

BABIES CAN'T WAIT ~ TEENS WON'T WAIT

Sponsored By:

Child Welfare Court Improvement Project, Family Court Children's Center and
Babies Can't Wait Advisory Panel

A monthly educational series focusing on the well-being of infants, children and youth in the child welfare system. Presenters offer current research, resources, and practical applications for decision making in the courtroom, emphasizing kids health, emotional well-being, permanency and better outcomes.

The theme of the 2007-2008 series is *"10 Questions You Need To Know"*. Each presenter will focus on questions you should ask them and why the information in these questions is important to comprehensively meet your client's needs and ensure accurate representation.
