for oral argument.
 4. Motion Sequence Number: the first page of every motion paper (notice of motion, opposition, reply, exhibits, etc.) must reflect the respective motion sequence number in the upper right corner.
 5. Working copies or courtesy copies of motion papers are NOT required. If you wish to submit hard copies, DO NOT send them to chambers. Any hard copies of motion papers must be properly filed with the Submissions Part in accordance with that Part's rules. Please ensure that any staples are not protruding.
 6. Counsel should not submit a single .pdf file under a single document number for all papers submitted on a motion. Each e-filed document must have its own, respective document number (e.g. Doc # 15, Notice of Motion; Doc # 16, Attorney Affirmation; Doc # 17, Affidavit; Doc # 18, Exhibit A; and Doc # 19, Exhibit B).
 7. Exhibits:
 1. Each page in any exhibit must be numbered. Reference to any exhibit must include pinpoint citations to the exact page within the exhibit.
 2. All exhibits electronically submitted must be described in the heading of the attached exhibit (e.g. Exhibit A, Bill of Particulars; Exhibit B, Photographs), so that it is known what document is filed in the exhibit.
 8. If there is any discrepancy between the relief sought in the notice of motion and the relief sought in the supporting papers, the notice of motion is controlling.
 9. Once motions are fully submitted, the Court will not allow any further submissions. Letters to the Court after oral argument or full submission regarding a pending motion that was fully submitted will not be accepted.
 10. If you want to withdraw a motion after the motion leaves the Submissions Part, please inform the Part Clerk immediately and fax a stipulation executed by all affected parties. If the motion is in the Submissions Part, please follow that Part's rules to withdraw.
4. Orders to Show Cause:
 1. Any questions regarding the procedure for e-filing proposed orders to show cause should be directed to the Ex Parte Office at 646-386-3125.
 2. All parties must submit hard copies of motion papers filed with an order to show cause to the Part Clerk in the courtroom, Room 1127A.
 3. Any party seeking immediate injunctive relief within an OSC must appear with the affected adversary or proof the adversary was notified but declined to appear when the application is presented for signature.
 4. Orders to show cause will be returnable in the Part. Responsive papers to orders to show cause must be delivered to the courtroom at least 4 days prior to the return date unless the Court indicates otherwise.
 5. Absent an emergency, orders to show cause may not be adjourned.
5. Motions to Renew/Reargue: All motions to renew or reargue must contain all papers submitted on the original motion and a copy of the Court's decision. There is no oral argument on these motions.
6. Discovery motions are strongly discouraged.
 1. If a discovery dispute arises, any party, in lieu of filing a motion, may request an expedited conference by calling the Part Clerk. Conferences requested on an expedited basis will be granted only at the Court's discretion.
 2. If a party has made a formal discovery motion, a conference will be scheduled for the same date as oral argument and will be conducted prior to counsel being heard on the motion.
7. Summary Judgment Motions: All summary judgment motions must be made no later than 60 days after filing the note of issue. Counsel's affirmation in support must include the note of issue filing date. Discovery must continue while any CPLR 3212 motion is pending.
 - **Note of Issue:** If all parties agree that discovery is complete before the final compliance conference, the final conference may be avoided by e-filing or faxing a stipulation to the Part Clerk at least two (2) days prior to the scheduled conference. The stipulation must certify that all discovery is complete and provide for the filing of the note of issue.
 - **Conferences**
 1. Counsel attending the conference are expected to be familiar with the case and have authority to discuss and stipulate to resolve all discovery issues.
 2. At each compliance conference, counsel must bring a list of all discovery previously ordered, but not yet completed, as well as new discovery requested which could not have been previously addressed. Failure to address all outstanding discovery existing at the time of the compliance conference may be deemed a waiver of the right to obtain said discovery.

3. Please bring all prior conference orders and stipulations to the conferences.
4. Counsel are assumed to have consulted clients, examining doctors, etc. regarding their availability for EBTs, IMEs, etc.
5. Upon a party's second failure to appear for a conference, the case may be dismissed or the party's pleading may be stricken. Any motion to vacate such a default must fulfill the requirements of CPLR 5015.
6. Conference Orders
 1. Please write legibly and press hard. Names, addresses, and telephone numbers of all counsel appearing at the conference must be indicated.
 2. In a Preliminary Conference form, all items must be completed or marked "n/a" if not applicable.
 3. Use firm cut-off dates, such as "on or before December 31, 2015." Do not use "within 45 days," etc. Counsel will be held to the dates to which they commit.
 4. Non-specific statements such as "all discovery not yet provided" or "unless otherwise provided" or "to the extent not yet provided" will not preserve any rights. Each attorney is expected to know what has and has not been provided.
 5. Counsel are free to take a picture of a stipulation or order on their phone. However, please keep in mind that all orders will be scanned and available on eCourts and/or SCROLL.
7. DO NOT leave the courtroom until either the Justice or her Court Attorney have reviewed your completed forms.
8. It is preferable that you wait in the courtroom for a signed copy of the order. However, you may, if you choose, leave the courtroom once the Court Attorney has reviewed the proposed order/stipulation.
9. This part requires compliance with court-ordered deadlines set forth in the preliminary/compliance/ status conference order(s). Failure to adhere to deadlines or to comply with orders may result in serious penalties.

• **Trials**

1. Upon the first appearance before this Court, the parties must furnish the following:
 1. A list of proposed witnesses, including the need for any interpreters with the required language and dialect;
 2. An estimate of required trial days;
 3. All marked pleadings and bills of particulars;
 4. All prior decisions in the case, including any appellate decisions;
 5. Any notices to admit;
 6. Copies of those portions of EBTs intended for use at trial for any purpose;
 7. A trial memorandum, not to exceed five (5) pages, briefly setting forth the party's position and the relevant factual and legal issues to be tried, citing relevant case law; and
 8. Two (2) business cards for each attorney.
2. Prior to the start of trial, the parties must furnish the following:
 1. All *in limine* or other applications. All motions *in limine* must be presented in writing to the Court as soon as practicable or as specifically scheduled at any pre-trial conference, with a copy to all parties. Any such motion or application must include citations to relevant authority.
 2. For jury trials:
 1. Proposed jury instructions. If the proposed instructions are taken verbatim from the Pattern Jury Instructions, PJI numbers will suffice. If a PJI instruction is not verbatim or requires characterization or description of the evidence or the parties contentions, or if the language is not based on the PJI, the exact requested language, together with the authority for it, must be submitted in Word or Word Perfect format to kstranc@nycourts.gov and to opposing counsel simultaneously;
 2. Proposed jury verdict sheet must be submitted in Word or Word Perfect format to kstranc@nycourts.gov and to opposing counsel simultaneously.
3. Parties are strongly encouraged to have the court stenographer pre-mark all exhibits for identification and/or evidence if without objection.
4. It is the duty of counsel, not court personnel, to ensure all subpoenaed documents have arrived in the subpoenaed records room at 60 Centre Street.
5. Trial dates scheduled by the court are firm and may only be adjourned upon application based upon an emergency. Trials are held every day of the week except Wednesday mornings and Thursday mornings. No adjournments will be granted if a witness is unavailable to testify unless the court concludes, in rare instances, that good cause exists.

Oral Argument on Motions: Tuesdays at 10:00 a.m

Conferences: Tuesdays at 2:15 p.m

1. Communications with Part Clerk and Chambers – Including Adjournments

NO EX PARTE COMMUNICATIONS: Do not call or e-mail the Justice or her Court Attorneys unless specifically instructed. Do not copy the Court on letters exchanged between counsel.

A. Settlements: At any point in the litigation, please notify the Part Clerk immediately after a case settles so we can mark the case accordingly. If a pending motion is sought to be withdrawn, notify us immediately. If the Court does not receive a request to refrain from making a decision, any decision rendered on a motion is unlikely to be withdrawn and it may interfere with settlement.

B. Requests for Adjournments/Scheduling Matters

1. **Motions in Room 130:** Follow Room 130's rules for adjournments. This Part does not have that file until all papers have been fully submitted.

2. **Motions (Including OSCs) in the Courtroom:** Parties may seek an adjournment by faxing (to 212-618-7997) a fully executed stipulation signed by all counsel that must be received by 1 p.m. the Friday prior to the scheduled appearance. **Do not call Mr. Dorin to request an adjournment.** Please request three future Tuesday mornings within the next three months and the Court will do its best to pick one of these dates. Absent good cause, no adjournments will be considered after 1:00 p.m. on Friday. Check NYSCEF or E-Courts for the adjourned date.

3. Conferences in the Courtroom: Parties must follow the same rules for motions in the courtroom. However, **a conference may only be adjourned once** and the parties must appear on the rescheduled date. Subsequent requests to adjourn a scheduled conference will not be considered. No adjournments will be considered after 12:00 p.m. on Friday.

2. Appearances before the Court/Motion Practice/Page Limits

A. If a case **settles** while a motion is pending, see (I) (A) above.

B. Attorneys appearing before Justice Bluth must be familiar with the case and prepared to discuss settlement. Pre-arrange to have your client reachable by telephone.

C. Please read these rules carefully. **Your papers may be disregarded for failure to follow these rules.** The failure of the movant to follow these rules may result in the denial of the motion with leave to bring it again upon proper papers, but absent good cause no deadline will be extended.

D. General Motion Guidelines.

1. **E-Filed papers:** The Court requires hard copies of all e-filed motion papers to be submitted in Room 130 and they will be delivered to Chambers with the motion. Do not submit copies directly to chambers unless specifically requested.

