On review of submissions pursuant to section 500.11 of the Rules,  
order affirmed, with costs. Plaintiff failed to raise a triable  
issue of fact concerning whether defendants' alleged negligence  
in failing to provide adequate warning of the presence of the  
staircase or adequate lighting in the staircase and surrounding  
area caused his fall. Chief Judge Lippman and Judges Graffeo,  
Read, Smith, Pigott, Rivera and Abdus-Salaam concur.
