2. Attachment III - Vendor Responsibility Questionnaire

The NYS Unified Court System (UCS) is required to conduct a review of a prospective Vendor to provide reasonable assurances that the vendor is responsible. The required Vendor Responsibility Questionnaire is designed to provide information to assist UCS in assessing a vendor's responsibility

prior to entering into a contract with the vendor. Vendor responsibility is determined by a review of each prospective Vendor's legal authority to do business in New York State, business integrity, financial and organizational resources, and performance history (including references).

The UCS recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. However, vendors may choose to complete a paper questionnaire and submit it with their proposal.

Online Questionnaire: To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at <http://www.osc.state.ny.us/vendrep/index.htm> or go directly to the VendRep System online at <https://portal.osc.state.ny.us/Enrollment/login>. Vendors must provide their New York State Vendor Identification Number when enrolling (see paragraph headed 'New York State Vendor File Registration' for instructions on obtaining a Vendor Identification Number.) For VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.state.ny.us.

Bidders who file the Vendor Responsibility Questionnaire online via the OSC VendRep System are requested to checkmark the appropriate box on the Document Enclosure Checklist. **Please note** that online submissions must be certified and dated/updated not more than six (6) months prior to the bid opening date of this RFB/RFP. Bidders' authorized signature of the RFB/RFP form will serve as confirmation that bidders have knowingly filed their questionnaire online if the paper questionnaire is not included with the bidder's submission.

Paper Questionnaire: Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep/forms_vendor.htm or may contact the UCS or the Office of the State Comptroller's Help Desk for a copy of the paper form.

3. New York State Vendor File Registration

Prior to being awarded a contract pursuant to this solicitation, the bidder(s) must be registered in the New York State Vendor File (Vendor File) administered by the OSC. This is a central registry for all vendors who do business with New York State agencies and the registration must be initiated by a State agency. Following the initial registration, a unique New York State ten-digit vendor identification number (Vendor ID) will be assigned to vendors for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage certain vendor information in one central location for all transactions related to the State of New York.

If the bidder is already registered in the Vendor File, the vendor must enter the vendor's ten-digit Vendor ID on the first page of this bid document.

If the bidder is not currently registered in the Vendor File, upon award of a contract the Bidder must complete the OSC Substitute W-9 Form (http://www.osc.state.ny.us/vendors/forms/ac3237s_fe.pdf) and submit the form to UCS. **The UCS will initiate the vendor registration process** for the Vendor. Once the process is initiated, Vendor will receive an e-mail identifying their unique ten-digit Vendor ID and instructions on how to enroll in the online Vendor Self-Service application. For more information on the Vendor File please visit the following website: http://www.osc.state.ny.us/vendor_management/.

4. Electronic Payments

Vendors not currently receiving electronic payments, and who wish to do so, should enroll in ePayment – New York State’s electronic payment program for vendors. To do so, vendors need to log onto the Vendor Self-Service Portal and enter their bank account information. ePayments will ensure you are receiving payments faster and in a more secure manner. If you need assistance in accessing the Vendor Self-Service Portal, please contact the SFS Helpdesk at helpdesk@sfs.ny.gov or 1-877-737-4185.

UCS reserves the right to reject any and all proposals or bids submitted in response to this solicitation. In addition, UCS may reject any bids/proposals from any bidders who are in arrears to the State of New York upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations, (as contracting party, surety or otherwise), or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose proposal is incomplete or otherwise non-responsive in any material respect, or who are found to be non-responsible based on any of the criteria specified in the section headed 'Responsible Bidder'.

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate, too remote from the UCS locations to render services in a timely manner in accordance with all requirements of this solicitation; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

Responsible Bidder

A bidder shall be defined as “responsible” in accordance with, but not limited to, references, past performance history, financial stability, the criteria set forth in paragraph 2 of the General Specifications (Attachment III-Vendor Responsibility Questionnaire), and the criteria set forth in the paragraph headed “Rejected and Unacceptable Bids/Proposals” as well as any other criteria necessary and reasonable to establish the bidder’s responsibility.

Clarification/Correction of Bids/Proposals

In addition to any rights articulated elsewhere in this solicitation, UCS reserves the right to require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of a bidder’s proposal and/or to determine a bidder’s compliance with the requirements of this solicitation. This clarifying information, if required in writing by UCS, must be submitted by the bidder, in accordance with formats as prescribed by UCS at the time said information is requested and, if received by the due date set forth in UCS’s request for clarification, shall be included as a formal part of the bidder’s proposal. Clarifying information, if any, whether provided orally, visually or in writing will be considered in the evaluation process. Failure to provide required information by its associated due date may result in rejection of the bidder’s proposal. Nothing in the foregoing shall mean or imply that it is obligatory upon UCS to seek or allow clarifications or corrections as provided for herein.

UCS, a New York State governmental entity, is self-retained for risk of loss and liability.

Inspection of Bidder’s/Awarded Contractor’s Facilities

Subsequent to award, Awarded Contractor’s printing facilities shall be made available for periodic inspection. In all instances, advance notification will be communicated by appropriate court personnel.

Access to Court Facilities

Where applicable to the performance of work under an awarded contract, bidders shall be wholly responsible for familiarity with the physical layout and access to the courts and buildings in question, including but not limited to, roadways, overhangs, parking, security, elevators, required access permits or insurance certificates. No special accommodations can or will be made by court staff with respect to security measures, access or parking.

Subcontracting

In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder's proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder's proposal.

The Awarded Contractor will be the prime contractor and will be responsible for all services required by this RFB/RFP. The UCS will communicate only with Awarded Contractor and the Awarded Contractor shall remain wholly liable for the performance by and payment to any such subcontractors, their employees, agents, consultants or representatives.

Implied Requirements

Products and services that are not specifically requested in this solicitation, but which are necessary to provide the functional capabilities proposed by the bidder, shall be included in the offer except as specified herein.

Silence of the Specifications

The apparent silence of the specifications contained as part of this package as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

The Awarded Contractor shall be solely responsible for the work, assignment, compensation, benefits and personal conduct and standards of all
