

SUPREME COURT CIVIL TERM KINGS COUNTY COUNTY CLERK OF KINGS COUNTY

PROTOCOL ON COURTHOUSE AND COUNTY CLERK PROCEDURES FOR ELECTRONICALLY FILED CASES (March 2016)

Attorneys and unrepresented litigants seeking information about how the New York State Courts Electronic Filing System (“NYSCEF”) works are advised to consult the User’s Manual and FAQs, both available at the NYSCEF website (www.nycourts.gov/efile). What follows is an explanation of how traditional courthouse and County Clerk filing requirements for the processing of cases are applied in e-filed cases. These procedures endeavor to minimize the need for trips to the courthouse by counsel and unrepresented litigants, and to avoid inconvenience generally.

The NYSCEF system does not change the rules applicable to civil litigation. As such, the protocols promulgated herein, as well as any additions or amendments thereto, do not change applicable rules or statutes with respect to civil practice as defined by the New York State Civil Practice Law and Rules (“CPLR”) and the IAS Part Rules as they apply to action types being filed in the NYSCEF system.

Official Case Record: The official record of a document in an e-filed case is the electronic record of the document stored by the County Clerk [Uniform Rule 202.5-b (d)(4)].

A. E-Filed Cases Generally

1. **Cases Commenced via NYSCEF:** Cases that are commenced by filing of the initiating papers with NYSCEF are identified as e-filed cases by assignment of a special index number (i.e., Index Numbers beginning with 500,000). The Supreme Court’s Civil Case Information System (“CCIS”) will further identify e-filed cases by the addition of a suffix to the index number (e.g. 500136/2006E). This suffix should be used on all documents filed with the court in e-filed matters.

2. Mandatory E-Filing: All cases required to be e-filed are listed in Uniform Rule 202.5-bb (Mandatory E-Filing Rules) and on the NYSCEF website. All such cases must be commenced by filing with the County Clerk electronically through NYSCEF and all subsequent documents in such cases must be e-filed. Any questions regarding mandatory e-filing in Kings County can be e-mailed to kcco-efile@nycourts.gov.

Unrepresented litigants are exempt from e-filing. They can serve and file documents in paper form and must be served with documents in paper form. However, an unrepresented litigant may participate in e-filing. For information on how to participate in e-filing, unrepresented litigants should contact the Kings County Clerk's e-filing department at kcco-efile@nycourts.gov or visit www.nycourts.gov/efile-unrepresented. Unrepresented litigants are also encouraged to visit www.nycourthelp.gov or contact the Help Center (room 122c). An unrepresented litigant who consents to e-filing may cease participation at any time by filing the "Notice of Intent to Cease E-Filing" form EF-6. ([See Forms Section on NYSCEF Website.](#)) However, the other parties may continue to e-file their court documents in the case.

An attorney who certifies in good faith that he or she lacks the equipment or knowledge needed to e-file and have no staff member or employee under his or her direction who has such knowledge and equipment may opt out of participation in e-filing in a mandatory case by filing a "Notice of Opt-Out from Participation in Action Subject to Mandatory Electronic Filing" form EFM-2 the Clerk. ([See Forms Section on NYSCEF Website.](#))

In all matters, the executed form shall be filed with the County Clerk's E-File Department in person (360 Adams St., Room 189). An attorney may also seek an exemption from the Justice assigned upon a showing of good cause.

3. Consensual E-Filing: All cases authorized to be e-filed are listed in Uniform Rule 202.5-b (Consensual E-Filing Rules) and on the NYSCEF website. Any questions regarding consensual e-filing in Kings County can be e-mailed to kcco-efile@nycourts.gov.

