B. NYS BID FORMS

1. Attachment I - Standard Request for Bid Clauses & Forms and Attachment IV- Procurement Lobbying Law required forms.

In addition to such other specifications and criteria as are presented herein, the NYS Unified Court System Attachment I - Standard Request for Bid Clauses & Forms, and Attachment IV - Disclosure of Prior Non-Responsibility Determination (UCS 420) and Affirmation of Understanding and Agreement (UCS 421) pursuant to the Procurement Lobbying Act, must be downloaded or printed from the UCS Contract & Procurement website under "Addenda" for the appropriate solicitation and are incorporated and made a part of this RFB.

2. Attachment III - Vendor Responsibility Questionnaire.

The UCS is required to conduct a review of a prospective vendor to provide reasonable assurances that the vendor is responsible. The required Vendor Responsibility Questionnaire is designed to provide information to assist UCS in assessing a vendor's responsibility prior to entering a contract with the vendor. Vendor responsibility is determined by a review of each prospective vendor's legal authority to do business in New York State, business integrity, financial and organizational resources, and performance history (including references).

The UCS recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. However, vendors may choose to complete a paper questionnaire and submit it with their proposal.

Online Questionnaire: To enroll in and use the New York State VendRep System, see the VendRep System instructions available at <http://www.osc.state.ny.us/state-vendors/vendrep/vendrep-system> or go directly to the VendRep System online at <https://onlineservices.osc.state.ny.us/Enrollment/login?1>. Vendors must provide their New York State Vendor Identification Number when enrolling (see paragraph headed New York State Vendor File Registration below for instructions on obtaining a Vendor Identification Number). For VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.state.ny.us.

Bidders who file the Vendor Responsibility Questionnaire online via the NYS Comptroller VendRep System are requested to checkmark the appropriate box on the Document Enclosure Checklist. Please note that online submissions must be certified and dated/updated not more than six (6) months prior to the bid opening date of this RFB. Bidders' authorized signature of the RFB form will serve as confirmation that bidders have knowingly filed their questionnaire online if the paper questionnaire is not included with the bidder's submission.

Paper Questionnaire: Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep/forms_vendor.htm or may contact the UCS or the Office of the State Comptroller's Help Desk for a copy of the paper form.

3. New York State Vendor File Registration

Prior to being awarded a contract pursuant to this RFB, the bidder(s) must be registered in the New York State Vendor File (Vendor File) administered by the NYS Comptroller. This is a central registry for all vendors who do business with New York State agencies and the registration must be initiated by a State agency. Following the initial registration, a unique New York State ten-digit vendor identification number (Vendor ID) will be assigned to vendors for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage certain vendor information in one central location for all transactions related to the State of New York.

If the bidder is already registered in the Vendor File, the vendor must enter the vendor's ten-digit Vendor ID on the first page of this RFB.

If the bidder is not currently registered in the Vendor File, upon award of a contract, the bidder must complete the NYS Comptroller Substitute W-9 Form (<https://www.osc.state.ny.us/sites/default/files/vendors/2017-11/vendor-form-ac3237s-fe.pdf>) and submit the form to UCS. **The UCS will initiate the vendor registration process** for the vendor. Once the process is initiated, vendor will receive an e-mail identifying their unique ten-digit Vendor ID and instructions on how to enroll in the online Vendor Self-Service application. For more information on the Vendor File please visit the following website: https://esupplier.sfs.ny.gov/psc/fscm/SUPPLIER/ERP/c/NUI_FRAMEWORK_PT_LANDINGPAGE.GBL?&.

4. Electronic Payments

Vendors not currently receiving electronic payments, and who wish to do so, should enroll in ePayment – New York State’s electronic payment program for vendors. To do so, vendors need to log onto the Vendor Self-Service Portal and enter their bank account information. ePayments will ensure you are receiving payments faster and in a more secure manner. If you need assistance in accessing the Vendor Self-Service Portal, please contact the SFS Helpdesk at helpdesk@sfs.ny.gov or 1-877-737-4185.

5. Proof of Insurance

Bidder must provide together with its bid response all documentation required pursuant to Article IX, “Insurance Requirement.”

