I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (UCS) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

The UCS Office of Court Administration's (OCA) Division of Grants, Contracts and Procurement (DGCP) is soliciting proposals via this Request for Proposals (RFP) for the purpose of providing defendant case management services to the Syracuse City Emerging Adult Domestic Violence Court.

UCS operates Domestic Violence (DV) courts and Integrated Domestic Violence (IDV) courts throughout the state. These courts focus on accountability and compliance with all orders and sentences issued by the judge. The DV courts oversee criminal cases, both felony and misdemeanor, involving intimate partner violence. IDV courts oversee intimate partner violence cases involving families with matters pending in multiple courts including the family, criminal and matrimonial systems. In an IDV court, one judge is assigned to review all these matters working with the parties to gain a clearer and more holistic picture of the issues facing these litigants.

As described more fully below, UCS will support convening a multidisciplinary team of community partners to provide interagency responses to intimate partner abuse in the Emerging Adult (EA) age group (18–25 years old).

II. PROJECT INFORMATION

The DGCP, on behalf of the Syracuse City Emerging Adult Domestic Violence Court, is issuing this RFP to solicit proposals from applicants who are qualified to provide case management services to defendants in the Syracuse City Emerging Adult Domestic Violence Court (the "Court"). The awarded contractor will deliver individualized case management services that support participants' successful engagement with the Court, compliance with court-ordered conditions, and connection to community-based resources. Case management services are intended to address criminogenic needs and underlying factors contributing to justice involvement, including, but not limited to, education, employment, housing stability, behavioral health, substance use, family and social supports, and life skills development.

UCS anticipates the awarded contractor will begin to perform the Project Services (as set forth in Article V below) on or about April 1, 2026. The maximum appropriation for the first 12-month period of the awarded contract is \$200,000. Subsequent year allocations are subject to available state appropriations.

III. AWARD

Term of Award

UCS intends to award one contract for a term commencing on or about April 1, 2026 and terminating on or about December 31, 2030. (“Contract Term”).

Awarded contractor shall be contractually obligated to provide the Project Services (as described below) for the Contract Term, as it may be amended or extended. UCS and awarded contractor shall communicate regularly concerning the remaining amount of grant funds and the approximate timing of complete expenditure.

Any contract resulting from this solicitation is subject to the approval of both the Office of the New York State Attorney General and the New York State Office of the State Comptroller.

Method of Award

A single award will be made pursuant to this RFP. The selected awardee must: (1) meet the minimum qualifications outlined in Article IV below; (2) be a responsible bidder as determined in accordance with the criteria in Article XI (General Specifications); and (3) receive the highest composite (average technical + cost) score in excess of the minimum score as determined by the selection criteria set forth herein. In the event of a tie composite score, the applicant with the higher cost score, i.e., lowest total cost, will prevail.

Proposals will be reviewed and rated by a team composed of qualified UCS staff, and will be scored as follows:

Technical Criteria (75%)	Maximum Points
Capacity	35
Proposed Service Delivery	40
Maximum Technical Points	75
Cost (25%)	25
Maximum Cost Points	25
MAXIMUM TOTAL POINTS	100

Note: A minimum Technical Criteria point score of 40 (average of all evaluators) is required for an award to be made. Detailed criteria are contained in the Proposal Rating Tool attached as Exhibit 5 hereto. Cost submissions will be scored as follows:

The proposal with the lowest cost will be awarded maximum cost points (25); each higher cost proposal will be awarded points according to the following formula:

$$\text{Lowest cost proposal} \div \text{highest cost} \times 25$$

For example: Assuming the lowest cost proposal is \$100, and the next higher cost proposal is \$125, the \$100 cost proposal would be awarded 25 points and the \$125 cost proposal 20 points based on the following computation:

$$100 \div 125 = (.8) \times 25 = 20$$

IV. MINIMUM QUALIFICATIONS

- Qualified applicants must possess at least two (2) years of experience in performing services similar or relevant to those described herein.