4. E-Filed Cases Where One or More Parties Opt(s) Out: If in an e-filed case an attorney or unrepresented litigant opts out or obtains an exemption from participating in e-filing, the case shall remain an e-filed matter, and all documents to be filed with the court shall be electronically served on all participating attorneys, parties and the court. Non-participating parties shall file and serve and be served in hard copy format. Pursuant to the E-Filing Rules, non-participating parties and counsel shall submit to the County Clerk or Supreme Court Clerk the original hard copy documents in normal format together with a "Notice of Hard Copy Submission – E-Filed Cases" form EFM-3 ([see Forms Section on NYSCEF Website.](#)) In addition, an unbound hard copy must be provided to the Supreme Court Clerk.

The image copies of documents filed in hard copy are public records available for public inspection. It is the responsibility of the filer to ensure that the hard copy documents comply with New York law governing exclusion of social security numbers and confidential personal information in documents filed with a state court (see Gen. Bus. Law, §399-dd), redaction rule (Uniform Rule 202.5 (e)), B(10) and (11) of this Protocol.

Although NYSCEF will notify the consenting parties that a document has been filed, any party that has opted out must also serve the documents on the opposition in paper format and file an Affidavit of Service with the County Clerk and/or Court.

B. Filing of Papers Generally

1. Papers Must Be Filed to the NYSCEF System (“the system”); Paper Documents Not Accepted: All mandatory e-filed cases must be commenced electronically. Unless otherwise provided by the E-Filing Rules or this Protocol, the Kings County Clerk will not accept commencement documents in paper form nor will the court accept subsequent documents in that form in these cases. Paper copies (“Working Copies”) of motion papers are required by some Justices of the Court. Consult individual IAS Part Rules and see Section 7(a) herein.

2. Commencement Under Seal or Anonymous Caption: If a party wishes to commence a case under seal or to proceed under an anonymous caption, the party should contact Administration at the Kings County Clerk’s Office at kcco-efile@nycourts.gov before filing any documents. See also Section K.3(a) herein.

3. Notice of Hard-Copy Submission: Where in accordance with the E-Filing Rules a party submits a document in hard copy in an e-filed case (principally, a document submitted by a non-participating party (e.g., an attorney) in a consensual case, an emergency filing made in accordance with the Mandatory E-Filing Rules, and any document filed with the court in hard copy by an attorney or unrepresented litigant who has opted out of participation in mandatory e-filing, the document must bear the back page facing out, a “Notice of Hard Copy Submission - E-Filed Cases” form EFM-3. ([See Forms Section on NYSCEF Website.](#))

Under the rules, a participating emergency e-filer must electronically file the documents initially filed in hard copy form within three (3) business days of the emergency filing; the originals will be discarded after the documents have been processed and the failure to e-file as required will therefore lead to an incomplete record.

4. Errors Upon Submission: Submission of documents which, upon examination, require correction or addition will result in notification to the filer advising that there is a problem with a document. The filer shall make the required corrections and/or additions and resubmit the corrected document using the “Refile this document” link. In the event a document is returned for correction, the original file date will be preserved.

5. Index Numbers: In cases commenced electronically by the filing of initiating papers with the NYSCEF system and payment of the statutory fees, the Kings County Clerk will issue an NYSCEF designated index number and the filer shall be notified via the NYSCEF system of the index number assigned and filing date. Such index number must be affixed to all document submissions, filings and communications to the Kings County Clerk and Supreme Court. In the event that counsel faces exigent circumstances that require accelerated

assignment, counsel may contact Administration of the Kings County Clerk at kcco-efile@nycourts.gov, during normal business hours of the court.

6. Fees: Court fees in NYSCEF cases must be paid via NYSCEF by a credit or bank card (MasterCard, Visa, or American Express). Fees are no longer accepted in person in the Kings County Clerk's Office in NYSCEF cases.

7. Working Copies of Documents for Judicial Review: Unless otherwise directed by the Court or as described herein, and with the exceptions listed below, in all NYSCEF cases in which an RJI has been filed, working copies of e-filed documents that are intended for judicial review must be submitted to the court. Working copies are not required of documents that are only processed by a support office (e.g. preliminary conference request, note of issue). Working copies shall include exhibit tabs and backs; for motion papers, the motion sequence number and the return date and part. The confirmation notice with the motion sequence number on it should be the back page of the motion facing out.

