I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (UCS) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

The UCS Office of Court Administration's (OCA) Division of Professional and Court Services (DPCS) is soliciting proposals via this Request for Proposals (RFP) for the purpose of establishing a contract to provide parent support coordination services to participants in the Schenectady County Family Treatment Court.

UCS operates adult drug treatment courts throughout the state. A drug treatment court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and child welfare professionals in the local community. Family drug treatment courts identify parents who have a dependency petition filed against them in which alcohol and/or substance use disorder contributed to the neglect of their children. With a goal of facilitating family reunification, family drug treatment courts deliver enhanced services and support to respondents who voluntarily enter court-supervised treatment.

Coordinating court, treatment, and social services to support participants requires a specialized combination of expertise with the justice, substance use, mental health, and social services communities.

II. PROJECT INFORMATION

UCS received an award from the U.S. Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP) to implement a Family Treatment Court in Schenectady, New York. The OJJDP grant award is hereinafter referred to as the Project.

The OJJDP grant period is October 1, 2021 – September 30, 2024 (hereinafter "Grant Term"). This RFP seeks Project Services as set forth in Article V below.