C. ADDITIONAL BID DOCUMENTS

Upon request by UCS, bidder shall provide its audited financial statements prepared in accordance with GAAP-Generally Accepted Accounting Principles for the past three (3) consecutive years and a copy of its last three (3) annual reports.

VIII. GENERAL BID REQUIREMENTS

Online RFB Package: Disclaimer

Bidders accessing any UCS/OCA solicitations and related documents from the UCS website www.nycourts.gov/admin/bids under “Current Solicitations” shall remain solely and wholly responsible for reviewing the respective solicitation & bid documents on the internet regularly, up to the scheduled date and time of the bid proposal due date, to ensure their knowledge of any amendments, addenda, modifications or other information affecting the solicitation or bid documents in question.

Binding Nature of Bid/Proposal on Bidders

All bid proposals shall remain binding on bidders until such time as UCS/OCA provides written notification of its intent to award the contract to a specific bidder or until the bidder requests a withdrawal of its bid proposal in writing and such withdrawal is accepted by UCS/OCA in its sole discretion in accordance with applicable law, whichever occurs first.

Estimated Quantities

Any quantities specified in this RFB constitute estimates only, and accordingly no commitment or guarantee to reach any specified volume of business is made or implied. Awarded Contractor must accept all requests for goods and services placed by UCS under the awarded contract.

Rejected and Unacceptable Bids/Proposals/Awards

UCS reserves the right to reject any and all bid proposals submitted in response to this RFB. In addition, UCS may reject any bid proposals from any bidders who are in arrears to the State of New York upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations, (as contracting party, surety or otherwise), or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose bid proposal is incomplete or otherwise non-responsive in any material respect, or who are found to be non-responsible based on any of the criteria specified in the section headed “Responsible Bidder.”

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate, too remote from the UCS locations to provide goods or render services in a timely manner in accordance with all requirements of this RFB; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the bidder that is the next lowest cost responsible and responsive bidder to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as “responsible” in accordance with, but not limited to, references, past performance history, financial stability, the criteria set forth in paragraph 2 of the General Specifications (Attachment III-Vendor Responsibility Questionnaire), and the criteria set forth in the paragraph headed “Rejected and Unacceptable Bids/Proposals/Awards” as well as any other criteria necessary and reasonable to establish the bidder’s responsibility.

Clarification/Correction of Bid Proposals

In addition to any rights articulated elsewhere in this RFB, UCS reserves the right to require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of a bidder’s bid proposal and/or to determine a bidder’s compliance with the requirements of this RFB. This clarifying information, if required in writing by UCS, must be submitted by the bidder, in accordance with formats as prescribed by UCS at the time said information is requested and, if received by the due date set forth in UCS’s request for clarification, shall be included as a formal part of the bidder’s bid proposal. Clarifying information, if any, whether provided orally, visually or in writing will be considered in the evaluation process. Failure to provide required information by its associated due date may result in rejection of the bidder’s bid proposal. Nothing in the foregoing shall mean or imply that it is obligatory upon UCS to seek or allow clarifications or corrections as provided for herein.

Minor Bid Irregularities

Provided the same will not materially benefit or disadvantage any particular bidder or substantially alter the requirements of this RFB, UCS may: (i) waive technicalities, (ii) waive minor irregularities, omissions or incompleteness in the bid or a bid response, (iii) waive any bid requirements that are unmet by all bidders; (iv) consider any and/or all alternatives and/or enhancements suggested by the successful bidder; (v) make an award under the bid in whole or in part and negotiate contract terms and conditions with the successful bidder to meet UCS requirements consistent with such award.

Unified Court System Self-Insurance

UCS, a New York State governmental entity, is self-retained for risk of loss and liability.

Inspection of Bidder’s/Awarded Contractor’s Facilities

The UCS/OCA reserves the right to inspect bidder’s proposed facilities, as part of the bid evaluation. Subsequent to award, Awarded Contractor’s facilities shall be made available for periodic inspection. In all instances, advance notification will be communicated by appropriate court personnel.

Access to Court Facilities

Awarded Contractor must comply with all applicable location rules, policies, guidelines, and procedures in order to be granted access to court facilities. Where applicable to the performance of work under an awarded contract, bidders shall be wholly responsible for familiarity with the physical layout and access to the courts and buildings in question, including but not limited to, roadways, overhangs, parking, security, elevators, required access permits or insurance certificates. No special accommodations can or will be made by court staff with respect to security measures, access, or parking.