2. **Motions with opposition,** after being fully submitted in room 130, will be rescheduled for oral argument for a Tuesday morning in the Part 32 Courtroom.

3. **Motion Sequence Number ("MSQ"):** Often several motions are submitted at the same time. To keep papers organized, the first page of EVERY motion paper must reflect the respective MSQ in the upper right corner.

4. Exhibits:

(I) **Tags:** All exhibits must be identified by protruding tabs.

(ii) **Referring to exhibits:** Each page in any exhibit must be numbered. Reference to any exhibit **must include pinpoint citations** so the exact location within the exhibit can be found easily. Likewise, any reference to deposition testimony must cite to the exact page and line numbers relied upon rather than merely attaching the entire transcript or "relevant portions".

5. For non-discovery motions, unless advance permission is granted, memoranda of law shall not exceed 25 pages (exclusive of table of contents and authorities) and affirmations/affidavits shall not exceed 25 pages each. Reply affirmations shall not exceed 15 pages. *For discovery motions, see 2(l) below.*

E. General Orders to Show Cause: Please note that you must bring the OSC from the ex parte part, even in e-filed cases, to the courtroom. Any party seeking immediate injunctive relief within an OSC must appear with the affected adversary (or with proof the adversary has been notified but declined to appear) when the application is presented for signature.

F. OSC to be relieved as counsel: Do not bring your adversary, but provide enough information for Justice Bluth to fashion a method of service likely to reach your client.

G. Motions/special proceedings submitted on default in Room 130 are **not** scheduled for oral argument. However, **the movant must make certain to submit hard copies of the motion papers to Room 130, including affidavits of service**, even for e-filed motions.

H. Discovery Motions: No discovery motions are allowed until after a preliminary conference is held.

1. If good faith efforts to resolve the dispute do not succeed, the party may seek to advance the next scheduled conference or bring a motion for relief. Exclusive of exhibits, this motion should not be longer than 5 pages in length and must include at least a full paragraph detailing the good faith efforts (with names and dates) and that it was unsuccessful. The opposing party's response shall not be longer than 5 pages in length.

J. Summary Judgment Motions

1. **Discovery is to continue during the pendency of a CPLR 3212 motion**, unless good cause is shown why discovery should be stayed. A stipulation between parties will not suffice.

2. Timeliness: **All summary judgment motions must be made no later than 120 days after filing of the note of issue** - there are no exceptions without leave of Court. Absent good cause for late filing, a late motion will be denied even if your adversary does not object.

3. Cross-motions, especially cross-motions seeking relief unrelated to the main motion, **DO NOT** relate back to the date the original motion was made.

3. Conferences (Preliminary, Compliance, Status, Pre-Trial)

A. The rules of this part require compliance with court-ordered deadlines. The failure to adhere to deadlines and comply with orders may result in serious penalties. **Counsel attending the conference are expected to be thoroughly familiar with the case, have the authority to discuss and stipulate to resolve all discovery issues and be prepared to discuss settlement.** See also rule 2B above.

B. Please bring copies of all prior conference orders and stipulations to the conferences. If you have any motions pending in the Motion Submission Part, or which are *sub judice*, please bring this to the attention of the Part 32 Clerk.

1. Counsel are assumed to have consulted with your clients regarding their availability for depositions.

2. Upon a party's second failure to appear for a conference, the case may be dismissed or the party's pleading may be stricken. Any motion to vacate such a default must be brought by OSC and must fulfill the requirements of CPLR 5015.

C. Instructions Applicable to Conference Orders and Stipulations

1. Use firm cut-off dates such as "on or before December 31, 2017." Do not use terms such as "within 45 days". Use complete dates, including the correct year. Please remember that some of the dates you are selecting may be in the next calendar year.

2. **Non-specific statements such as "all discovery not yet provided" or "unless otherwise provided" or "to the extent not yet provided" will not preserve any rights. Counsel must know what has and has not been exchanged and must be prepared to resolve discovery issues. See rules 2B and 3A.**

3. **Note of issue dates to be determined at the close of discovery. A note of issue may not be filed until there is a conference order granting permission.**

4. Trial authorizations must be provided 90 days before trial.

(2) Except for emergency situations, adjournments for Wednesday morning motions will not be given if the application is made less than 24 hours before the scheduled appearances. **Adjournments by stipulation as to the Wednesday morning motions less than 24 hours will not be accepted by the court and you may be defaulted for non-appearance.**

B. No *ex parte* communications. Please do not call or e-mail the Justice or her Court Attorney. Do not copy the Court on letters exchanged between counsel; all such communication will not be entertained. Stipulations, papers, CD-Roms, etc. should be sent or delivered to the proper Clerk for filing, where appropriate.

II. Motion Practice

- A. Oral Argument on non-Discovery Motions: Wednesdays from 10:00 a.m. in Part 52 Courtroom, Room 289.
DCM Compliance Conferences and Discovery Motions: Wednesdays at 2:00 p.m. in DCM Courtroom, Room 103.
- B. All motions, except Orders to Show Cause, shall be made returnable to the Motion Submission Part Courtroom Room 130, 60 Centre Street.
- C. Parties seeking a Temporary Restraining Order by Order to Show Cause must appear with the affected adversary, or proof of notification to adversary, when application is made.
- D. The Court requires courtesy/working copies of all **e-filed** papers. Please submit working copies to the Motion Submission Part Courtroom 130, 60 Centre Street on the date of the motion.
- E. Motions submitted on default in Room 130 are generally not scheduled for oral argument.
- F. Non-Discovery motions with opposition will automatically be scheduled for oral argument in the Trial and Motion Courtroom for a Wednesday morning after the final appearance in the Submission Part, Room 130 at 60 Centre Street.
- G. General Motion Guidelines:
 - i. The first page of all motion papers, including notice of motion, opposition, reply, exhibits, affirmations, memorandum of law, etc., must reflect the respective motion sequence number on the first page in the upper right hand corner.
 - ii. All submissions must be in 12 point font and in double-spaced line format.
 - iii. All courtesy copies of motion papers must have **protruding** exhibit tabs identifying the exhibits.
 - iv. All Exhibits electronically submitted shall be described in the heading of the attached exhibit (e.g. Exhibit A, Bill of Particulars; Exhibit B, 50-H Transcript), so that it is known what document is filed in the Exhibit without the need to electronically open it.
 - v. Any reference to deposition testimony must cite to the exact page and line numbers relied upon rather than merely attaching the entire transcript or "relevant portions". While the entire transcript must be provided, the failure to follow this rule may result in the denial of the motion with leave to bring it again upon proper papers, but only so long as any deadlines have not already passed - that is, your time will not be extended.
 - vi. As with deposition transcripts, any reference to any other voluminous exhibit annexed to a motion must include pinpoint citations so that the exact location within the exhibit can be easily located. For example, a citation to physical therapy

notes contained within an exhibit of medical records should be identified as "see physical therapy note dated xx/xx/xx, exhibit B, page 9"; it should not just refer the court to the exhibit as a whole.

- F. If a case has **settled** while a motion is pending (or at anytime), or if you wish to withdraw the motion (*after submission in room 130 and before oral argument*), please advise the Part Clerk in writing **immediately**.
- G. All decisions are scanned and available on the internet; access them through E-LAW or SCROLL (www.nycourts.gov/supctmanh - click on "Case Information" on the right side of the page). Please do not call Chambers or the Part Clerk to ask whether a decision has been issued.
- H. Once motions are fully submitted, the court will not allow further submissions. Letters to the court after oral argument or full submission regarding a pending motion that was fully submitted will be not be accepted.

G. SUMMARY JUDGMENT MOTIONS may not be made without arranging a telephone conference between all sides and the Court and receiving the Court's approval in the event that there are outstanding discovery motions pending; otherwise, there are no conditions or restrictions to making a summary judgment motion separate and apart from any found in the CPLR.

III. Preliminary and Compliance Conferences

- (iii). If it is a P.C. form, all items must be completed or marked "n/a" if not applicable.
- (iv). Use complete dates, including the correct year. Please remember that some of the dates you are selecting may be in the next calendar year.
- (v). Use firm cut-off dates such as "on or before December 31, 2012." Pick a reserve date if you have any uncertainty.**
- (vi). Do not leave the courtroom until either the Justice or her law clerk has reviewed your completed forms. Copies of preliminary conference and compliance conference orders will be available electronically in e-filed matters. Copies of such orders are not scanned in matters that have not been converted to electronic filing.

C. At each compliance conference, counsel should have a complete list of any discovery previously ordered but not yet completed. Failure to address such items at the subsequent conference will be deemed a waiver of the party's right to that discovery.

D. INTERROGATORIES

(A) Interrogatories are limited to 25 in number, without subparts, unless another limit is specified in the preliminary conference order. This limit applies to consolidated actions as well.

(B) Unless otherwise ordered by the court, interrogatories are limited to the following topics: name of witnesses with knowledge of information material and necessary to the subject matter of the action, computation of each category of damage alleged, and the existence, custodian, location and general description of material and necessary documents, including pertinent insurance agreements, and other physical evidence.

(C) During discovery, interrogatories other than those seeking information described in paragraph (B) above may only be served (1) if all relevant parties consent, or (2) if ordered by the court for good cause shown.

(D) At the conclusion of other discovery, and at least 30 days prior to the discovery cut-off date, interrogatories seeking the claims and contentions of the opposing party may be served, unless the court has ordered otherwise.