In addition, the filer of a working copy must firmly bind thereto, with the back page facing out, a copy of the Confirmation Notice that was generated by NYSCEF when that document was e-filed. Working copies that are submitted without the related Confirmation Notice will not be accepted. The official record of a document in an e-filed case is the electronic record of the document stored by the County Clerk [Uniform Rule 202.5-b(d)(4)] and working copies will not be considered part of the official record in a case. Working copies are intended only for the use of the Justice and will be discarded after the Justice is finished with them. Therefore, in the event that counsel fails to properly e-file a document, it will not be part of the court record.

NOTE: For court parts not requiring working copies, please refer to the individual Justices' rules.

8. Authorization Form - Filing Agent: A firm or person (other than one employed by a governmental entity) acting as filing agent for an attorney or party to a case must file an authorization form (accessible on the NYSCEF website) prior to or together with the first e-filing by that attorney or party in that action. Uniform Rule 202.5-b (d)(1)(i). An attorney or unrepresented litigant who files through a filing agent must nevertheless have a User ID and Password so that filing by the agent can be associated with an attorney of record or unrepresented litigant.

9. Filing a Document Where Size, Consistency or Context Prevent E-filing: With limited exceptions, as set forth in the Uniform Rules and herein, all documents to be filed with the court in a NYSCEF case shall be filed online via the NYSCEF system. However, should the size, consistency or context of a hard copy document preclude electronic filing, the user shall electronically file a "Notice of Hard Copy Submission - E-Filed Cases" form EFM-3. ([See Forms Section on NYSCEF Website.](#)) Any hard copy submitted pursuant to this section shall include, as a cover page firmly fastened thereto, a copy of the Confirmation Notice received from the NYSCEF site confirming receipt of the "Notice of Hard Copy Submission - E-Filed Cases". Any party may object to such hard copy filing. The Court, in response to

such objection, may, following the hard copy filing, fashion such relief as it deems appropriate pursuant to and in furtherance of the Uniform Rules and these protocols, including, but not limited to, an Order directing the filing party to file such documents online via the NYSCEF system. When exhibits are impractical to file pursuant to Uniform Rule 202.5-b(d)(6), an additional “Notice of Hard Copy Exhibit Filing” form EFM-4 is required to be submitted. ([See Forms Section on NYSCEF Website.](#))

10. Social Security Numbers: An attorney or unrepresented litigant filing a document via the NYSCEF system must comply with the requirements of General Business Law §399-dd(6), which often require redaction of any social security number that appear in the original document. For Confidential Personal Information, see Uniform Rules 202.5(e).

11. Procedure to Restrict Upon Failure to Redact: Uniform Rules of the Supreme and County Courts § 202.5

Any person may notify the County Clerk when an e-filed document contains information that was required to be, but was not redacted (e.g., a full bank account number). The person shall e-file or, if necessary, file in hard copy an affidavit or affirmation titled and filed as Restricted Access – Affidavit/Affirmation of Intent notifying the County Clerk of the intent to seek a court order to remove or seal or to seek any other relief. The County Clerk shall mark the document “Restricted pending Review” for a reasonable period of time. During that time, the document will be visible only to the parties.

Thereafter, the person must promptly e-file or, if necessary, file in hard copy an order to show cause or ex parte order together with a Restrict Access – Affidavit/Affirmation of Compliance. Upon such submission and notice to the County Clerk (CPLR 8019(c)), the County Clerk will continue to make the document unavailable to anyone other than the parties for a reasonable period of time.

Any person seeking to restrict access must notify the County Clerk, pursuant to CPLR 8019(c), of any decision or directive pertaining to the order to show cause or ex parte order to permit the County Clerk to remove the “Restricted Pending Review” status or to take action as directed by the court order.

