

## **RFP # OCA-DPCS-003: Community Dispute Resolution Centers Program, St. Lawrence and Franklin Counties**

### ***Question and Response***

The New York State Unified Court System (UCS) thanks the vendor that submitted the question below concerning the Request for Proposals (RFP) for Community Dispute Resolution Center services for Franklin and St. Lawrence Counties.

Below is the response to the question UCS received in connection with this RFP.

#### **Question:**

If this RFP does not get any bids, there are CDRC's interested in separating the counties. Will this be a possible alternative to address before the current RFP expires or will a new RFP need to be created?

#### **UCS Response:**

As indicated in Amendment # 1, UCS has modified the RFP to accept proposals from bidders offering to administer a community dispute resolution center in either Franklin County or St. Lawrence County. UCS will continue to accept proposals from bidders offering to administer community dispute resolution centers in both Franklin and St. Lawrence Counties.

UCS is also extending the deadline for proposals to be submitted to Thursday, April 4, 2024, at 2:00 PM Eastern Daylight Time.