15. At the pre-trial conference for a custody trial, the parties shall exchange and submit to the court Proposed Parenting Plans and witness lists. At the pre-trial conference for a financial trial, the parties shall exchange and submit to the court Statements of Proposed Disposition, updated Statements of Net Worth, witness lists, and tax returns for the previous three years. Proposed Parenting Plans and Statements of Proposed Disposition shall be submitted in hard copy and e-mailed to the law clerks listed above as a Microsoft Word compatible document. Absent extraordinary circumstances, all trial dates are final and will not be adjourned.
16. For all emergency applications, the movant must contact the court to ascertain a convenient date/time to have the application heard and the order presented for signature. If represented by counsel, **THE CLIENT MUST APPEAR** on the application or the emergent relief requested may be denied.

CHANGE OF ATTORNEY

17. Any attorney seeking to withdraw from a case **MUST FILE A MOTION** by order to show cause where the granting of such application would result in the litigant being self-represented. **The court will not accept a stipulation where the litigant consents to proceeding pro se.** Where the litigant is merely switching attorneys, a stipulation consenting to change attorneys is required and a motion need not be brought.

DCM City Cases 646-386-3687

SON
646-386-3032 Order Section

The Settlement of Long Form Orders

Although the court strongly favors the use of short form orders and judgments, there are instances when settlement of an order or judgment is appropriate. When a Justice directs in a decision that a long form order or judgment be settled, that decision is recorded in the court's computer system by the General Clerk's Office and the motion file with decision is held in the Order Section of the Office in Room 119. The settlement process takes place there. (There are a few exceptions. Orders in cases under Article 81 of the Mental Hygiene Law and orders for receivership and other fiduciary accountings are to be settled in the Guardianship and Fiduciary Support Office (Room 158) because of the special expertise required to review them. Orders in Commercial Division cases are to be settled in the Commercial Division Support Office (Room 119 A)).

A proposed long form order or judgment in compliance with Rule 202.48 of the Uniform Rules for the Trial Courts must be presented to the relevant back office, together with a notice of settlement which bears a settlement date, the date on which the order is to be ready for formal presentation to the Justice. In an e-filed case the submission shall be made electronically. The proposed order or counter-order should be e-filed and it will be transmitted automatically by the NYSCEF system to the appropriate back office. The return date and time of the proposed order must be at 9:30 A.M. no sooner than either five days from personal service of the proposed order or ten days from service by mail. Proof of timely service on the other parties must accompany the proposed order in a hard copy case. If an order or judgment is submitted late (later than 60 days from signing and filing of the decision) and the proponent can show good cause for this tardiness, an affidavit or affirmation justifying the delay should be annexed to the proposed order, together with proof of service thereof. If persuaded, the Justice will consider the proposed order despite its untimeliness.

Any proposed counter-order or counter-judgment must be accompanied by a copy marked to indicate all respects in which it differs from the proposal to which it responds (Uniform Rule 202.48 (c) (2), as amended Sept. 1, 2007) and must bear an affidavit of service in a hard copy case and have been timely served pursuant to the Rule. When the time to present a counter-order or counter-judgment has expired, the Order Section staff will review a submission. No appearance is required of any party and the settlement date is not the day on which the papers will actually be presented to the Justice. If there are defects, they will be brought to the attention of the party who presented the submission. Once the submission has been reviewed and found proper in form, it will be sent to Chambers. Formal changes may be made by the staff directly on the order/judgment.

Sometimes a decision will state "Submit Order." The submitting party should prepare a long form order and make it returnable without notice. Counsel should deliver the proposed order to the Order Section of the appropriate back office, except in an e-filed case, when it shall be submitted electronically.

On directions to settle or submit an order, see David D. Siegel, *New York Practice* Sect. 250, at 438 (5th ed. 2011).

If the decision of the court directs that a proposed order be settled or submitted in the Part or in Chambers, that direction, should, of course, be followed without presentation of the proposal to the back office.

Proposed orders or judgments that did not arise out of a formal motion (e.g., out of a conference or trial) should be submitted to the Part of the assigned Justice.

HON. CAROL EDMEAD Part 35, IAS General Assignment Part, Room 438, Phone: 646-386-3322

Motions: Tues. 9:30 A.M. and 11:30 A.M. on a staggered schedule

Part 35 is a PURE PAPERLESS PART. E-filed motions must contain hyperlinked case citations or said submission will be rejected. All e-filed documents must be text-searchable. Bookmarks are strongly encouraged. E-filed motions do not require hard or courtesy copies, unless requested by the Court.

The dispositive motion deadline is 60 days after the note of issue is filed, unless otherwise directed.

Discovery motions are strongly discouraged. (See also Rules of the Justices, New York County Supreme Court, Civil Branch (Non-Commercial Division), NYLJ, Rule 11).

Motions returnable in the Motion Submission Part Courtroom, Room 130 and assigned to the Part will be on submission unless the court advises the parties that oral argument is required.

Orders to show cause will be returnable in the Part. Responsive papers to orders to show cause must be delivered to the courtroom at least 4 days prior to the return date unless the court indicates otherwise. Absent an emergency, orders to show cause may not be adjourned. If the motion is adjourned, all papers are due in the Part on the Friday before the adjourned date.

In the event a motion has been resolved by withdrawal or settlement of the case, counsel are encouraged to advise the court prior to the Tuesday calendar by promptly faxing to the court a letter of withdrawal or a stipulation of settlement and discontinuance. There shall be no ex parte communications with chambers and there will be no telephone adjournments. (See also NYLJ, Rules 1 (a), 4, 13 (b), 14 (a) and 14 (c)).

Conferences:

(See NYLJ, Rule 1(a), 7(c), and 10 (b)). Requests to adjourn preliminary, compliance, or pre-trial conferences on consent of all parties shall be faxed to (212) 374-8355.

All preliminary conferences are scheduled for Tuesdays at 2:15 P.M.

Preliminary conferences may not be adjourned. All stipulations of adjournment are subject to court approval and must be on consent, in writing. If there is no consent, the date must be honored and counsel must appear for an oral application for an adjournment. When an order to show cause is filed prior to the scheduling of a preliminary conference, the court will hold the preliminary conference on the return date of the Order to Show Cause, except where an Order involves (1) a reference; (2) a stay of the proceedings, i.e. bankruptcy or (3) the death of a party or other substitutions. (See also NYLJ, Rule 7 (a)).

At a compliance conference, a scheduled conference may be adjourned one time for no more than two weeks by stipulation of the parties faxed to the court by noon on the preceding Friday. Any further adjournments require the approval of the court, which will be granted only for good cause. The request for any such additional adjournment must be submitted to the court by fax no later than 4 P.M. on the preceding Friday. No adjournments will be given over the telephone. (See also NYLJ, Rule 1(b)).

At a pre-trial conference, counsel and their clients must appear unless the court expressly directs otherwise. (See also NYLJ, Rule 1(b)).

Questions regarding appearances in Part 35 on a conference or motion are to be forwarded to the Part Clerk at 646-386-3322.

Trials:

Trials are scheduled for a date certain generally within 45 days after a conference is held following the filing of a note of issue. Trial dates scheduled by the court are firm and may only be adjourned upon application based upon an emergency.

Trials are held every day of the week except Tuesdays, which is a calendar day. No adjournments will be granted if a witness is unavailable to testify unless the court concludes, in rare instances, that good cause exists. (See also NYLJ, Rules 20 and 21, and Pre-Trial Information Sheet available in the Part).

I. Communications with Part Clerk and Chambers

A. Scheduling Matters and Requests for Adjournments:

- i. Neither Justice Freed nor her Principal Law Clerk handles adjournments. Please contact Part 2 Clerk concerning all adjournments.
- ii. Parties wishing to schedule an in-court or telephone conference must do so by conference call, with all appearing parties, to the Part 2 Clerk.
- iii. Adjournment requests for Tuesday morning oral argument must be directed to the Part 2 Clerk.

(1) Where all parties are amenable to adjourning oral argument, contact the Part 2 Clerk and follow-up with a hard copy of the stipulation of adjournment by facsimile to the Clerk. Fax: (212) 952-2810- Attn: Justice Kathryn E. Freed. The stipulation can also be emailed to the Part Clerk. The stipulation **must also be e-filed. All parties must be copied on any correspondence to the court.**

(2) Except in emergency situations, motion adjournments for Tuesday morning motions will not be granted if the application is made less than 24 hours before the scheduled appearances. **Adjournments by stipulation submitted less than 24 hours prior to the scheduled motion must be approved by the court and parties not in compliance may be defaulted for nonappearance.**

(3) Adjournment requests for motions returnable in the Motions Submissions Part (Room 130), for mediation dates in the Mediation Part, and/or for jury selection dates in Trial Part 40 must be made by contacting the appropriate Part Clerks. Justice Freed's staff cannot adjourn any appearances scheduled in those Parts.

(4) A preliminary conference or compliance conference may be adjourned **once on consent for no more than 30 days** to a Tuesday afternoon at 2:15 p.m. A stipulation agreeing to the adjournment **must be e-filed** and a copy of the stipulation must be filed with the Part 2 Clerk at least 24 hours in advance of the conference date. Any **adjournment by stipulation submitted less than 24 hours prior to the scheduled motion must be approved by the court and parties not in compliance may be defaulted for nonappearance.** Further adjournments require Court leave.

B. No ex parte communications. Please do not call or e-mail Justice Freed or her staff unless all parties participate in the communication. Do not copy the Court on letters exchanged between counsel; all such communications will not be entertained. Stipulations, papers, CD-Roms, etc. should be sent or delivered to the proper Clerk for filing, where appropriate.

II. Motion Practice and Conferences

A. Oral argument of **non-discovery motions**: Tuesdays at 10:00 a.m. in Part 2 Courtroom, 80 Centre Street, Room 280.

Preliminary and Compliance Conferences and Discovery Motions: Tuesdays at 2:15 p.m. in Part 2 Courtroom, 80 Centre Street, Room 280.