12. Exhibits: In the NYSCEF system, each exhibit should be uploaded as a separate PDF file. After uploading a primary document, please choose the document type "Exhibit", enter the appropriate number or letter, and be sure to place a check mark to the right of "Attach to main document". Each exhibit shall bear a separate cover sheet clearly marked as Exhibit A, Exhibit B, etc.

13. Technical Failures: When filing by electronic means is hindered by a NYSCEF technical failure (as set forth in Uniform Rule §202.5-b (i)), a party may file with the appropriate Clerk in hard copy. With the exception of deadlines that by law cannot be extended (e.g. Statute of limitations, Notice of appeal), the time for filing of any document that is delayed due to technical failure of the NYSCEF system shall be extended for one day for each day on which such failure occurs, unless otherwise ordered by the court.

14. Amending the Caption: If counsel wishes to amend the caption by stipulation or as of right, counsel must e-file a “Notice to County Clerk Amendment to Caption” form EF-23. ([See Forms Section on NYSCEF Website.](#)) If the court, by order, grants leave to amend the

caption, counsel shall submit to the County Clerk's E-File Department via NYSCEF a copy of that order and a completed "Notice to the County Clerk - CPLR § 8019 (c)" form EF-22. ([See Forms Section on NYSCEF Website.](#))

C. Requests for Judicial Intervention

An RJI with the relevant required addendum in a NYSCEF case shall be submitted via NYSCEF. Once e-filed, the RJI and any accompanying document will be forwarded to the relevant support office for random assignment of the case and processing of the document. A filer or counsel need not appear (as to Proposed Orders to Show Cause, however, see below). A filer who seeks assignment to the Commercial Division must submit with the RJI a Commercial Division RJI Addendum [Uniform Rule 202.70 (d)] "Request for Judicial Intervention" form EF-4. ([See Forms Section on NYSCEF Website.](#)) A copy of the pleadings must be submitted only if the document has not previously been e-filed. If the RJI seeks intervention with regard to a document that is intended for review by a Justice, such as a motion, a working copy of the RJI must be submitted with the working copy of the motion and the NYSCEF Confirmation Notice.

D. Motions on Notice

The motion must be filed with NYSCEF and the motion fee paid. The moving documents must be e-filed no later than eight (8) days prior to the return date. After papers on motions have been e-filed, working copies thereof, with Confirmation Notice firmly attached as the back page facing out, must be submitted. (Each document or group of documents that is separately bound shall bear a Confirmation Notice.) Working copies lacking the Confirmation Notice will not be accepted. The Confirmation Notice must indicate the sequence number of the motion being submitted and the date and part where the motion is returnable. Working copies without Confirmation Notices will not be accepted.

WORKING COPIES OF MOTION PAPERS MUST BE SUBMITTED IN THE MOTION SUPPORT OFFICE (ROOM 227) AS EXPLAINED HEREIN. THEY MUST NOT BE DELIVERED TO THE PART OR CHAMBERS, EXCEPT WHERE THE INDIVIDUAL JUSTICE'S PART RULES PROVIDE OTHERWISE; DOING SO WILL CAUSE ADMINISTRATIVE CONFUSION AND POSSIBLE MISPLACEMENT OF PAPERS. Any such submission shall be sent in a timely manner (kindly review individual Justice's rules) and be conspicuously marked on the outside "NYSCEF Matter;" lack of such marking may delay processing.

- 1. Exhibits:** Whenever possible, attorneys submitting exhibits in NYSCEF cases should make each exhibit a separate attachment to an affidavit/affirmation in the system (i.e., multiple exhibits should not be filed as a single PDF).
- 2. Notification of Decisions and Orders:** After issuance of a decision and order by the court on a motion/petition in a NYSCEF case, the document will be processed and entered by the County Clerk into the NYSCEF system, which constitutes entry [Uniform Rule 202.5-b (h)], as will be reflected in a legend on the document. NYSCEF will immediately transmit

notice of this event via e-mail, including a link to the entered document, to all participating attorneys and unrepresented litigants. Such transmittal should not be confused with Notice of Entry. (See Section K).

