I. BACKGROUND INFORMATION

The New York State Unified Court System (UCS) Office of Court Administration's Division of Professional and Court Services (DPCS) is soliciting proposals via this Request for Proposals (RFP) for the purpose of funding a Certified Peer Engagement Specialist for the Steuben County Treatment Court (SCTC).

UCS operates problem-solving courts, among them drug courts, which help judges and court staff respond to the needs of participants and the community. Problem-solving courts look to the underlying issues that bring people into the court system, employ innovative approaches to address those issues, and seek to simplify the court process for participants. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and criminal justice professionals in the local community. In return for a promise of a reduced sentence, appropriate non-violent addicted offenders are given the option of entering voluntarily into court-supervised treatment. The rules and conditions of participation are clearly stated in a contract entered into by the defendant, the defense attorney, the district attorney, and the court.

II. PROJECT INFORMATION

UCS is the recipient of an award by the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (BJA) for the purpose of enhancing the existing treatment court program by providing services to 23 court-involved participants through their readjustment to community life and provide community-based recovery support. The maximum available funding over the Contract Term (April 15, 2021 – September 30, 2023) for the performance of Project Services (as set forth in Article V below) is \$73,214 ("Maximum Funding").

Maximum Technical Points	75
Cost	25
Maximum Cost Points	25
MAXIMUM TOTAL POINTS	100