B. All motions, except Orders to Show Cause, shall be made returnable to the Motion Submission Part Courtroom, 60 Centre Street, Room 130. Motions will be scheduled for oral argument in the Trial and Motion Courtroom, 80 Centre Street, Room 280, for a Tuesday at 10 a.m. after the final appearance in the Submission Part. Motions submitted on default in Room 130 may be scheduled for oral argument.

C. Parties seeking a Temporary Restraining Order by Order to Show Cause must appear with the affected adversary, or proof of notification to adversary, when such application is made.

D. The deadline for filing motions for summary judgment is **60 days** from the date of the filing of the note of issue, as set forth in the preliminary conference order, unless otherwise ordered by the court.

E. All motions must be e-filed and the court must be provided with courtesy/working copies of all motion papers. Please submit working copies to the Motion Submission Part, 60 Centre Street, Room 130, on the return date of the motion **and clearly label such as a "working copy."** **Motions will not be scheduled for oral argument in Part 2 unless the court is provided with such courtesy/working copies. Working copies include only papers to be considered in connection with motions and other rulings and do not include documents such as a notice of entry or note of issue.**

F. General Motion Guidelines:

i. The first page of all motion papers, including notice of motion, opposition, reply, exhibits, affirmations, memorandum of law, etc., must **reflect the respective motion sequence number** and index number in the upper right hand corner.

ii. All submissions must be in 12 point font and in double-spaced line format.

iii. Documents in a foreign language must be properly translated as per CPLR 2101(b).

iv. If reliance is placed on a decision or other authority not officially published or readily obtainable by the court, a copy of the case or pertinent portions of the authority shall be submitted with the motion papers.

v. Unless advance permission is otherwise granted by the court for good cause, **memoranda of law shall not exceed 30 pages each** (exclusive of table of contents and authorities) **and affidavits/affirmations shall not exceed 25 pages each.** Reply affirmations shall not exceed **15 pages in length.**

vi. The CPLR does not permit sur-reply papers, however denominated. Papers or letters regarding a motion should not be presented to the court after submission of the motion in the Motion Submission Part (Room 130), or after argument in Part 2, if any, except with the advance permission of the court. **Materials submitted in violation of this rule will be disregarded by the court.**

vii. All courtesy copies of motion papers must have **protruding exhibit tabs** identifying the exhibits. **Absent extraordinary circumstances, papers submitted in violation of this rule will be disregarded by the court.**

viii. All exhibits submitted electronically shall be described in the heading of the attached exhibit (e.g., Exhibit A, Bill of Particulars; Exhibit B, 50-h Transcript), so that it is known what document is filed in the Exhibit without the need to electronically open it.

ix. Any reference to deposition testimony must cite to the exact page and line numbers relied upon rather than merely attaching the entire transcript or "relevant portions". The failure to follow this rule may result in the denial of the motion with leave to bring it again upon proper papers, but only so long as any deadlines have not already passed - that is a filing deadline will not be extended. As with deposition transcripts, any reference to any other voluminous exhibit annexed to a motion must include pinpoint citations so that the exact location within the exhibit can be easily located. For example, a citation to physical therapy notes contained within an exhibit of medical records should be identified as "see physical therapy note dated xx/xx/xx, Exhibit B, at page 9"; it should not just refer the court to the exhibit as a whole.

x. Memoranda of law must be bound separately from other papers. Exhibits should be bound in volumes not to exceed approximately 1 to 1.5 inches in thickness, if practicable. Velo binding is preferred. Two-sided copies of depositions or other papers must be bound on the left.

G. If a case has settled while a motion is pending (or at anytime), or if you wish to withdraw the motion (after submission in room 130 and before oral argument), **please advise the Part 2 Clerk in writing immediately.**

H. All decisions are scanned and available on the internet; access them through E-LAW or SCROLL (www.nycourts.gov/supctmanh - click on "Case Information" on the right side of the page). **Please do not call Chambers or the Part 2 Clerk to ask whether a decision has been issued or when a decision is expected to be issued.**

I. Once motions are fully submitted, the court will not accept any additional papers. Letters to the court after oral argument or full submission of a pending motion will not be accepted.

III. Trial Practice

A. **Trial Memoranda.** Prior to trial, each party is to submit a trial memorandum, **not to exceed five (5) pages**, briefly setting forth its position and the relevant factual and legal issues to be tried. Relevant case law should be cited in, and relevant cases should be attached to, the memorandum.

B. **Marked Pleadings.** The parties are to submit marked copies of all pleadings in the case prior to the commencement of trial.

C. As soon as possible prior to trial, the parties are to provide the court with **all relevant orders** documenting the history of the case to be tried including, but not limited to, decisions granting or denying summary judgment or dismissal motions and orders of preclusion.

D. **Motions in limine** must be provided to the court as soon as possible prior to trial.

E. Where practicable, deposition transcripts and exhibits shall be provided electronically in a word-searchable format, and a working copy thereof shall also be filed with the Part 2 Clerk.

IV. Appearances By Counsel

In connection with motions, conferences, or trials, counsel are expected to appear **on time**. Counsel are required to check in with the Court Officer at the time scheduled for the particular proceeding. Parties whose counsel fail to check in within one (1) hour of the appointed time for the appearance may be subject to sanctions including, but not limited to, default and/or striking of pleadings. To avoid sanctions, an attorney with an appearance(s) in another part should advise his or her adversary(ies) and the Part 2 Clerk that he or she will be leaving the courtroom.

V. Other Submissions

All other submissions to Part 2, including proposed orders and judgments, transcripts, stipulations, letters, and affidavits of service, must be **e-filed**, and one working copy must be filed with the Clerk of Part 2.

All working copies of documents submitted to the Court must be marked to reflect that they have previously been e-filed.

Each preliminary conference order must have annexed thereto this court's "Preliminary Conference Additional Directives" and each compliance conference order must have annexed thereto this court's "Compliance Conference Additional Directives." These directives can be found in the Part 2 courtroom on the date of the conference.

Requests for commissions should be made by stipulation, if possible, or by motion if necessary. If by motion, please annex a proposed order.

Requests for *pro hac vice* admissions must be made by motion. If by motion, please annex a proposed order.

Motion and conference days: Thursdays and Fridays, at staggered times. Minor children are not permitted in the courtroom, except by permission of the court. Any counsel appearing on a motion or conference is expected to be fully familiar with the case. Parties are expected to appear for all motions and conferences, unless excused in advance by the court.

Motions: All applications for relief, except cross-motions, shall be made by Order to Show Cause unless otherwise directed by the court. All motion papers (including opposition and reply) shall state the motion sequence number on the first page. Counsel shall file opposition papers, replies and cross-motions in the courtroom. The court does not accept surreplies without prior court permission. To reduce the need for motion practice, counsel are encouraged to contact the court by conference call prior to filing a motion.

Communication with court: Communication with the court between court dates is by telephone conference only. **Where a party is not represented, conference calls will generally be held on the record.** Counsel and parties may not communicate with the court by letter, email or fax, and may not send the court copies of correspondence between or among counsel and/or parties, without prior permission from the court. Unauthorized correspondence will not be considered and will not be maintained as part of the court file. If you are unable to obtain the cooperation of opposing counsel or opposing party, *pro se*, to place a conference call, you may call one of the Law Secretaries and request assistance in setting up a conference call. Contacting the court by conference call is a privilege, not a right. **Accordingly, the court may determine in a particular case that it will not permit conference calls and will advise the parties and/or counsel that all applications for relief must be made by motion pursuant to the CPLR.**

Adjournments: Adjournments may be sought by telephone conference call with either Law Secretary, or the Part Clerk, to be followed by a written stipulation confirming the date.

Final Status Conference: When the court schedules a final status conference, the parties shall conclude all discovery before that date, and plaintiff shall file the Note of Issue no later than the day before the Final Status Conference, unless specifically excused by the court.

Preliminary Conference: Notwithstanding the directives in the preliminary conference letter from the court, the court only requires the following to be submitted at the preliminary conference: each party's statement of net worth, most recently filed state and federal income tax return, and two most recent paycheck stubs.

Pretrial Conferences: Parties shall exchange and file with the court the following pretrial documents at the pretrial conference, if any, or at least two weeks prior to the first day of trial if there is no pretrial conference: (1) Statement of Proposed Disposition pursuant to 22 NYCRR §202.16(h); (2) updated Net Worth Statement and most recently filed tax returns; (3) Witness List; and (4) Exhibit List, with pre-marked exhibits. If the trial concerns only custody, the parties shall file a Proposed Parenting Plan instead of a Statement of Proposed Disposition, and need not file an updated Net Worth Statement. With regard to exhibits, parties shall attempt to stipulate to admissibility, or at least to authenticity, at or before the pre-trial conference. In addition, counsel shall attempt to agree upon and execute a Stipulation of Undisputed Facts. Attorneys for children, if any, may file a proposed parenting plan if they wish to do so, and shall also exchange and file lists of witnesses and exhibits they intend to present at trial. Any pre-trial motions shall be filed by Order to Show Cause at least three weeks prior to the pre-trial conference, so that they can be made returnable at the pre-trial conference.

Trials and hearings: Mondays, Tuesdays and Wednesdays. Parties and children's attorneys, if any, may use on their direct case only evidence that is listed on their respective pre-trial exhibit lists, and witnesses who are listed on their respective pre-trial witness lists. Counsel may use evidence and witnesses not appearing on the pre-trial exhibit and witness lists on cross and rebuttal. Counsel are encouraged to put all exhibits in electronic format, and to exchange and file them with the court in electronic format.

