

JURY DISCHARGE

Ladies and gentlemen, I want to thank you for your service at this trial.

I appreciate your attention, your dedication, and your hard work.

You will recall that I told you several times that you were not to discuss this case with anyone. That prohibition no longer applies.

There is no law that requires that you discuss the case. At the same time, there is no law that prohibits you from discussing the case. Whether or not to do so is left entirely to your own individual discretion.

Again, thank you, and you are now excused.