E. Long Form Orders on Motions

If the Court directs that an order be settled or submitted on a motion in a NYSCEF case, the proposed order, with Notice of Settlement where required, and any proposed counter-order shall be filed with the Court via NYSCEF. The relevant clerk's office will process the documents in the customary manner.

WORKING COPIES OF PROPOSED ORDERS WITH NOTICE OF SETTLEMENT MUST BE SUBMITTED IN THE MOTION SUPPORT OFFICE (ROOM 227) AS EXPLAINED HEREIN. THEY MUST NOT BE DELIVERED TO THE PART OR CHAMBERS, EXCEPT WHERE THE INDIVIDUAL JUSTICE'S PART RULES PROVIDE OTHERWISE; DOING SO WILL CAUSE ADMINISTRATIVE CONFUSION AND POSSIBLE MISPLACEMENT OF PAPERS. Any such submission shall be sent in a timely manner (kindly review individual Justice's rules) and be conspicuously marked on the outside "NYSCEF Matter;" lack of such marking may delay processing. After an order/counter-order has been signed, it will be scanned, and the County Clerk will affix the entry stamp into the NYSCEF system, which will immediately transmit notice of this event via e-mail, including a link to the entered document, to all participating attorneys and unrepresented litigants in the case. Such transmittal does not constitute Notice of Entry. See Section L.

F. Orders to Show Cause

1. Proposed Orders to Show Cause & Supporting Documents to be E-Filed:

Except as provided in the following paragraph, Proposed Orders to Show Cause and supporting documents in all NYSCEF cases must be submitted by filing with the NYSCEF system; original documents will not be accepted by the Clerk. Counsel must comply with Uniform Rule 202.7(f) regarding notice of the application. See also Commercial Division Rule 20 (Uniform Rule 202.70).

2. Permissible Submissions in Hard Copy: If a party seeking a TRO submits an Affirmation/Affidavit demonstrating significant prejudice from the giving of notice (see Rules 202.7(f) and Commercial Division Rule 202.70) or, if in accordance with the rules a party to a mandatory e-filed case is exempt from participating or seeks to submit documents in an emergency, the party must first proceed to the Kings County Clerk's office to pay the required statutory fee, and then present the Proposed Order to Show Cause and supporting documents to the Ex-Parte Office in hard copy form. The papers must be accompanied by a completed "Notice of Hard Copy Submission - E-Filed Cases" form EFM-3 with the back page facing out. ([See Forms Section on NYSCEF Website.](#)) A Proposed Order to Show Cause and supporting documents that must be presented to a Justice outside normal court hours shall be presented in hard copy. In all situations described in this paragraph (other than that of an exempt party), documents submitted in hard copy form must thereafter be e-filed, as set forth below.

3. **Working Copies:** Except for instances covered by section (2) hereof, a working copy of a Proposed Order to Show Cause and the supporting documents with Confirmation Notice(s) must be submitted to the Ex-Parte Office. A second working copy of the proposed order only, to which a Confirmation Notice shall not be attached, shall be submitted simultaneously.

4. **Hard Copy Service:** In cases in which hard copy service is made of documents that were submitted in hard copy form pursuant to section (2) hereof and where no party is served electronically, the filing attorney or party shall, no later than three (3) business days after service, e-file the supporting papers [designating them in the NYSCEF document type drop-down menu on the filing screen as “Supporting Papers to OSC (After Service)],” together with proof of hard copy service. Failure to do so will cause the County Clerk file to be incomplete. The Clerk will e-file the signed Order to Show Cause after the deadline for service has passed.

5. **Declination:** If the Justice declines to sign a Proposed Order to Show Cause, the Clerk will electronically file the declined order. If the Proposed Order to Show Cause and supporting documents were filed with the Court in hard copy form pursuant to section (2) hereof, the filing attorney or party (other than an exempt party) shall file the supporting documents with NYSCEF no later than three (3) business days after the filing by the Clerk. Failure to do so will cause the County Clerk file to be incomplete.