Post-trial submissions: After trial, unless the court requests oral summations, the parties and the child's attorney, if any, shall submit post-trial proposed findings of fact and conclusions of law, with copies on a USB flash drive or Word formatted email attachment.

Change of counsel: The court does not accept Consents to Change Attorney from counsel to a *pro se* litigant. Unless the client has retained new counsel who has executed and filed a valid Consent to Change Attorney, counsel seeking to withdraw from a case must make a motion to be relieved.

Court Interpreters: A matter that requires an interpreter cannot be adjourned less than one week before the conference.

• **Communications with Part Clerk, DCM Coordinators, and Chambers — Including Adjournments**

1. Please notify Part Clerk as soon as a case settles or if all parties want a settlement conference, at any point in the litigation.

2. Requests for Adjournments/Scheduling:

1. For all motions pending in the Submissions Part (Room 130 at 60 Centre Street), follow that Part's rules regarding adjournments and scheduling. The following rules only apply to matters pending in the Part 22 courtroom or in the DCM part. For a motion to be pending in the courtroom, it must have been fully submitted in Room 130 and already rescheduled for oral argument on a Wednesday morning. We can only adjourn motions if we have the file and we only get the file after it is fully submitted in Room 130.

2. For all scheduling matters and requests for adjournments, please call the Part Clerk (for matters in the courtroom) or the DCM Coordinator (for DCM conferences) for instructions. Do not call chambers. Neither the Justice nor the Court Attorney handle adjournments. Please be aware that the Part Clerk and the DCM Coordinators know when and how to consult with Justice Goetz and will do so when necessary.

3. Absent exigent circumstances, all requests for adjournments must be approved in advance. Without prior approval, a stipulation will not be accepted and any failure to appear will be considered a default. To make your request, please call **at least two days** prior to the scheduled appearance by conference call with all counsel on the line. If approved, you will receive a new date and further instructions (i.e. submission of a stipulation). For appearances scheduled in the courtroom, contact the Part Clerk (646-386-3271). For DCM conferences, call the DCM Coordinator (646-386-3682 or 646-386-3683).

C. No *ex parte* communications. Unless specifically instructed, please do not call or e-mail chambers. Do not copy the Court on letters exchanged between counsel.

D. All decisions and orders (including DCM orders) are scanned and available on the Internet (E-LAW or SCROLL). Do not call to ask whether a decision has been issued.

II. Appearances before the Court/Motion Practice

A. If you want to withdraw a motion *after* the motion leaves the Submissions Part— either before or after argument — please advise the Part Clerk by telephone **immediately**. (If the motion is in the Submissions Part, then follow that Part's rules to withdraw).

B. Attorneys appearing before Justice Goetz must be thoroughly familiar with the case. All Counsel must be prepared for settlement discussions and to have their client or adjuster "on call" by telephone.

C. Please read these rules carefully. **Your papers may be rejected for failure to follow these rules.** The failure of the movant(s) to follow these rules may result in the denial of the motion(s) with leave to renew upon proper papers. However, absent good cause, no deadline will be extended.

D. General Motion Guidelines

(1) **Motions with opposition**, after being fully submitted in Room 130, will be scheduled for a brief oral argument in the Part 22 courtroom for the next available Wednesday at 9:30 a.m. Do not deliver opposition to motions pending on the Submission Calendar to any Clerk at 80 Centre Street; submit them in Room 130.

(2) **Motion Sequence Number ("MSQ")**: Often several motions are submitted at the same time. To keep papers organized, the first page of EVERY motion paper (notice of motion, opposition, reply, exhibits, etc.) **must reflect the respective MSQ** in the upper right corner.

(3) **Multiple Parties**: If the case has multiple plaintiffs or defendants, then you must state **which specific party(ies)** you represent in your motion papers **and** on the litigation back. Do not state that you represent "defendants" unless you represent all defendants.

(4) Exhibits:

(i) **Tabs**: All exhibits must be identified by protruding tabs.

(ii) **Referring to exhibits**: Each page in any exhibit must be numbered. Reference to any exhibit must include pinpoint citations so the exact location within the exhibit can be found easily. For example, a citation to physical therapy notes contained within an exhibit of medical records should be identified as "physical therapy note dated xx/xx/xx, Exhibit B, page 9"; it should not just refer to "Exhibit B". Likewise, while the entire EBT transcript must be annexed, any reference thereto must cite to the exact page and line numbers relied upon rather than merely attaching the entire transcript or "relevant portions."

(5) If there is a discrepancy between the relief sought in your notice of motion and the relief sought in your supporting papers, the notice of motion is controlling.

1. **E-Filed papers**: The Court requires courtesy/working copies of all e-filed papers; kindly submit these in Room 130 on the return date and they will be delivered to Chambers with the motion. **Submitted working copies of motion papers must be bound. Failure to submit a complete and properly bound working copy of motion papers may result in a further adjournment or denial of the relief sought.** Do not submit copies directly to chambers.

a. **General Orders to Show Cause ("OSC")**: Any party seeking immediate injunctive relief within an OSC must appear with the affected adversary (or with proof the adversary has been notified, but declined to appear) when the application is presented for signature.

b. **Orders to Show Cause to be relieved as counsel**: Do not bring your adversary, but you must make sure you provide enough information for Justice Goetz to fashion a method of service likely to reach your client.

c. **Motions to Renew/Reargue**: Please provide a separate appendix, labeled "original motion and decision", containing all papers submitted on the original motion and a copy of the Court's decision. In the appendix, please provide protruding tabs as the exhibits were originally submitted to the Court.

d. **Motions/special proceedings submitted on default** in Room 130 are generally not scheduled for oral argument. However, **the movant must make certain that an affidavit of service is annexed**, even for e-filed motions. Without a proper affidavit of service, relief will be denied.

i. Discovery motions are strongly discouraged.

(1) There are two full-time DCM Coordinators and a conference system to handle discovery. Please maximize use of these valuable resources.

(2) All initial discovery motions will be converted into a Case Scheduling Order. You should avoid a motion by simply filing an RJJ with a request for a preliminary conference and you will receive a Case Scheduling Order without having to appear.

(3) If you already have a Case Scheduling Order or already have had one or more compliance conferences and still have

a discovery dispute, see Rule IV(B) below.

(4) If the dispute cannot be resolved at the conference, then the issue(s) will be narrowed and the DCM Order will specifically allow a motion to be brought and must set forth a briefing schedule. A copy of that conference order, as well as all other conference orders, must be annexed to all discovery motions.

A. Summary judgment motions

(1) **All summary judgment motions must be made no later than 60 days after filing the Note of Issue** - there are no exceptions without leave of Court. In the notice of motion or early in the affirmation in support, please state the date the Note of Issue was filed and that the motion is timely. Absent good cause for late filing, a late motion will be denied, even if your adversary does not object.

(2) Cross-motions, especially cross-motions seeking relief unrelated to the main motion, DO NOT relate back to the date the original motion was made. "Me too" motions are not cross-motions as they do not seek relief against the movant.

(3) Discovery must continue during the pendency of a CPLR §3212 motion, unless good cause is shown for a stay. Consult the DCM Coordinator at the conference regarding the "good cause"; the DCM Coordinator will consult with Justice Goetz, if necessary. A stipulation will not suffice; any stay must be so-ordered.

III. Notes of Issue

A. A Note of Issue may NOT be filed unless a stipulation is so-ordered certifying that discovery is complete. Improperly filed Notes of Issue may be stricken *sua sponte*.

B. Usually, the certification of completed discovery will be made at the final compliance conference. However, if all parties agree that discovery is complete before that date, then you can avoid the conference by mailing or faxing a stipulation to the DCM Coordinator at least two days before the scheduled conference. The stipulation must certify that all discovery is complete and provide for the filing of the Note of Issue. The DCM Coordinator will provide a date by which the note of issue must be filed and the so-ordered stipulation will be scanned and will appear on SCROLL.

IV. DCM/Compliance Conferences

A. A Bill of Particulars and authorizations are the foundation upon which much discovery is based. **Accordingly, the failure of the plaintiff to provide a Bill of Particulars and HIPAA compliant authorizations by the first compliance conference, without good cause shown, may result in the plaintiff being precluded from offering any evidence of damages.**

B. Conferences are important; be prepared.

(4) The Court invests significant resources into the DCM system **in order to efficiently and fairly resolve discovery disputes**. The rules of this Part require compliance with court-ordered deadlines. Remember, these are court orders, not suggestions. The failure to adhere to deadlines and comply with orders may result in serious penalties. Counsel attending the conference are expected to be familiar with the case and have the authority to discuss and stipulate to resolve all discovery issues.

(5) At each compliance conference, **counsel MUST bring a list** of all discovery previously ordered but not yet completed as well as new discovery requested which could not have been previously addressed (and be ready to explain why it could not have been addressed). Failure to address all outstanding discovery existing at the time of the compliance conference may be deemed a waiver of the right to obtain said discovery.

(6) Please bring copies of all prior conference orders and stipulations to the conferences. If you have any motions pending in the Motion Submission Part, or which are *sub judice*, please bring this to the attention the Part 22 Clerk and consult with the DCM Coordinator.

(7) Counsel are assumed to have consulted clients, examining doctors, etc. regarding their availability for EBTs, IMEs and the like.

(8) Upon a party's second failure to appear for a conference, the case may be dismissed or the party's pleading may be stricken. Any motion to vacate such a default must be brought by Order to Show Cause and must fulfill the requirements of CPLR §5015.

