

**ADMINISTRATIVE ORDER OF THE
CHIEF ADMINISTRATIVE JUDGE OF THE COURTS**

Pursuant to the authority vested in me, and with the advice and consent of the Administrative Board of the Courts, I hereby establish a Large Complex Case List as a pilot program in the Commercial Division of the Supreme Court, New York County, effective January 1, 2018. A Commercial Division justice may designate a case for the List, either sua sponte or upon application by a party, if it (i) addresses commercial claims for an amount no less than \$50 million (exclusive of punitive damages, interest, costs, disbursements, and counsel fees); or (ii) addresses matters of sufficient complexity and importance to warrant such designation. Justices presiding over such cases may, in their discretion, apply procedures and make available to the parties such court resources as may be available (including but not limited to special referees with expertise in discovery, special mediators, settlement judges, interface options with extranets and electronic document depositories, and hyperlinked briefs) commensurate with the requirements of active case management of the largest and most complex matters in the Commercial Division.
