

JUDICIAL REASSIGNMENTS

Effective immediately, the following reassignments are being made. Honorable Eileen Bransten has been assigned to the New York County Commercial Division. Justice Bransten will take over the inventory of Part 3, which was previously assigned to Justice Karla Moskowitz, with the exception of the Giggetts cases. Motions in Part 3 cases that have been marked submitted since the designation of Justice Moskowitz to the Appellate Division and motions in Part 3 cases that hereafter are marked submitted on a calendar of the Motion Support Office Courtroom (Room 130) will be rescheduled for argument before Justice Bransten. The court will advise counsel by phone or mail of the dates of such appearances. In addition, information on such appearances will be recorded in the court's case management system and will shortly afterward be available in the court's Scroll system at our website at www.nycourts.gov/supctmanh (under "Case Information"). Dates for future conferences that were previously scheduled in Part 3 cases will be maintained unless counsel are advised otherwise. Counsel are requested not to contact the Chambers of Justice Bransten in regard to the scheduling of these motions and conferences.

Honorable Joan B. Lobis has been assigned to Part 6, previously assigned to Justice Bransten, and will take over the entire inventory thereof. Unless otherwise directed by Justice Lobis, dates previously scheduled by Justice Bransten for argument of motions or conferences in Part 6 cases will be maintained.
