

UCS -23

EMPLOYMENT
OPPORTUNITY
ANNOUNCEMENT
STATE OF NEW YORK
UNIFIED COURT SYSTEM

PLEASE POST
ANNOUNCEMENT NO. 1939

POSITION TITLE: NETWORK/SYSTEM ENGINEER III **JG:** 28

LOCATION: Office of Court Administration - Division of Technology & Court Research
Albany, NY or New York, NY

BASE SALARY: \$95,606 + \$4,200 Location Pay (NYC location only)

CLASSIFICATION: NON-COMPETITIVE

QUALIFICATIONS: Bachelor's degree from an accredited college or university and five (5) years of related technical experience in a help desk or technical environment; **or** An equivalent combination of education and related technical experience in a help desk or technical environment.

DISTINGUISHING FEATURES OF WORK: Network/System Engineers III work independently in units within the Division of Technology. Network/System Engineers III are responsible for overseeing the work of subordinate personnel and for supervising the installation and configuration of network/system architecture in accordance with current standards. They are responsible for oversight of the planning and delivery of multiple technical systems, technology infrastructure and projects. They work with executive and court managers to ensure that all technology needs are met and to assess the performance of subordinate personnel. They ensure technical support for both users and networks/systems is in accordance with established processes and guidelines. Network/System Engineers III are responsible for providing technical management, project plans and status reports for technical projects and initiatives and performing other related duties.

ASSIGNMENT: This position will manage statewide compliance with security standards set by the Chief Information Security Officer, working with District Offices, Chief Clerks, Appellate Divisions, and partner organizations to meet security standards and assist with any issues related to compliance. Additionally, the Cybersecurity Compliance Officer will work on developing new technical standards to improve end user security, documenting and updating formal cybersecurity policies, and developing end user training programs.

GENERAL INFORMATION: The above statements are intended to describe the general nature and level of work performed by persons assigned to this title. They do not include all job duties performed by employees in the title, and every position does not necessarily require these duties. Although a position is available and situated at a specific location, the appointee may be subject to reassignment to any position in the same title in this promotion unit dependent upon the needs of the Unified Court System. All applications received from this announcement may be used to fill any vacancies in this title that may occur in this court or agency within the next six (6) months. Position(s) available at the present time: 1.

APPLICATION PROCEDURES: All interested persons meeting the minimum qualifications are encouraged to submit a UCS-5 Application for Employment form (obtainable from any administrative office in a court building or on the web at www.nycourts.gov/careers/UCS5.pdf) and a resume to:

Susanne Sloan
Principal Court Analyst
Office of Court Administration, Division of Technology & Court Research
125 Jordan Road
Troy, NY 12180
dotapply@nycourts.gov

APPLICANTS ARE ENCOURAGED TO COMPLETE THE EEO DATA COLLECTION FORM.

POSTING DATE: September 11, 2019 **APPLICATIONS WILL BE POSTMARKED OR RECEIVED BY :** October 2, 2019