(9) **If a dispute arises about compliance** with any discovery order, or if deadlines are passing without discovery being provided, **DO NOT WAIT** until the next conference to report, in effect, that nothing has been done. As an officer of the Court, it is counsel's responsibility to comply with court orders and to report non-compliance. If your good faith efforts to resolve the dispute fail, then immediately, before the deadline and without making a motion, call the assigned DCM Coordinator. Then, upon the DCM Coordinator's discretion, the case will be scheduled for a resolution conference (in person or by telephone) or the date of the next scheduled conference will be advanced.

(10) Absent good cause, failing to report discovery problems with DCM immediately, in advance of the deadlines, or failing to comply with any discovery order or DCM Discovery Reminder Notice, may result in the imposition of penalties upon the offending party and, where warranted, upon counsel. Penalties may include waiver of the discovery, preclusion, dismissal, striking the Answer, costs, sanctions and attorneys' fees.

(11) All ordered discovery is important, but counsel should be particularly aware that severe penalties are likely to be imposed for the following noncompliance, because there is little excuse for counsel failing to provide/schedule discovery, since it is so routine:

- (i) Plaintiffs failure to timely provide a Bill of Particulars and HIPAA compliant authorizations.
- (ii) Defendant's failure to timely give notice of, designate physicians for, schedule or conduct IMEs of plaintiff and serve the resulting reports.
- (iii) Plaintiff's failure to attend the IMEs.
- (iv) Either party's failure to schedule and attend a deposition.

C. Instructions Applicable to Compliance Conference Orders

- (12) Please write legibly with a black ball point pen. Press hard. Illegible orders will not be signed. You must indicate the names, addresses and telephone numbers of all counsel appearing at the conference.
- (13) The DCM Case Coordinators have been instructed not to make copies. Although you are free to take a picture of the stipulation with your phone, keep in mind that all orders will be scanned and will appear on SCROLL. Use complete dates, including the correct year. Please remember that some of the dates you are selecting may be in the next calendar year.
- (14) Use firm cut-off dates such as "on or before December 31, 2016." Do not use "within 45 days," etc. Because you are assumed to have consulted your clients and examining doctors regarding their availability for EBTs and IMEs, you will be held to the dates to which you commit. Pick a reserve date if you have any uncertainty.
- (15) If you have not complied with the "on or before" dates in the Case Scheduling Order/Preliminary Conference Order or the first Compliance Conference Order, then you must pick a specific date during the second compliance conference for the EBTs, IMEs, etc. That is, you get two chances to comply with "on or before" dates. The second Compliance Conference Order must set forth specific dates and include penalty language (preclusion, etc.) for noncompliance and may add "unless good cause is shown for the noncompliance". If you have not complied, then come prepared to the next compliance conference with affidavits, plane tickets, death certificates or proof of hospitalization to prove any claimed "good cause".
- (16) Non-specific statements such as "all discovery not yet provided" or "unless otherwise provided" or "to the extent not yet provided" will not preserve any rights. Each attorney is expected to know what has been provided and what has not. See Rule IV(B)(2) above about bringing a list of all outstanding and requested discovery to every conference and waiver of discovery.

Trial Rules for the Part will be provided to attorneys prior to trial.

If the parties cannot agree to the adjournment, they may contact the Part Clerk by conference call. However, parties are reminded of the importance of cooperating with one another.

E. Discovery Motions:

DISCOVERY MOTIONS ARE STRONGLY DISCOURAGED. If a discovery dispute arises before the issuance of a preliminary or compliance conference order and a party has made a formal discovery motion, a conference will be scheduled for the return date of the motion.

Do not assume that the email has been received until a confirmation email is sent to you. If no confirmation is received within 24 hours of the email's transmission, please call the court attorney for further instructions.
3. Parties are strongly urged to have the court stenographer pre-mark all exhibits for identification and/or in evidence if without objection. Any *in limine* issues are best raised before trial commences or at the beginning of the day on which a party expects to offer the exhibit.

General Rules

Hearings and trials are generally scheduled on Mondays, Tuesdays and Wednesdays. Conferences and motions are generally scheduled (on a staggered basis) on Thursdays and Fridays. All parties must be present at every appearance, including conferences and motions, unless otherwise directed by the court.

All adjournments require the prior approval of the court. Applications for adjournments may be made by counsel jointly initiating a telephone conference with Chambers at (646) 386-3103 at least two (2) days prior to the scheduled court appearance.

Counsel may also jointly initiate a telephone conference with the court should an issue arise between court dates which requires court intervention. Counsel and parties should not contact the court by letter, email or fax, and should not forward to the court copies of correspondence between or among counsel and/or parties, without prior permission from the court.

Any attorney seeking to withdraw from a case where a substitute attorney has not been retained must move by order to show cause for an order to be relieved. *The court will not accept a stipulation where the litigant consents to proceeding pro se.*

Motions

To reduce the need for motion practice, counsel are encouraged to contact the court by conference call prior to filing a motion. All motions shall be made by order to show cause unless otherwise directed by the court. All motion papers (including opposition and reply papers) shall state the motion sequence number and return date of the motion on the first page. All exhibits should be identified by tabs.

All papers shall be filed with the Part Clerk at 111 Centre Street, Room 574. Sur-replies are not accepted without prior court permission. Oral argument is required on all motions, unless otherwise directed by the Court.

Temporary restraining orders

Any party bringing an order to show cause seeking a temporary restraining order or other interim relief (other than an ex-parte application for an order of protection) must first contact the Part Clerk at (646) 386-3285 to obtain a date and time to present the order to show cause to the court. The party must then notify all parties or their counsel of the date, time and location that the parties will be heard on the request for interim relief.

Orders of Protection

Ex-parte applications for orders of protection must be accompanied by the Family Protection Registry Information Sheet and the litigant must be present. Motions to consolidate family offense proceedings pending in Family Court must contain a complete copy of the relevant pleadings and orders (with relevant docket numbers).

Conferences

Preliminary, compliance and status conferences

The following documents shall be submitted at the preliminary conference: (i) each party's sworn statement of net worth; (ii) the most recently filed state and federal income tax returns; and (iii) each party's two most recent paycheck stubs. The date of the *compliance conference* shall be set at the time of the preliminary conference. All discovery shall be completed before the *final status conference*.

Pre-trial conferences

Parties shall exchange and file with the court the following documents at the pre-trial conference, if any, *or at least two weeks prior to the first day of trial if there is no pre-trial conference*: (i) statement of proposed disposition; (ii) updated statement of net worth and most recently filed tax returns; (iii) witness list; and (iv) exhibit list (with pre-marked exhibits).

If the trial concerns the issue of custody only and involves no financial issues, the parties shall file a proposed parenting plan instead of a statement of proposed disposition, and need not file an updated statement of net worth. Attorneys for children, if any, may file a proposed parenting plan if they wish to do so, and shall also exchange and file witness and exhibit lists.

Prior to the pre-trial conference, the parties shall attempt to execute a stipulation as to: (i) the authenticity and admissibility of exhibits; and (ii) undisputed facts.

Any pre-trial motions, including motions *in limine*, shall be filed by order to show cause at least three weeks prior to the pre-trial conference, so that they can be made returnable at the pre-trial conference.

Trials and Hearings

Absent extraordinary circumstances, all trial dates are final and will not be adjourned.

As a general rule, no counsel or party will be permitted to offer a document into evidence unless the document was disclosed on the previously exchanged exhibit list, and no witness will be permitted to testify unless the witness was disclosed on the previously exchanged witness list.

- 1. Attorneys appearing before Justice Lebovits must be thoroughly familiar with the case.
- 2. Courtroom comments and demeanor: Present your arguments cogently, calmly, and courteously. Remarks should be directed to the court, not to opposing counsel.

IV. Motion Instructions

A. General

1. Part 7 is an e-filing part. Any questions about the e-filing system should be addressed to the E-Filing Office at 646-386-3610 or at newyorkef@nycourts.gov.
2. Oral argument on motions are at the court's discretion. Motions with opposition will be scheduled for oral argument for an available Wednesday at 2:15 p.m.
3. Motions submitted without opposition are rarely scheduled for oral argument.
4. Motion Sequence Number: The first page of every motion paper (notice of motion, opposition, reply, exhibits, etc.) must reflect the respective motion sequence number in the upper-right corner.
5. Working or courtesy copies of motion papers are required. Hard copies of motion papers must be properly filed with the Submissions Part in accordance with that Part's rules. Do not send hard copies to chambers.
6. Counsel should not submit a single .pdf file under a single document number for papers submitted on a motion. Each e-filed document must have its own, respective document number (e.g., Doc # 15, Notice of Motion; Doc #16, Attorney Affirmation; Doc #17, Affidavit; Doc #18, Exhibit A; and Doc #19, Exhibit B).
7. Exhibits: Each exhibit must be numbered. Reference to exhibits must cite the exact page within the exhibit. All exhibits electronically submitted must be described in the heading of the attached exhibit (e.g., Exhibit A, Bill of Particulars; Exhibit B, Photographs) to allow the court to ascertain what document is filed in the exhibit.
8. If any discrepancy arises between the relief sought in the notice of motion and the relief sought in the supporting papers, the notice of motion controls.
9. Once motions are fully submitted, the court will not allow any further submissions. Letters to the court after oral argument or full submission about a pending, fully submitted motion will be rejected.
10. To withdraw a motion after the motion leaves the Submissions Part, inform the Part Clerk immediately and fax a stipulation executed by all affected parties. If the motion is in the Submissions Part, follow that Part's rules to withdraw.

