I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (UCS) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

The UCS Office of Court Administration's (OCA) Division of Professional and Court Services (DPCS) is soliciting proposals via this RFP for the purpose of providing a Certified Recovery Coach to participants in the Saratoga County Family Treatment Court.

UCS operates adult drug treatment courts throughout the state. Family drug treatment courts identify parents who have a dependency petition filed against them in which alcohol and/or substance use contributed to the neglect of their children. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and child welfare professionals in the local community. In return for enhanced services and support for family re-unification, respondents are given the option of entering voluntarily into court-supervised treatment.

Coordination of court, treatment and social services to participants requires a specialized combination of expertise with the justice, substance use, mental health, and social services communities.

II. PROJECT INFORMATION

UCS is the recipient of an award (the "Grant Award") by the U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP) (the "Grantor") to implement a Family Treatment Court in Saratoga, New York (the "Project"). Pursuant to the terms of the Grant Award, \$253,042 is the maximum available funding for Project Services (as set forth in Article V below) performed during October 1, 2023 – September 30, 2026, provided, however, that such period may be extended upon mutual agreement of Grantor and UCS (the "Project Term"). UCS reserves the right to request a no-cost extension of the Project Term from the Grantor.

UCS anticipates that the selected applicant will be designated a "subrecipient" rather than a "contractor" for purposes of federal requirements of the Grant Award.

GRANT CHART

Grant Number	Jurisdictions	Project Goals	Maximum Available Grant Term Funding
15PJDP-23-GG-03539-COAP	Saratoga County	The Saratoga County Family Court will create a Family Treatment Court (FTC) and seeks to offer the services of a Certified Recovery Coach, who will provide peer recovery support services and expand the types and range of support available to participants. This person will support court-involved participants with community-based recovery support.	\$253,042

III. AWARD

UCS intends to award one contract for a term commencing on or about January 2, 2024, and terminating on or about September 30, 2026 (“Contract Term”).

Notwithstanding the foregoing, the Contract Term of any contract resulting from this RFP may extend to a term not to exceed five (5) years in total, which contract shall terminate upon the earlier of: (i) five (5) years from the contract commencement date; or (ii) the complete expenditure of funding available for Project Services, whichever is earlier, unless otherwise terminated pursuant to the terms of said contract. Awarded contractor shall be contractually obligated to provide the Project Services for the Project Term, as it may be amended or extended. UCS and awarded contractor shall communicate regularly concerning the remaining amount of grant funds and the approximate timing of complete expenditure.

IV. MINIMUM QUALIFICATIONS

Proposals will be considered only from applicants who meet the following minimum qualifications:

- Qualified applicants are agencies that possess at least two (2) years of experience in performing services similar or relevant to those described herein.
- Qualified applicants must have the capacity to provide Project Services (hereinafter defined), including the Required Staffing, to clients within Saratoga County.

V. PROJECT SERVICES

UCS seeks proposals describing how the applicant will provide the services listed below (“Project Services”). The selected applicant shall be required to provide the Project Services, including the required staffing, listed below:

1. Hold monthly meetings with each FTC parent, the child(ren) (depending on suitability of the child(ren) being present), caretakers for the child(ren), and any other significant others/family members supporting the parent’s recovery to address strengths and challenges in the family dynamic.

Required Staffing: 1.0 FTE (full-time equivalent) Certified Recovery Peer Advocate (CRPA) with a working knowledge of the substance use disorder treatment systems, support services, and a demonstrated commitment to the recovery community. The CRPA will be located on-site in the court and will work closely with the designated FTC Coordinator to serve as a peer mentor, advocate, and life coach to participants in the Saratoga FTC. The CRPA must be available by cell phone, have flexible hours, and be able to escort FTC parents and family members to off-site referrals, community services and events, and sober support meetings. Hours will include weekend and evening hours.

VI. INSURANCE REQUIREMENTS

Awarded applicant shall be required to maintain the insurance specified in Exhibit 4 hereto (Insurance Requirements) at its own cost and expense during the Contract Term and any renewal or extension thereof.

VII. AWARD SELECTION CRITERIA AND METHOD OF AWARD

A single award will be made pursuant to this RFP. The selected awardee must: (1) meet the minimum qualifications outlined in Article IV above; (2) be a responsible bidder as determined in accordance with the criteria in Article XII; and (3) receive the highest composite (technical + cost) score in excess of the minimum score as determined by the selection criteria set forth herein.

Responsibility is determined in accordance with the criteria articulated in the “Responsible Bidder” paragraph set forth in Article XII (General Specifications).

Proposals will be reviewed and rated by a team of qualified UCS staff.

In the event of a tie composite score, the applicant with the higher cost score, i.e., lowest total cost, will prevail.

Proposals will be scored as follows:

Technical Criteria (75%)	Maximum Points
Capacity	35
Proposed Service Delivery	40
Maximum Technical Points	75
Cost (25%)	25
Maximum Cost Points	25
MAXIMUM TOTAL POINTS	100

Organizational capacity and program and staffing plan criteria are contained in the Proposal Rating Tool attached as Exhibit 5 hereto.

