I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (“UCS”) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

The UCS Office of Court Administration’s (“OCA”) Division of Grants, Contracts & Procurement (“DGCP”) is soliciting proposals via this Request for Proposals (“RFP”) for the purpose of providing firearm intervention services for the Youth Part courts in seven (7) counties participating in the Empowerment Through Wellness to Prevent Gun Violence Initiative as described in Article II, Project Information.

The Raise the Age law launched in New York State on October 1, 2018, which ushered in a new paradigm requiring a fundamental restructuring of New York’s juvenile and criminal justice systems. Raise The Age is rooted in brain science with the fundamental premise that adolescents are not adults; they are children transitioning to adulthood. Prior to 2017, New York had remained one of the last two states in the country that continued to treat 16-year-olds as adults for purposes of criminal liability. The new law statutorily created a Youth Part in each county’s superior court having exclusive Jurisdiction of all cases involving Juvenile Offenders (13- to 15-year-olds) charged with designated felonies in the adult system, and the new designation of Adolescent Offenders (16- and 17-year-olds) who are accused of committing felony-level offenses. While many of these cases may be transferred to the Family Court, most cases involving the use of firearms remain in the Youth Part.

II. PROJECT INFORMATION

The UCS is the recipient of a Byrne State Crisis Intervention Program grant (the “Grant Award”) by the U.S. Department of Justice, Bureau of Justice Assistance (“BJA”) through the New York State Department of Criminal Justice Services (“DCJS” or the “Grantor”) to establish direct relationships with community-based violence interruption programs and pilot interventions for youths charged with gun-related offenses, to prevent future crime and promote community safety.

The DGCP, on behalf of the Office for Justice Initiatives (“OJI”), is issuing this RFP to solicit proposals from qualified applicants who use an evidence-based model to provide community-based interventions to support justice-involved young adults with gun-related offences whose cases are in the Youth Part (the “Project”). The seven (7) counties in New York State identified as the pilot sites are, Bronx, Erie, Kings, Monroe, Nassau, Onondaga, and Suffolk. Applicants may apply for a single Jurisdiction, or multiple Jurisdictions, to provide services.

Pursuant to the terms of the Grant Award, \$360,000 is the maximum available funding per site for Project Services (as set forth in Article V below) performed during October 1, 2025 – September 30, 2026, provided, however, that such period may be extended upon mutual agreement of the Grantor and UCS (the “Project Term”). The maximum available funding for this project will be divided equally to support each of the seven (7) counties, totaling \$360,000 for each site.

UCS anticipates that the selected applicant(s) will be designated a “subrecipient” rather than a “contractor” for purposes of federal requirements of the Grant Award. UCS reserves the right to request a no-cost extension of the Project Term from the Grantor.

GRANT CHART

| Grant Number | Jurisdictions | Project Goals | Maximum Available Grant Term Funding |
|-------------------------|--|--|---|
| 15PBJA-23-GG-00026-BSCI | Kings, Bronx, Erie, Monroe, Nassau, Suffolk, and Onondaga Counties, New York State | The goal of the New York State Empowerment Through Wellness to Prevent Gun Violence Initiative has two main components. The first goal is to support community-based violence intervention programs, which serve as an effective solution to combat gun violence and to reduce firearm-related deaths, in seven (7) counties identified as having the highest number of youth gun-related offenses: Kings, Bronx, Erie, Monroe, Nassau, Suffolk, and Onondaga. The second goal is to assist the UCS in developing new training programs for both UCS’ problem-solving judges/staff and our youth part judges/staff which explore the relationship between gun violence, mental health issues, and diversion. | \$2,520,000, or \$360,000 for each Jurisdiction |

VII. AWARD SELECTION CRITERIA AND METHOD OF AWARD

Multiple awards will be made pursuant to this RFP. Responsibility is determined in accordance with the criteria articulated in the “Responsible Bidder” paragraph set forth in Article XII (General Specifications).

Proposals will be reviewed and rated by a team of qualified UCS staff.

In the event of a tie composite score, the applicant with the higher cost score, i.e., lowest total cost, will prevail.

Proposals will be scored as follows:

| | |
|---------------------------------|-----------------------|
| Technical Criteria (80%) | Maximum Points |
| Organizational Capacity | 30 |
| Proposed Service Delivery | 50 |
| Maximum Technical Points | 80 |
| | |
| Cost (20%) | 20 |
| Maximum Cost Points | 20 |
| | |
| MAXIMUM TOTAL POINTS | 100 |

A proposer will be evaluated separately for each Jurisdiction that it proposes to serve. Organizational capacity and proposed service delivery criteria are contained in the Proposal Rating Tool attached as Exhibit 5 hereto.

Cost submissions will be scored as follows:

The proposal with the lowest cost will be awarded maximum cost points (20); each higher cost proposal will be awarded points according to the following formula:

$$\text{Lowest cost proposal} \div \text{Higher cost proposal} \times 20$$

For example: Assuming the lowest cost proposal is \$100 and the next higher cost proposal is \$125, the \$100 cost proposal would be awarded 20 points and the \$125 cost proposal 16 points based on the following computation:

$$100 \div 125 = (.8) \times 20 = 16$$

Note: A minimum Technical Criteria point score of 40 (average of all evaluators) is required for an award to be made.

If awarded contractor(s) is required to produce specially commissioned materials pursuant to the awarded contract (the "Work"), whether in written form, on tape, on computer-readable media, or in another tangible or intangible form, contractor acknowledges and agrees that UCS shall have the option to: (i) retain a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the Work; or (ii) be the sole owner of the Work (the Work shall be considered a "work made for hire"), for Work generated under the awarded contract at no additional cost to UCS.