6. **Signed OSC:** Signed OSC are also available for viewing at <https://iapps.courts.state.ny.us/webcivil/FCASDocumentSearch>

7. **E-Service of Signed OSC and Supporting Documents:** If the Court directs that the signed Order to Show Cause and supporting documents be served electronically, a conformed copy of the signed order should be designated as “Conformed Copy of OSC” in the NYSCEF document type drop-down menu on the filing screen.

G. Ex Parte Applications (Other than Orders to Show Cause)

1. **Generally, Proposed Applications to Be E-Filed First; When Working Copy Required:** Proposed Ex Parte applications in a matter required to be e-filed shall be e-filed. Unless otherwise directed by the Court, working copies of e-filed documents must be submitted. Working copies shall include exhibit tabs and backs, and, for motion papers, the motion sequence number. In addition, the filer of a working copy must firmly bind thereto, with the back page facing out, a copy of the Confirmation Notice that was generated by NYSCEF when that document was e-filed. Working copies that are submitted without the related Confirmation Notice will not be accepted. The official record of a document in an e-filed case is the electronic record of the document stored by the County Clerk [Uniform Rule 202.5-b (d)(4)]. Working copies are intended only for the use of the Justice and will be discarded after the Justice is finished with them. Thus, in the event that counsel fails to e-file a document, it will not be part of the court record. Ex Parte applications in Foreclosure matters shall be submitted to the Foreclosure Department, 360 Adams Street, Tenth Floor, North. All other Ex Parte applications shall be filed in room 295.

2. When Applications May Be Submitted in Hard Copy Form: If the circumstances underlying a proposed Ex Parte application make it necessary that advance notice to the other side be avoided (e.g., Ex Parte order of attachment), the application may be submitted in hard copy form with a completed “Notice of Hard Copy Submission - E-Filed Cases” form EFM-3 ([see Forms Section on NYSCEF Website](#)) firmly appended thereto as a back page facing out. If a proposed application requires a fee paid stamp or proof of payment from the County Clerk or the approval of the Attorney General or the like, or where pursuant to statute or rule original documents or documents bearing original signatures must be submitted in support of the application, the application shall be submitted in hard copy form with a completed “Notice of Hard Copy Submission – E-Filed Cases” form EFM-3. ([See Forms Section on NYSCEF Website.](#)) The filer shall e-file the application within three business days after service.

3. Infant’s Compromise Orders: When a proposed Redacted Infant’s Compromise Order is e-filed, the e-filed redacted copy shall comply with Uniform Rule 202.5. A decretal paragraph shall be included, for the Justice’s review, directing the County Clerk to seal the signed unredacted order per Uniform Rule 216. The unredacted order shall be hand delivered to the Justice’s chambers. If the court issues an order directing the sealing of the order, the applicant shall contact the County Clerk’s E-File Department at kcco-efile@nycourts.gov and shall file with NYSCEF a Notification for Sealing in Electronically Filed Case ([see Forms Section on NYSCEF Website](#)) and a copy of the order to effectuate the sealing. The County Clerk will, during regular business hours of the court, seal the file or the document(s) in question as directed by the court, both in the NYSCEF system and, if any covered documents are found therein, in a hard copy file. If the court issues an order directing the sealing of the order that has not yet been e-filed, counsel must e-file a “Notification for Sealing” form EF-7 ([see Forms Section on NYSCEF Website](#)) along with a copy of the order and must contact the County Clerk’s E-File Department prior to e-filing the document to be sealed. The County Clerk will e-file the document under seal.

H. Requests for So-Ordered Stipulations

If an attorney wishes to submit a stipulation to be “so ordered,” he or she should file the document with NYSCEF, designating it on the filing menu as a “Proposed Stipulation to be So Ordered.” The Clerk will print out a hard copy and forward it to the Justice assigned or transmit the document to the Justice electronically. No appearance by counsel is needed.