Cost submissions will be scored as follows:

The proposal with the lowest cost will be awarded maximum cost points (25); each higher cost proposal will be awarded points according to the following formula:

$$\text{Lowest cost proposal} \div \text{Higher cost proposal} \times 25$$

For example: Assuming the lowest cost proposal is \$100 and the next higher cost proposal is \$125, the \$100 cost proposal would be awarded 25 points and the \$125 cost proposal 20 points based on the following computation:

$$100 \div 125 = (.8) \times 25 = 20$$

Note: A minimum Technical Criteria point score of 40 (average of all evaluators) is required for an award to be made.

This clarifying information, if requested in writing by UCS, must be submitted by the bidder, in accordance with formats as prescribed by UCS at the time said information is requested and, if received by the due date set forth in UCS's request for clarification, shall be included as a formal part of the bidder's proposal. Clarifying information, if any, whether provided orally, visually, or in writing, will be considered in the evaluation process. Awarded contractor is prohibited from maintaining confidential files and records provided to or generated by awarded contractor in a mobile or portable device. Independent Contractor Status

It is expressly understood and agreed that the awarded contractor's status shall be that of an independent provider of services and that no officer, employee, servant or subcontractor of the contractor is an employee of the UCS, OCA or State of New York. The awarded contractor shall be solely responsible for the work, assignment, compensation, benefits, and personal conduct and standards of all such persons assigned to the provision of services. Nothing herein shall be construed to impose any liability or duty on the UCS, OCA or State of New York to persons, firms, consultants corporations, or other organizations employed or engaged by the awarded contractor, either directly or indirectly, in any capacity whatsoever, nor shall the UCS, OCA or State of New York be liable for any acts, omissions, liabilities, obligations or taxes of any nature including, but not limited to, unemployment and Workers' Compensation insurance of the awarded contractor or any of its employees or subcontractors.

Minor Bid Irregularities

Provided the same will not materially benefit or disadvantage any particular bidder or substantially alter the requirements of this bid, UCS may: (i) waive technicalities; (ii) waive minor irregularities, omissions or incompleteness in the bid or a bid response; (iii) waive any bid requirements that are unmet by all bidders; (iv) consider any and/or all alternatives and/or enhancements suggested by the successful bidder; or (v) make an award under the bid in whole or in part and negotiate contract terms and conditions with the successful bidder to meet UCS requirements consistent with such award.

Online RFP Package: Disclaimer

Bidders accessing any UCS/OCA solicitations and related documents from the New York State UCS website www.nycourts.gov/admin/bids under "Current Solicitations" shall remain solely and wholly responsible for reviewing the respective solicitation and bid documents on the internet regularly, up to the scheduled date and time of the bid/proposal due date, to ensure their knowledge of any amendments, addenda, modifications, or other information affecting the solicitation or bid documents in question.

Payment

Awarded contractor shall send true and accurate invoices on a monthly basis by email or by conventional mail to such person as UCS/OCA shall designate in the contract resulting from this RFP or by such other method to another person at another address as UCS/OCA shall designate.

Payment shall be made monthly in arrears and shall be made within thirty (30) days of submission by awarded contractor and approval by UCS of invoices satisfactory to UCS and Office of the State Comptroller.

Payment for services performed under the awarded contract shall be conditioned upon the acceptance and approval of such services. Payment shall also be conditioned on whether those services are sufficiently

complete both in accordance with the RFP specifications and to the extent necessary for UCS to utilize those services for their intended purpose.

Price Adjustments

Pricing shall be subject to increase as of the commencement date of each renewal term by the percentage equal to the lesser of: (i) the increase, if any, in the Consumer Price Index for All Urban Consumers ("CPI") as determined by the U.S. Bureau of Labor Statistics as of the third month prior to the commencement date of each such renewal term, over the CPI as of the third month prior to the commencement date of the immediately prior term of the Agreement, or (ii) five percent (5%). Pricing shall thereafter remain unchanged for the balance of each such term and shall further remain unchanged during an extension term.

Pricing

All pricing submitted pursuant to the solicitation shall be net and include all costs for the performance of all services required under this solicitation, including transportation costs.

Other than the pricing submitted on the Required Budget Form, there shall be no other charge, cost, reimbursement or expense of any kind payable by UCS in connection with, or arising from, awarded contractor's performance of the services set forth herein. Awarded contractor shall be solely responsible for all costs and expenses incurred in connection with the performance of such services.

Pricing shall be submitted only on, and in the format prescribed by, the Required Budget Form. Bidder must quote pricing on a cost per employee basis and compute all price extensions prompted by Required Budget Form. In the event of a bidder's miscalculation, the unit price will prevail. UCS reserves the right to make mathematical corrections based on unit price(s). Pricing in the awarded contract for amounts in increments not equal to pricing units indicated in the Required Budget Form will be prorated accordingly.

Rejected and Unacceptable Bids/Proposals/Awards

UCS reserves the right to reject any and all proposals or bids submitted in response to this solicitation. In addition, UCS may reject any bids/proposals from any bidders who are in arrears to the State of New York upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations (as contracting party, surety or otherwise) or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, or who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose proposal is incomplete or otherwise non-responsive in any material respect; or who are found to be non-responsible based on any of the criteria specified in the section headed "Responsible Bidder."