B. Orders to Show Cause

1. Any questions about how to e-file proposed OSCs should be directed to the Ex Parte Office at 646-386-3125.
2. All parties must submit to the Part Clerk in the courtroom, room 731, hard copies of motion papers filed with an OSC.
3. Any party seeking immediate injunctive relief within an OSC must appear with the affected adversary or prove that the adversary was notified but declined to appear when the application is presented for signature.
4. OSCs are returnable in the Part. Responsive papers to OSCs must be delivered to the courtroom at least four days before the return date unless the court indicates otherwise.
5. Absent an emergency, OSCs may not be adjourned.

C. Motions to Renew/Reargue

All motions to renew or reargue must contain the papers submitted on the original motion and a copy of the court's original decision. No oral argument on these motions will be entertained.

D. Disclosure Motions

Disclosure motions are strongly discouraged. If a disclosure dispute arises, a party may, instead of filing a motion, request an expedited conference by calling the Part Clerk. Conferences requested on an expedited basis will be granted only at the court's discretion. If a party has made a formal disclosure motion, a conference will be scheduled for the same date as oral argument and will be conducted before counsel is heard on the motion.

E. Summary-Judgment Motions

Summary-judgment motions must be made no later than 60 days after filing the note of issue. Counsel's affirmation in support must include the note of issue filing date. Disclosure must continue while a CPLR 3212 motion is pending.

F. Note of Issue

If all parties agree before the final compliance conference that disclosure is complete, the final conference may be avoided by e-filing or faxing a stipulation to the Part Clerk at least two days before the scheduled conference. The stipulation must certify that all disclosure is complete and provide for the filing of the note of issue.

V. Conferences

A. General

1. Counsel attending the conference are expected to be familiar with the case and have authority to discuss and stipulate to resolve all disclosure issues.
2. At each compliance conference, counsel must bring a list of all disclosure already ordered but not yet completed as well as new disclosure requested that could not have been addressed earlier. Failure to address all outstanding disclosure existing at the time of the compliance conference may be deemed a waiver of the right to obtain that disclosure.
3. Bring all conference orders and stipulations to the conferences.
4. Counsel are assumed to have consulted clients, examining doctors, etc., regarding their availability for EBTs, IMEs, etc.
5. Upon a party's second failure to appear for a conference, the case may be dismissed or the party's pleading stricken. A motion to vacate a default must fulfill the requirements of CPLR 5015.

B. Conference Orders

1. Please write legibly and press hard. Names, addresses, and telephone numbers of all counsel appearing at the conference must be indicated.
2. In a Preliminary Conference form, all items must be completed or marked "n/a" if not applicable.
3. Use firm cut-off dates, such as "on or before December 31, 2015." Do not use "within 45 days," etc. Counsel will be held to the dates to which they commit.
4. Non-specific statements such as "all discovery not yet provided" or "unless otherwise provided" or "to the extent not yet provided" will not preserve any rights. Each attorney is expected to know what has and has not been provided.
5. Counsel are free to photograph a stipulation or order on their cell phone, although all orders will be scanned and available on eCourts and/or SCROLL.

6. Do not leave the courtroom until either the Justice or his Court Attorney reviews your completed forms.
7. You may leave the courtroom once the Court Attorney has reviewed the proposed order/stipulation, but it is preferable that you wait in the courtroom for a signed copy of the order.
8. This Part requires compliance with court-ordered deadlines set forth in the preliminary/compliance/status conference order(s). Failure to adhere to deadlines or to comply with orders may result in penalties.

G. TRIAL DATES:

Unless otherwise directed, after the note of issue has been filed, the case will be assigned to Mediation I or Trial Part 40 by the Trial Support Office. Part 13 does not maintain a separate pre-trial conference calendar.

H. TRIAL RULES:

1.) Counsel shall furnish the Court with copies of :

A.) Marked Pleadings as required by CPLR §4012;

B.) A copy of any statutory provisions in effect at the time the cause of action arose upon which either the plaintiff or defendant relies;

C.) The Bill(s) of Particulars;

D.) If any part of a deposition is to be read into evidence (as distinguished from mere use on cross-examination), you must, well in advance, provide the Court and your adversary with the page and line number of all such testimony so that all objections can be addressed prior to use before the jury.

2.) No Communication with Jurors: In order to maintain the appearance of total impartiality, once the jury has been selected no one is to communicate in any form at any time with any juror. This includes both verbal and non-verbal communication, including, without limitations, nods, shrugs and shaking the head. Do not even say "hello" or "good morning."

3.) Trial Objections and Arguments: If a lawyer wishes to make an objection, it can be accomplished by standing and saying the word, "objection", and by adding thereto up to three or more words so as to state the generic grounds for the objections, such as "hearsay," "bolstering," "leading," or "asked and answered." If you believe further argument is required, ask permission to approach the bench. This request will almost always be granted. Keep in mind that you will always be given the opportunity to make a full record.

4.) Courtroom Comments and Demeanor: All remarks should be directed to the Court. Comments should not be made to opposing counsel. Personal remarks, including name-calling and insults, to or about opposing counsel will not be tolerated. Remember do not try to "talk over" each other; only one person speaks at a time or the record of the proceeding will be incomprehensible. Simple requests (e.g. a request for a document or an exhibit), should be accomplished in a manner which does not disrupt the proceedings or your adversary, such as a possible stipulation, ask for permission to approach the bench. I will grant that request, and you will have a chance to talk to each other outside the presence of the jury. In addition, no grandstanding in the presence of the jury i.e., making demands, offers or statements that should properly be made outside the presence of the jury.

5.) Examination of Witnesses: Do not approach a witness without permission of the Court. Please allow the witness to complete his/her answer to your question before asking another question. Do not interrupt the witness in the middle of an answer, unless it's totally unresponsive in which event you should seek a ruling from the Court. Direct examination, cross, redirect and re-cross are permitted. However, the Court does not ordinarily permit re-redirect examination of a witness.

6.) Jury Charge and Verdict Sheet: At the commencement of the trial all counsel shall submit suggested jury charges and a suggested verdict questionnaire. Amendments thereto shall be permitted at the final charging conference. If counsel relies on a Pattern Jury Instruction [PJI] without any charge thereto, it should be referred to by PJI number and topic only. If any changes to the PJI are suggested, then the entire proposed charge should be set forth and the changes should be highlighted or otherwise called to the Court's attention. Citations to appropriate statutory or common law authority shall be given in support of suggested non-PJI jury charges or suggested PJI modifications. In addition, unless a marshaling of the evidence is waived, Counsel should at the final charging conference, provide the Court with the proposed facts which counsel believes should be marshaled by the Court; and the respective contentions of the parties.

Compliance, Status, and Trial Readiness Conferences

All conferences will be held in the DCM Part, Room 103 on Tuesdays at 2:00 p.m., unless otherwise specified. Counsel attending the conference are expected to be familiar with the case and have authority to stipulate to resolve discovery disputes and to confirm discovery deadlines. Case scheduling orders are orders of the Court and counsel are expected to adhere to court-ordered discovery deadlines and comply with these court orders. At each compliance conference, counsel must bring a list of all discovery previously ordered but not yet completed as well as new discovery requested which could not have been previously addressed. Failure to adhere to deadlines and comply with discovery orders may result in penalties. Please bring copies of all prior conference orders and stipulations to the conferences.

Motions

All Orders to Show Cause will be heard on Tuesdays at 80 Centre Street, Room 307, at 9:30 a.m., unless otherwise provided for by the Court. Any party seeking a Temporary Restraining Order or interim relief must appear with the affected adversary or provide proof to the Court that the adversary was notified but declined to appear when the application is presented for signature.

Motions brought by Notice of Motion shall be made returnable in the General Clerk's Office Motion Submission Courtroom, Room 130, at 60 Centre Street. If oral argument is requested, it should be so indicated on the notice of motion. After motions are fully submitted in Room 130, they are sent to Part 5 and scheduled for oral argument at the Judge's discretion. If oral argument is scheduled, you will be notified electronically. All cases scheduled for oral argument will be heard on Tuesdays, in Room 307, at 10:00 a.m.

Timely interposition of all papers in accordance with the CPLR is required, as the Court will not consider the merits of any papers, including opposition, cross-moving or reply, which appear to have been interposed in an untimely or otherwise inappropriate manner. The CPLR does not provide for sur-reply papers; the Court will not read sur-reply papers. Letters should not be sent to the Court concerning a motion after said motion has been marked submitted, unless on consent of all parties or order of the Court.

Discovery motions are strongly discouraged. We have a DCM Part dedicated to coordinating discovery. Please maximize the use of these valuable resources. If a party has made a discovery motion, a conference will be held by the Court for the same date as oral argument and will be conducted before counsel is heard on the motion.

All summary judgement motions must be filed within 120 days after the filing of the note of issue.

If the case has settled or if a motion has been withdrawn, the parties must immediately call the Part 5 Clerk and fax a stipulation to the court, executed by all affected parties, indicating that the matter has settled and/or that the motion has been withdrawn. In addition, the parties must e-file and fax to the Part 5 Clerk a stipulation of discontinuance containing all pertinent information regarding the settlement.

Adjournments

All requests for adjournment of an oral argument should be made to the Part 5 Clerk. If all parties consent to the adjournment, a stipulation signed by all parties must be delivered to the Court by 1:00 p.m. the day before the scheduled appearance. Please clear the adjourn date for oral argument with the Part Clerk before filing the stipulation (the Court's motion day is Tuesday at 10:00). The stipulation is subject to Court approval and must include:

1. The motion sequence number on the first page of the stipulation;
2. The reason for the adjournment;
3. The number of prior adjournments granted; and
4. The date by which the Note of Issue must be filed.