Subcontracting

Subcontracting and any other transfer of any duties or obligations to be performed hereunder will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed or goods proposed to be provided by such subcontractors, must be listed in bidder's bid proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder's proposal.

The Awarded Contractor will be the prime contractor and will be responsible for all goods and services required by this RFB. The UCS will communicate only with Awarded Contractor and the Awarded Contractor shall remain wholly liable for the performance by and payment to any such subcontractors, their employees, agents, consultants, or representatives. Silence of the Specifications

The apparent silence of the specifications contained as part of this RFB as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

IX. CONTRACT TERMS AND REQUIREMENTS

Contract Terms

The Awarded Contractor shall be required to comply with the provisions set forth in this Article, as well as such other provisions contained in an agreement, in form and content satisfactory to UCS in its sole discretion.

Compliance with Laws

Awarded Contractor(s) must comply with all applicable federal, state, and local laws, rules and regulations, including but not limited to, fire, health and safety codes, prior to and during the provision of all goods and services under the contract resulting from this RFB.

Independent Contractor Status

It is expressly understood and agreed that the Awarded Contractor's status shall be that of an independent provider of goods and services and that no officer, employee, servant, or subcontractor of the Awarded Contractor is an employee of the UCS, OCA or State of New York. The Awarded Contractor shall be solely responsible for the work, assignment, compensation, benefits and personal conduct and standards of all such persons assigned to the provision of goods and services. Nothing herein shall be construed to impose any liability or duty on the UCS, OCA or State of New York to persons, firms, consultants or corporations employed or engaged by the Awarded Contractor either directly or indirectly in any capacity whatsoever, nor shall the UCS, OCA or State of New York be liable for any acts, omissions, liabilities, obligations or taxes of any nature including, but not limited to, unemployment and Workers' Compensation insurance of the Awarded Contractor or any of its employees or subcontractors.

Indemnity

Awarded Contractor shall indemnify, defend and hold harmless UCS, its officers and employees from and against any and all claims, causes of action, damages, costs, liabilities and expenses of any kind (including reasonable attorney's fees and the cost of legal defense) which UCS may incur by reason of: (i) Awarded Contractor's breach of any term, provision, covenant, representation or warranty contained in the contract awarded as a result of this RFB; (ii) any act, omission, negligence or intentional misconduct of Awarded Contractor or its employees, subcontractors, agents, volunteers or of other persons under its direction and control; (iii) Awarded Contractor's performance or failure to perform under the contract; and (iv) enforcement by UCS of the awarded contract or any provisions thereof.

Confidentiality and Data Security

Awarded Contractor acknowledges that any and all information, records, files, documents or reports contained in any media format provided to the Awarded Contractor by UCS, or which may be otherwise encountered by Awarded Contractor shall be considered extremely confidential and shall be handled accordingly at all times. Neither the Awarded Contractor nor any of its employees, servants, vendors, agents, or volunteers shall at any time be permitted to utilize such confidential information for any purpose outside the scope of any resulting agreement awarded under this RFB without the express prior written authorization of UCS. Any breach of this confidentiality by the Awarded Contractor or by any of its employees, servants, subcontractors, agents, or volunteers may result in the immediate termination of any resulting agreement awarded under this RFB by UCS and may subject the Awarded Contractor to further penalties.

Awarded Contractor shall use, and require its employees and authorized agents to use, at least the degree of care a reasonably prudent person would use to protect and prevent improper access to the records.

Awarded Contractor is prohibited from maintaining confidential files and records provided to or generated by Awarded Contractor in a mobile or portable device. Remote access to UCS confidential information is prohibited unless industry standard protocols for remote access are in place (e.g., SSL, VPN). In addition, Awarded Contractor will be required to comply with the data security and confidentiality requirements of other government agencies that supply data to UCS.

Intellectual Property

If Awarded Contractor is required to produce specially commissioned materials pursuant to this Agreement (the "Work"), whether in written form, on tape, computer-readable media or other tangible form, Awarded Contractor acknowledges and agrees that UCS shall have the option to: (i) retain a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the Work; or (ii) be the sole owner of the Work (the Work shall be considered a "work made for hire"), each of the foregoing at no additional cost to UCS.