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate or too remote from the UCS locations to render services in a timely manner in accordance with all requirements of this solicitation; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the next responsible and responsive bidder with the next highest evaluation score to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as “responsible” in accordance with, but not limited to: references, past performance history, financial stability, responses to the Vendor Responsibility Questionnaire (see Attachment III-Vendor Responsibility Questionnaire), the criteria set forth in the paragraph headed “Rejected and Unacceptable Bids/Proposals/Awards,” as well as any other criteria necessary and reasonable to establish the bidder’s responsibility.

Silence of the Specifications

The apparent silence of the specifications contained as part of this package as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Subcontracting

Subcontracting, and any other transfer of any duties or obligations to be performed hereunder, will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder’s proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder’s proposal.

The awarded contractor will be the prime contractor and will be responsible for all services required by this RFP. The UCS will communicate only with awarded contractor, and the awarded contractor shall remain wholly liable for the performance by, and payment to, any such subcontractors, their employees, agents, consultants or representatives. UCS may require subcontractors to provide evidence of insurance, as applicable, prior to UCS approval.

Termination

Early termination of the contract for cause may result in, among other consequences, all remedies available to UCS and New York State, including, but not limited to: the awarded contractor both being declared non-responsible by the UCS/OCA pursuant to the UCS and Office of the State Comptroller’s guidelines on vendor responsibility and/or being removed from the UCS/OCA applicants list for future solicitations.

A. Early Termination for Budget Modification

1. If the UCS Budget (“Budget”) is modified (a “Budget Modification,” defined in subsection 2 below) for any State fiscal year included in the term of the awarded contract, in whole or in

part (including any renewal or extension term), such that UCS determines, in its sole discretion, that it is necessary to reduce, eliminate, or otherwise modify the budget allocation covering payment thereunder, UCS shall have the option to terminate the awarded contract upon not less than thirty (30) days' notice to awarded contractor, without liability for costs, expenses or damages as a result thereof.

2. For purposes of this subsection A, Budget Modification shall mean and include, with respect to the Budget or any appropriation contained therein:
 - i. any reduction, elimination or restriction upon access thereto as provided by law; or
 - ii. any restriction placed on UCS' spending authority, including any restriction imposed by UCS upon itself in response to a request of the Executive or Legislative Branch of government.
3. Termination hereunder shall be further governed by the termination provisions contained in the awarded contract, as applicable.

B. Early Termination for Cause

Early termination of the contract for cause may result in, among other consequences, all remedies available to UCS and New York State, the awarded contractor both being declared non-responsible by the UCS/OCA, pursuant to the UCS and Office of the State Comptroller's guidelines on vendor responsibility and in the awarded contractor's removal from the UCS/OCA's bidders list for future solicitations.

Unified Court System Self-Insurance

UCS, a New York State governmental entity, is self-retained for risk of loss and liability.

Work for Hire

EXHIBIT 6**APPENDIX B****Terms and Conditions Applicable to Materials Produced Under the Agreement**

1. Contractor acknowledges and agrees that UCS has ordered and/or specially commissioned the services, deliverables, and materials that Contractor is required to produce pursuant to this Agreement (the "Work"), whether in written form, on tape, computer-readable media or other tangible form. Except as otherwise specified in this Appendix B, Contractor agrees that: (i) UCS shall be the sole owner of the Work; and (ii) the Work shall be considered a "work made for hire" as that term is used under federal and state law. UCS or its authorized designee shall have all right, title, and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a "work made for hire," Contractor hereby irrevocably grants, assigns, transfers, and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage thereof, Contractor shall deliver all such Work to UCS.
2. Contractor represents and warrants that the Work shall be created solely by Contractor, be original, and does not infringe upon the copyright, trademark, patent, or other proprietary rights of any third party, including without limitation the right to use or display the name, face, or likeness of any person. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face, or likeness of any person, unless Contractor has: (i) advised UCS of this; and (ii) the appropriate written authorizations, releases, licenses, or other permits to allow UCS and Contractor to use the Work and any other materials used in connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.
3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation, or termination by Contractor for any cause whatsoever.

4. If applicable, Contractor shall own and retain all proprietary rights to any materials produced by Contractor prior to the Effective Date, or not as a result of this Agreement (“Contractor’s Property”), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby licenses to UCS or its authorized designee, in perpetuity, at no additional cost or expense, the non-exclusive, irrevocable worldwide rights to reproduce, display, and otherwise use Contractor’s Property as part of the Work.
5. If master tapes are created in the production of the Work, upon receipt of final payment for the Work, Contractor will provide these to UCS, except for the master tapes to Contractor’s Property (if applicable).
6. If requested by UCS, Contractor shall include in the Work a copyright notice in the following form: “Copyright (or ©) [year] New York State Unified Court System. All rights reserved.” If applicable, the notice shall be computer-readable and clearly visible to viewers for at least three seconds.