I. E-file Procedures Regarding Service on Parties in NYSCEF

Pursuant to the E-Filing Rules, service of interlocutory documents is made by posting a document to the NYSCEF site, which automatically and immediately transmits an email notice of the filing, including a link to the document, to all participating counsel and unrepresented litigants on the case. The Rules also authorize service by other methods permitted by the CPLR. If service by such other method is made, proof of service must be filed with NYSCEF.

J. **Service of Orders on the County Clerk and Support Offices**

1. **Service on the County Clerk:** If an order in a NYSCEF case directs that the County Clerk take action, a copy of the order must be served on the County Clerk (CPLR § 8019 (c)), as the order will usually expressly provide. This shall be done by filing with NYSCEF a completed “Notice to the County Clerk - CPLR § 8019 (c)” form EF-22. ([See Forms Section on NYSCEF Website](#)).

2. **Service on a Supreme Court Support Office of the Court:** If an order in a NYSCEF case directs that notice of such order must be given to the Supreme Court Support office by counsel, such notice shall be given by transmitting a copy of the order by e-mail to kings-efile@nycourts.gov. Counsel shall enter in the subject line “Service of Order” and a brief identification of the type of order involved. In addition, counsel shall set forth in the body of the e-mail message a concise description of the action directed by the order. This identifying and descriptive information will assist the Supreme Court clerk in processing the order expeditiously.

3. **Service on Both a Supreme Court Support Office and the County Clerk:** If an order needs to be served on both the County Clerk and a Supreme Court Support office, counsel should follow the steps set forth in both sections 1 and 2 above.

K. **Secure Documents and Sealing of Documents**

1. **Social Security Numbers:** “No person may file any document available for public inspection... in any court of this state that contains a social security account number of any other person, unless such other person is a dependent child, or has consented to such filing, except as required by federal or state law or regulation, or by court rule.” GBL 399-dd (6). Regarding Confidential Personal Information, see Uniform Rule 202.5(e).

2. **Secure Documents Status Repealed:** In the past, e-filed documents were allowed the designation of “secure” which only permitted access to the parties and court staff. That section of the rules (Uniform Rule 202.5-b (d) (3) (iii)) was deleted by Administrative Order effective April 15, 2013. Documents previously filed in secure status will retain that status unless otherwise directed by the court. It is the responsibility of counsel and parties to comply with rules restricting disclosure of confidential personal information. See Uniform Rule 202.5 (e).

3. **Sealing: Compliance with Part 216; Procedures:** If counsel for a party seeks to have documents sealed in NYSCEF, specific steps, as set forth below, must be taken and an order pursuant to Part 216 of the Uniform Rules obtained. Until the court has resolved the sealing issue, counsel shall file documents in hard copy form, with a “Notice of Hard Copy Submission - E-Filed Cases” form EFM-3. ([See Forms Section on NYSCEF Website](#)).

(a) **Commencing a New Case Under Seal: Anonymous Caption:** Where an attorney [or unrepresented litigant] seeks to obtain a sealing order for a case file at the outset of the case, the party should not simply e-file the commencement document. Rather, the party shall submit, in hard copy form with a “Notice of Hard Copy Submission - E-Filed Cases” form EFM-3 ([see Forms Section on NYSCEF Website](#)), the commencement

document together with a proposed order to show cause seeking a sealing order and a TRO restricting access to the file pending the hearing on the application. The papers should be presented to Window #4 of the Kings County Clerk's Office for issuance of an index number and payment of the statutory fee. The filer must then proceed to Window #5 to file an RJI and pay the statutory fee. Thereafter, the filing party should proceed to the Ex Parte Office, which will refer the TRO to an Ex Parte Justice. If the Justice signs the TRO, the attorney should inform the County Clerk's E-File Department by e-mail (procedural questions only) at kcco-efile@nycourts.gov. The same process should be followed if the applicant wishes an anonymous caption and a sealing order. The filer must promptly inform the County Clerk's E-File Department if, upon presentation of the proposed order to show cause and TRO, the court refuses to issue the TRO and after the court acts upon the order to show cause regardless of the outcome. Upon receipt of said order and documents, the Kings County Clerk's Office will create an interlocutory action in E-file and then seal the document(s) per the court order, or make an appropriate entry in accordance with the court order.