Minor Bid Irregularities

Provided the same will not materially benefit or disadvantage any particular bidder or substantially alter the requirements of this bid, UCS may: (i) waive technicalities; (ii) waive minor irregularities, omissions or incompleteness in the bid or a bid response; (iii) waive any bid requirements that are unmet by all bidders; (iv) consider any and/or all alternatives and/or enhancements suggested by the successful bidder; or (v) make an award under the bid in whole or in part and negotiate contract terms and conditions with the successful bidder to meet UCS requirements consistent with such award.

In addition to complying with the requirements of State Finance Law Section 138 (requiring prior approval of subcontractors and assignments or conveyances), awarded contractor shall notify UCS of any substantial change in the ownership, membership, or financial viability of the awarded contractor in writing immediately upon its occurrence. In addition to any other remedies available at law or in equity, UCS shall have the right to cancel the contract, in whole or in part, for cause, if it finds, in its sole judgment, that such substantial change adversely affects the delivery of services under the contract or is otherwise not in the best interests of UCS.

Online RFP Package: Disclaimer

Bidders accessing any UCS/OCA solicitations and related documents from the UCS website www.nycourts.gov/admin/bids under “Current Solicitations” shall remain solely and wholly responsible for reviewing the respective solicitation and bid documents on the internet regularly, up to the scheduled date and time of the bid/proposal due date, to ensure their knowledge of any amendments, addenda, modifications, or other information affecting the solicitation or bid documents in question.

Payment

Awarded contractor(s) shall send true and accurate invoices on a quarterly basis by email or by conventional mail to such person as UCS/OCA shall designate in the contract resulting from this RFP or by such other method to another person at another address as UCS/OCA shall designate.

Payment shall be made quarterly in arrears and shall be made within thirty (30) days of submission by awarded contractor(s) and approval by UCS of invoices satisfactory to UCS and Office of the State Comptroller.

Notwithstanding the foregoing, at the sole discretion of UCS, and subject to the availability of funds, advance payment of up to twenty-five percent (25%) of the annualized funding amount allocated for each budget period may be available for awarded contracts with not-for-profit organizations.

Payment for services performed under the awarded contract shall be conditioned upon the acceptance and approval of such services. Payment shall also be conditioned on whether those services are sufficiently complete both in accordance with the RFP specifications and to the extent necessary for UCS to utilize those services for their intended purpose.

Pricing

All pricing submitted pursuant to the solicitation shall be net and include all costs for the performance of all services required under this solicitation, including transportation costs.

Other than the pricing submitted on the Required Budget Form, there shall be no other charge, cost, reimbursement or expense of any kind payable by UCS in connection with, or arising from, awarded contractor’s performance of the services set forth herein. Awarded contractor(s) shall be solely responsible for all costs and expenses incurred in connection with the performance of such services.

Pricing shall be submitted only on, and in the format prescribed by, the Required Budget Form. Bidder must quote pricing on a cost per employee basis and compute all price extensions prompted by Required Budget Form. In the event of a bidder’s miscalculation, the unit price will prevail. UCS reserves the right to make mathematical corrections based on unit price(s). Pricing in the awarded contract for amounts in increments not equal to pricing units indicated in the Required Budget Form will be prorated accordingly.

Rejected and Unacceptable Bids/Proposals/Awards

UCS reserves the right to reject any and all proposals or bids submitted in response to this solicitation. In addition, UCS may reject any bids/proposals from any bidders who are in arrears to the State of New York

upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations (as contracting party, surety or otherwise) or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, or who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose proposal is incomplete or otherwise non-responsive in any material respect; or who are listed as ineligible on the federal System for Award Management due to suspension or debarment; or who are found to be non-responsible based on any of the criteria specified in the section headed "Responsible Bidder."

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate or too remote from the UCS locations to render services in a timely manner in accordance with all requirements of this solicitation; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the next responsible and responsive bidder with the next highest evaluation score to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as "responsible" in accordance with, but not limited to: references, past performance history, financial stability, responses to the Vendor Responsibility Questionnaire (see Attachment III-Vendor Responsibility Questionnaire), the criteria set forth in the paragraph headed "Rejected and Unacceptable Bids/Proposals/Awards," as well as any other criteria necessary and reasonable to establish the bidder's responsibility.

