

WILLIAM G. HEFFRON  
COUNTY JUDGE

County Court  
ERIE COUNTY  
BUFFALO 2, NEW YORK

March 10, 1970

Hon. Richard J. Bartlett, Chairman  
Crime Control Planning Board  
Glen Falls, New York

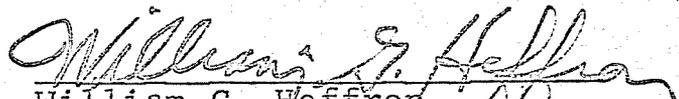

Dear Mr. Bartlett:

The four judges of our Court are unanimously unhappy with proposed Section 140.25 of the Code of Criminal Procedure.

We can see little or no reason to increase the number of peremptory challenges for D and E felonies.

Actually we would go farther and adopt the federal system for selecting juries.

Very truly yours,

  
William G. Heffron

  
Ernest L. Colucci

  
Frank R. Bayger

  
Joseph S. Mattina
