I. BACKGROUND INFORMATION

The New York State Unified Court System (UCS) Office of Court Administration's Division of Professional and Court Services (DPCS) is soliciting proposals via this Request for Proposals (RFP) for the purpose of establishing a contract to provide intensive case management to participants and outreach to town and village justices for the Auburn Drug and Alcohol Treatment Court (ADATC).

UCS operates problem-solving courts, among them drug courts, which help judges and court staff respond to the needs of litigants and the community. Problem-solving courts look to the underlying issues that bring people into the court system, employ innovative approaches to address those issues, and seek to simplify the court process for litigants. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and criminal justice professionals in the local community. In return for a promise of a reduced sentence, appropriate non-violent addicted offenders are given the option of entering voluntarily into court-supervised treatment. The rules and conditions of participation are clearly stated in a contract entered into by the defendant, the defense attorney, the district attorney, and the court.

II. PROJECT INFORMATION

UCS is the recipient of an award by the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (BJA) for the purpose of funding the ADATC in Cayuga County, New York, to retain an outreach liaison to work with town and village justices and an intensive case manager to work extensively with those at risk of overdose. The ADATC is a "hub" court that accepts referrals from the 27 town and village courts in rural Cayuga County. The project will develop procedures and provide resources and training to address referral delays and increase timelines of referrals/entry.

The maximum available funding over the Contract Term (April 1, 2020 – September 30, 2022) for the performance of Project Services (as set forth in Article V below) is \$303,862 ("Maximum Funding").

GRANT CHART

Grant Number	Jurisdiction	Project Goals	Maximum Available Grant Term Funding
2019-DC-BX-0037	Auburn Drug and Alcohol Treatment Court, Cayuga County	The court will: (1) maximize ADATC's capacity by expanding its reach throughout rural Cayuga County; (2) reduce relapse, overdose risk and criminal behavior for opioid users and others at risk of overdose throughout Cayuga County; and (3) track and improve drug court performance.	\$303,862

Note: Throughout this RFP, the terms, *proposer*, *vendor* and *applicant* are used interchangeably, as are *RFP*, *bid* and *solicitation*.

Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage of thereof, Contractor shall deliver all such Work to UCS.
2. Contractor represents and warrants that the Work shall be created solely by Contractor, be original, and does not infringe upon any the copyright, trademark, patent or other proprietary rights of any third party, including without limitation the right to use or display the name, face or likeness of any person. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face or likeness of any person, unless Contractor has (i) advised UCS of this and (ii) the appropriate written authorizations, releases, licenses or other permits to allow UCS and Contractor to use the Work and any other materials used in connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.
3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation or termination by Contractor for any cause whatsoever.
4. If applicable, Contractor shall own and retain all proprietary rights to any materials produced by Contractor prior to the Effective Date, or not as a result of this Agreement ("Contractor's Property"), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby licenses to UCS or its authorized designee, in perpetuity, at no additional cost or expense, the non-exclusive, irrevocable worldwide rights to reproduce, display and otherwise use Contractor's Property as part of the Work.
5. If master tapes are created in the production of the Work, upon receipt of final payment for the Work, Contractor will provide these to UCS, except for the master tapes to Contractor's Property (if applicable).
6. If requested by UCS, Contractor shall include in the Work a copyright notice in the following form: "Copyright (or ©) [year] New York State Unified Court System". All rights reserved." If applicable, the notice shall be computer-readable and clearly visible to viewers for at least three seconds.

7. Contractor shall indemnify, defend and hold UCS, its administrative officers, directors, employees and authorized agents harmless from and against all claims, costs, liability and damages, including reasonable attorneys' fees and disbursements (i) resulting from the Contractor's breach of representation or warranty made herein or (ii) arising in connection with an allegation that UCS's use of the Work (if any) or any other deliverable, if any, infringes any patent, trade secret, copyright or any other proprietary right, including without limitation the rights to use or display a person's name, face or likeness.
8. This Appendix B shall survive expiration or termination of this Agreement.