Silence of the Specifications

The apparent silence of the specifications contained as part of this package as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Subcontracting

Subcontracting, and any other transfer of any duties or obligations to be performed hereunder, will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder's proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder's proposal. All subcontracts shall be in writing and contain provisions which are functionally identical to, and consistent with, the provisions of the contract. Unless waived in writing by UCS, all subcontracts between the awarded contractor and subcontractors shall expressly name UCS as the sole intended third-party beneficiary of such subcontract. UCS reserves

the right to review, approve, or reject any subcontract, as well as any amendments to said subcontract(s), and this right shall not make the UCS or the State of New York a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against UCS or the State.

The awarded contractor(s) will be the prime contractor and will be responsible for all services required by this RFP. The UCS will communicate only with awarded contractor(s), and the awarded contractor(s) shall remain wholly liable for the performance by, and payment to, any such subcontractors, their employees, agents, consultants or representatives. UCS may require subcontractors to provide evidence of insurance, as applicable, prior to UCS approval. If total compensation to any subcontractor exceeds \$100,000 in the aggregate, the subcontractor must submit and certify a Vendor Responsibility Questionnaire.

APPENDIX B

Terms and Conditions Applicable to Materials Produced Under the Agreement

1. Contractor acknowledges and agrees that UCS has ordered and/or specially commissioned the services, deliverables, and materials that Contractor is required to produce pursuant to this Agreement (the "Work"), whether in written form, on tape, computer-readable media or other tangible or intangible form. Except as otherwise specified in this Appendix B, Contractor agrees that: (i) UCS shall be the sole owner of the Work; and (ii) the Work shall be considered a "work made for hire" as that term is used under federal and state law. UCS or its authorized designee shall have all right, title, and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a "work made for hire," Contractor hereby irrevocably grants, assigns, transfers, and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage thereof, Contractor shall deliver all such Work to UCS. To the extent an assignment is not effective under applicable law, Contractor grants UCS an exclusive, perpetual, royalty-free, fully-paid, irrevocable, worldwide, transferable license to use, reproduce, distribute, and commercialize any deliverables to the fullest extent permissible and effective under applicable law. Contractor shall cooperate with UCS, at UCS's request, as reasonably required to perfect or secure UCS's rights, including executing appropriate documents.

2. Contractor represents and warrants that the Work shall be created solely by Contractor, be original, and does not infringe upon the copyright, trademark, patent, or other proprietary rights of any third party, including without limitation the right to use or display the name, face, or likeness of any person. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face, or likeness of any person, unless Contractor has: (i) advised UCS of this; and (ii) the appropriate written authorizations, releases, licenses, or other permits to allow UCS and Contractor to use the Work and any other materials used in

connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.

3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation, or termination by Contractor for any cause whatsoever.

4. If applicable, Contractor shall own and retain all pre-existing proprietary rights to any materials, tools, templates, or methodologies produced or licensed by Contractor prior to the Effective Date, or not as a result of this Agreement ("Contractor's Property"), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby grants to UCS or its authorized designee, in perpetuity, at no additional cost or expense, a royalty-free, fully-paid, non-exclusive, irrevocable worldwide license to reproduce, display, and otherwise use Contractor's Property as part of the Work.

5. If master tapes are created in the production of the Work, upon receipt of final payment for the Work, Contractor will provide these to UCS, except for the master tapes to Contractor's Property (if applicable).

6. If requested by UCS, Contractor shall include in the Work a copyright notice in the following form: "Copyright (or ©) [year] New York State Unified Court System. All rights reserved." If applicable, the notice shall be computer-readable and clearly visible to viewers for at least three seconds.

7. Contractor shall indemnify, defend, and hold UCS, its administrative officers, directors, employees, and authorized agents harmless from and against all claims, costs, liability, and damages, including reasonable attorneys' fees and disbursements: (i) resulting from the Contractor's breach of representation or warranty made herein; or (ii) arising in connection with an allegation that UCS's use of the Work (if any) or any other deliverable, if any, infringes any patent, trade secret, copyright, or any other proprietary right, including, without limitation, the rights to use or display a person's name, face, or likeness.

8. This Appendix B shall survive expiration or termination of this Agreement.
