

Hon. Craig Doran:

But it is now my honor to turn the program over to Helaine Barnett, who I have to say in introducing Helaine, she is one of my personal heroes. There are a whole lot of things that Helaine Barnett could be doing with her life, but she instead chooses to devote herself to those people that need us the most, and she inspires all of us. To the Chairperson of the Permanent Judicial Commission on Access to Justice, Helaine Barnett.

Helaine M. Barnett:

Thank you, Judge Doran, and thank you for leading this wonderful effort on behalf of the court system. It's wonderful to see you here and to hear your presentation, and we all look forward to working with you on that. And thank you again to all of our speakers and participants for an informative and I believe transforming annual meeting. I certainly feel re-energized and motivated, and I trust you do as well. As we end this annual meeting, please take a few moments and complete the brief survey we have linked in the chat. We always find your responses most helpful. Thank you again for joining us. Take care, and we hope to see you again next year.