If the parties cannot agree on an adjournment, the parties must appear on the scheduled date, after due notice to all parties, for an oral application requesting the adjournment. Motion practice related to adjournments should be avoided. The parties are reminded of the importance of professional courtesy and cooperation when dealing with one another, especially over scheduling matters.

Note of Issue

The Note of Issue may be filed and a future compliance conference may be avoided, provided that all parties who have appeared in the action, stipulate in writing that all discovery is complete and provide for the filing of the note of issue. The stipulation must be sent and/or delivered to the DCM part.

Trial Rules and Requirements

Once a trial is assigned to Part 5, all counsel are required to supply the Court with the following:

1. A list of proposed witnesses;
2. all marked pleadings and bill of particulars;
3. all decisions in the case, including any appellate decisions;
4. any notices to admit;
5. a concise summary setting forth the party's contentions and the relevant factual and legal issues to be tried, citing relevant case law.

Before the start of the trial, all counsel must furnish all in limine or other applications in writing to the Court, with a copy to all parties. Any motion or application must include citations to relevant authority.

For jury trials, before the start of trial, all counsel are required to supply the Court with the following:

1. Proposed jury instructions: If the proposed instructions are taken verbatim from the Pattern Jury Instructions, PJI section numbers suffice. If a PJI instruction is not verbatim or requires characterizing or describing the evidence or the parties' contentions, or if the language is not based on the PJI, the exact requested language, together with the authority for it, must be submitted to the court attorney at acangian@nycourts.gov in Word or WordPerfect format and to opposing counsel simultaneously.
2. Proposed jury verdict sheets must be submitted to the court attorney at acangian@nycourts.gov in Word or WordPerfect format and to opposing counsel simultaneously.

Communication with the Court

Ex parte communication with Justice Perry and/or his court attorney is not permitted. Letters seeking affirmative relief will not be considered by the Court. Any email directed to the court attorney or Part Clerk must be copied to all counsel. Please do not call or email Chambers about scheduling matters or requests for adjournments. Direct all scheduling questions to the Part 5 Clerk. The Court will not entertain telephonic conferences regarding discovery disputes.

In general, matters are heard in the order that all parties on the matter are present and ready to proceed [see Rule 1 of the Local Rules].

II. *Communication with the Part Clerk and Chambers:*

- A. Unless specifically instructed to do so, **DO NOT** call, e-mail or attempt to fax chambers regarding scheduling matters and requests for adjournments.

Trial Courts 202.7(f), must notify all parties that such proposed OSC is to be filed, and must provide the date, time and location it is set to be presented to the Court for argument of the TRO only. Attestation of notification must be included in the application in support of the proposed OSC.

Exhibits submitted as part of working copies should be tabbed and legible. Working copies are not required for documents that do not require judicial action (e.g., note of issue).
 - ii. Questions regarding E-Filing should be addressed to the E-Filing office by calling 646-386-3033 or via e-mail at efile@nycourts.gov. Answers to frequently asked questions can be found at <http://www.nycourts.gov/supctmanh/E-Filing.htm>.
 - iii. The CPLR does not provide for sur-reply papers, however denominated. The Court will not read sur-reply papers.
- E. Oral Argument

i. Scheduling

After motions are marked "submitted" in the Motion Submission Part they are forwarded to Part 43. Motions submitted on default or with no opposition are not generally scheduled for oral argument. All other motions will be scheduled for oral argument at the discretion of Justice Reed, pursuant to 22 NYCRR 202.8(d). Once oral argument is scheduled, notification will be sent by Motion Support or via an E-Courts alert.

ii. Adjournments

All requests for an adjournment of an oral argument should be made to the Clerk of Part 43. If granted, a stipulation should be faxed to the Part no later than 4:30 p.m. on the Tuesday prior to the oral argument date. If the parties cannot agree on an adjournment, a conference call may be arranged with the Clerk of the Part or an application made on the date of oral argument. **Note: The parties are reminded of the importance of courtesy and cooperation when dealing with one another.**

IV. Discovery:

- A. Please consult Rule 10 of the Local Rules. If after good faith efforts, counsel are unable to resolve or narrow the issues involving discovery, the aggrieved party, before filing a motion, shall first request an expedited conference by contacting the Part 43 Clerk. **DO NOT** call chambers. The party requesting the conference will be responsible for notifying all parties of the date and time of the conference. The Part 43 Clerk must be copied, *i.e.*, "cc'd," by e-mail, on all such notifications. Once the notification is received by the Part, the expedited conference will be placed on the Court's calendar. Conferences requested on an expedited basis generally will be scheduled on the first available Thursday. Conferences requested on an expedited basis will be granted only at the Court's discretion.
- B. Discovery motions shall not be made without first complying with the above directive; any such motion may be denied summarily.
- C. Where a party objects to disclosure on the ground of privilege, its response shall include a log of the documents being withheld and a copy of redacted documents, bates-stamped. The privilege log shall identify all withheld and redacted documents by bates-stamp number; shall list date, author, and recipients (except where same is disclosed on redacted documents), and shall state the privilege(s) being asserted. Following service of the privilege log, counsel shall confer and, if, after such conference, they are unable to reach an accommodation, the aggrieved party may contact the Part Clerk to arrange a conference.
- D. Any order regarding the confidential exchange of information should be based on the Proposed Stipulation and Order for the Production and Exchange of Confidential Information prepared by a committee of the New York City Bar Association for use in the Commercial Division available at <http://www.nycbar.org/pdf/report/ModelConfidentiality.pdf>.

V. Preliminary and Compliance Conferences:

- A. Preliminary conferences may be scheduled following the filing of an RJI or after decision on a motion. Alternatively, the parties in any action in which an RJI has already been filed may contact the Clerk of Part 43, who will schedule a conference for the first available date.
- B. Compliance/Status conferences may be scheduled pursuant to a prior discovery order, a decision on a motion, or by any party contacting the Clerk of Part 43, who will schedule a date, if necessary as soon as is practicable.
- C. Please bring copies of all prior conference orders stipulations to the conferences. If there are motions pending in the Motion Submission Part or any motions which are *sub judice*, please bring this to the attention of the Part Clerk.
- D. All appearing parties must be present for a case to be conferenced. Without a conference, the order will not be signed. A conference has not been completed until either the Justice or his court attorney has reviewed the completed form, conferenced the case and provided a signed copy of the order/stipulation.
- E. The failure of counsel to appear for a conference may result in a sanction authorized by section 130.2.1 of the Rules of the Chief Administrator or section 202.27, including dismissal, the striking of an answer, direction for an inquest or direction for judgment, or other appropriate sanction.
- F. Absent good cause, failure to comply with a discovery order may result in may result in the imposition of penalties upon the offending party and, where warranted, upon counsel. Such penalties may include waiver of the discovery, preclusion, dismissal, striking of an answer, costs, sanctions, and attorney's fees.

- G. In E-Filed matters, copies of preliminary conferences and compliance conference orders will be available electronically.

VI. ***Trials:***

****Unless otherwise directed, after the note of issue has been filed, the case will be assigned a date in Mediation-I by the Trial Support Office. ****

A. Jury Trials

After a case concludes its time in Mediation-I, it is sent to Part 40 for jury selection. After jury selection, trials are assigned to a Part at the discretion of the Justice presiding in Part 40.

B. Non-Jury Trials

After a case concludes its time in Mediation-I, it is sent to Part 43. The Clerk of Part 43 will schedule a pre-trial conference as early as is practicable, for a date convenient for the Court. Counsel should come prepared to set trial dates within two months of the pre-trial conference, the Court's schedule permitting.

C. Trial Preparation/Trial Practice

- i. Marked pleadings and the bill of particulars shall be provided to the Court by plaintiff before the commencement of trial. EBT or hearing transcripts to be read or referred to during trial should be provided to the Court by the party planning to use them before the commencement of trial. If any part of an EBT or hearing transcript is to be read into evidence (as distinguished from mere use on cross-examination), counsel must, well in advance, provide the Court and the adversary with the page and line number of all such testimony so that all objections can be addressed prior to use before the jury.
- ii. Motions *in limine* shall be presented in writing to the Court as soon as is practicable after trial assignment, with a copy to all parties, or as specifically scheduled at any pre-trial conference. - iii. To the extent practicable, the parties shall endeavor to pre-mark exhibits for identification prior to the commencement of trial. Parties should stipulate to all facts and documents not in dispute prior to the commencement of trial. For jury trials, parties should have all stipulated documents, photographs and other exhibits pre-marked into evidence by the court reporter while the jury is not present.
- iv. For jury trials, the parties shall submit proposed verdict sheets and requests to charge (subject to amendment), citing the PJI sections, preferably before the commencement of trial, but not later than the start of the second day of trial.
- v. If a lawyer wishes to make an objection, it can be accomplished by standing and saying "objection," with a brief generic ground for the objection (e.g., hearsay, leading, relevance, asked and answered, etc.).
- vi. All remarks should be directed to the Court. Comments should not be made to opposing counsel.
- vii. Do not approach a witness without permission of the Court. Please allow the witness to complete his/her answer to your question before asking another question.
- viii. For non-jury trials, the parties shall submit proposed findings of facts and conclusions of law within ten (10) calendar days of the close of the record, unless otherwise directed by the Court.
- ix. Any post-trial motion shall be made by OSC within the time allotted pursuant to CPLR 4405.
- x. Trial extracts will be filed by the Part Clerk within 30 days of entry of the verdict or decision.