(b) Application for Sealing Order in a Pending E-Filed Case: To seal a document or the case file in a pending e-filed case, counsel must move for a sealing order. The filer may file a motion to seal in hard copy form, with a "Notice of Hard Copy Submission - E-Filed Cases" form EFM-3) annexed ([see Forms Section on NYSCEF Website](#)). If the motion is made in hard copy, any opposition or reply papers must only be submitted in hard copy form, with said Notice of Hard Copy Submission attached. If the court issues an order directing the sealing of a complete existing NYSCEF case file or a document or documents previously filed with NYSCEF, the applicant must contact the County Clerk's E-File Department (for procedural questions only) at kcco-efile@nycourts.gov and shall file with NYSCEF a "Notification for Sealing" form EF-7 ([see Forms Section on NYSCEF Website](#)) and a copy of the order to effectuate the sealing. The County Clerk will, during regular business hours of the court, seal the file or the document(s) in question as directed by the court, both in the NYSCEF system and, if any covered documents are found therein, in a hard copy file. If the court issues an order directing the sealing of a document that has not yet been e-filed, the party must e-file a "Notification for Sealing" form EF-7 ([see Forms Section on NYSCEF Website](#)) along with a copy of the order and must contact the County Clerk's E-File Department (for procedural questions only) at kcco-efile@nycourts.gov prior to e-filing the document to be sealed. The Kings County Clerk will e-file the document under seal. All documents presented in connection with the sealing issue that have not yet been e-filed must be e-filed within three business days after the County Clerk seals the file if the entire file is sealed or after the sealing issue is determined adversely to the applicant.

(c) Implementing Sealing Order

(i) Sealing Existing E-File in Whole or in Part: If the Court issues an order directing the sealing of a complete existing NYSCEF file or a document or documents already filed in NYSCEF, the applicant shall file with the NYSCEF system a "Notification for Sealing" form EF-7 ([see Forms Section on NYSCEF Website](#)) together with a copy of the court's order. No further action by counsel is required. The County Clerk will seal the file or the document(s) in question as

directed by the Court, both in the NYSCEF System and, if any of the covered documents are found therein, in the hard copy file. Counsel should be made aware that sealing of the file will take place during regular business hours of the court only.

(ii) **Sealing Document or Documents Not Yet E-Filed:** If the Court issues an order directing the sealing of a document that has not yet been e-filed, the document should be presented (unless the court directs otherwise) to the County Clerk in hard copy form with a copy of the court's sealing order.

(iii) **Identifying Sealed Documents:** Further, submission of documents sealed *by* court order or mandated by law, shall be clearly labeled as SEALED on the title page of the document submitted and, where applicable, be accompanied by a copy of the court order directing or permitting the sealing of same.

L. Entry and Notice of Entry

The Kings County Clerk shall file orders electronically, which shall constitute entry of the order [Uniform Rule 202.5-b (h)(1)]. The entry of an order by the Kings County Clerk is effectuated when the Kings County Clerk affixes a filing stamp to the order reflecting the date and time of entry, e.g. "Filed: Kings County Clerk 8/10/15 9:15 a.m.". This is the date which must be reflected in a Notice of Appeal, not the date of the decision.

An email message will be transmitted to all filing users on the case notifying that the order has been entered. Such notice does not constitute service of notice of entry by any party. Notice of Entry is served as follows: a party shall transmit electronically to the parties to be served a Notice of Entry, a copy of the notification received from the court, and a copy of the order or judgment. See Uniform Court Rule 202.5-b(h)(3).
