PENAL LAW 220.50(3)
(Committed on or after Nov. 1, 1990)

The _____ count is Criminally Using Drug Paraphernalia in the Second Degree.

Under our law, a person is guilty of Criminally Using Drug Paraphernalia in the Second Degree when that person knowingly possesses [*or* sells] scales and balances used or designed for the purpose of weighing or measuring controlled substances, under circumstances evincing an intent to use [*or* under circumstances evincing knowledge that some person intends to use] the same for the purpose of unlawfully manufacturing, packaging or dispensing of any narcotic drug or stimulant.

Some of the terms used in this definition have their own special meaning in our law. I will now give you the meaning of the following terms: [“possess”], [“sell”], “controlled substance,” “narcotic drug,” “stimulant,” “knowingly,” “intent,” and “unlawfully.”

[POSSESS means to have physical possession or otherwise to exercise dominion or control over tangible property.¹]

[SELL means to sell, exchange, give or dispose of to another (*or* to offer or agree to do the same).²]

The term CONTROLLED SUBSTANCE includes narcotic drugs and stimulants.³

The term NARCOTIC DRUG includes (specify).⁴

The term STIMULANT includes (specify).⁵

See, Penal Law § 10.00(8). Where constructive possession is alleged, insert the appropriate instruction as found in the “Additional Charges” section at the end of this chapter.

A person KNOWINGLY possesses [or sells] scales and balances used or designed for the purpose of weighing or measuring controlled substances when that person is aware that he or she is in possession of [or selling] such items.⁶

INTENT means conscious objective or purpose.⁷ Thus, a person would have the intent to use scales and balances used or designed to weigh or measure controlled substances for the purpose of unlawfully manufacturing, packaging or dispensing of any narcotic drug or stimulant if that person's conscious objective or purpose was to use those items for that purpose.

A person UNLAWFULLY manufactures, packages or dispenses a narcotic drug or stimulant when that person has no legal right to do so.⁸ Under our law, with certain exceptions not applicable here, a person has no legal right to manufacture, package or dispense any narcotic drug or stimulant.

In order for you to find the defendant guilty of this crime, the People are required to prove, from all the evidence in the case, beyond a reasonable doubt, each of the following three elements:

1. That on or about (date), in the county of (county), the defendant, (defendant's name), possessed [or sold] scales and balances used or designed for the purpose of weighing or measuring controlled substances;
2. That the defendant did so knowingly; and
3. That the defendant did so under circumstances evincing an intent to use [or under circumstances evincing knowledge that some person intended to use] those items for the purpose of unlawfully manufacturing, packaging or dispensing of any narcotic drug or stimulant.

Therefore, if you find that the People have proven beyond a reasonable doubt each of those elements, you must find the defendant guilty of the crime of Criminally Using Drug Paraphernalia in the Second Degree as charged in the ___ count.

On the other hand, if you find that the People have not proven beyond a reasonable doubt any one or more of those elements, you must find the defendant not guilty of the crime of Criminally Using Drug Paraphernalia in the Second Degree as charged in the ___ count.