Minor Bid Irregularities

Provided the same will not materially benefit or disadvantage any particular bidder or substantially alter the requirements of this bid, UCS may: (i) waive technicalities; (ii) waive minor irregularities, omissions or incompletions in the bid or a bid response; (iii) waive any bid requirements that are unmet by all bidders; (iv) consider any and/or all alternatives and/or enhancements suggested by the successful bidder; or (v) make an award under the bid in whole or in part and negotiate contract terms and conditions with the successful bidder to meet UCS requirements consistent with such award.

Notice of Substantial Change in Contractor's Status

In addition to complying with the requirements of State Finance Law Section 138 (requiring prior approval of subcontractors and assignments or conveyances), Contractor shall notify UCS of any substantial change in the ownership, membership, or financial viability of the awarded contractor(s) in writing immediately upon its occurrence. In addition to any other remedies available at law or in equity, UCS shall have the right to cancel the contract, in whole or in part, for cause, if it finds, in its sole judgment, that such substantial change adversely affects the delivery of services under the contract or is otherwise not in the best interests of UCS.

Online RFP Package: Disclaimer

Bidders accessing any UCS/OCA solicitations and related documents from the New York State UCS website www.nycourts.gov/admin/bids under "Current Solicitations" shall remain solely and wholly responsible for reviewing the respective solicitation and bid documents on the internet regularly, up to the scheduled date and time of the bid/proposal due date, to ensure their knowledge of any amendments, addenda, modifications, or other information affecting the solicitation or bid documents in question.

Payment

Awarded contractor(s) shall send true and accurate invoices on a quarterly basis by email or by conventional mail to such person as UCS/OCA shall designate in the contract resulting from this RFP or by such other method to another person at another address as UCS/OCA shall designate.

Payment shall be made quarterly in arrears and shall be made within thirty (30) days of submission by awarded contractor(s) and approval by UCS of invoices satisfactory to UCS and Office of the State Comptroller.

Payment for services performed under the awarded contract shall be conditioned upon the acceptance and approval of such services. Payment shall also be conditioned on whether those services are sufficiently complete both in accordance with the RFP specifications and to the extent necessary for UCS to utilize those services for their intended purpose.

Pricing

All pricing submitted pursuant to the solicitation shall be net and include all costs for the performance of all services required under this solicitation, including transportation costs.

Other than the pricing submitted on the Required Budget Form, there shall be no other charge, cost, reimbursement or expense of any kind payable by UCS in connection with, or arising from, awarded contractor's performance of the services set forth herein. Awarded contractor(s) shall be solely responsible for all costs and expenses incurred in connection with the performance of such services.

Pricing shall be submitted only on, and in the format prescribed by, the Required Budget Form. Bidder must quote pricing on a cost per employee basis and compute all price extensions prompted by Required Budget Form. In the event of a bidder's miscalculation, the unit price will prevail. UCS reserves the right

to make mathematical corrections based on unit price(s). Pricing in the awarded contract for amounts in increments not equal to pricing units indicated in the Required Budget Form will be prorated accordingly.

Pricing will remain unchanged during the Contract Term.

Rejected and Unacceptable Bids/Proposals/Awards

UCS reserves the right to reject any and all proposals or bids submitted in response to this solicitation. In addition, UCS may reject any bids/proposals from any bidders who are in arrears to the State of New York upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations (as contracting party, surety or otherwise) or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, or who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose proposal is incomplete or otherwise non-responsive in any material respect; or who are found to be non-responsible based on any of the criteria specified in the section headed "Responsible Bidder."

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate or too remote from the UCS locations to render services in a timely manner in accordance with all requirements of this solicitation; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the next responsible and responsive bidder with the next highest evaluation score to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as "responsible" in accordance with, but not limited to: references, past performance history, financial stability, responses to the Vendor Responsibility Questionnaire (see Attachment III-Vendor Responsibility Questionnaire), the criteria set forth in the paragraph headed "Rejected and Unacceptable Bids/Proposals/Awards," as well as any other criteria necessary and reasonable to establish the bidder's responsibility.

Silence of the Specifications

The apparent silence of the specifications contained as part of this package as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Subcontracting

Subcontracting, and any other transfer of any duties or obligations to be performed hereunder, will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder's proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder's proposal. All subcontracts shall be in writing and contain provisions which are functionally identical to, and consistent with, the provisions of the contract. Unless waived in writing by UCS, all subcontracts between the Contractor and subcontractors shall expressly name UCS as the sole intended third-party beneficiary of such subcontract. UCS reserves the right to review, approve, or reject any subcontract, as well as any amendments to said subcontract(s), and this right shall not make the UCS or the State of New York a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against UCS or the State.

The awarded contractor(s) will be the prime contractor and will be responsible for all services required by this RFP. The UCS will communicate only with awarded contractor(s), and the awarded contractor(s) shall remain wholly liable for the performance by, and payment to, any such subcontractors, their employees, agents, consultants or representatives. UCS may require subcontractors to provide evidence of insurance, as applicable, prior to UCS approval. If total compensation to any subcontractor exceeds \$100,000 in the aggregate, the subcontractor must submit and certify a Vendor Responsibility Questionnaire.

Contractor shall give UCS immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under the awarded contract.

Termination

Early termination of the contract for cause may result in, among other consequences, exercising any or all remedies available to UCS and New York State, including, but not limited to: the awarded contractor(s) both being declared non-responsible by the UCS/OCA pursuant to the UCS and Office of the State Comptroller's guidelines on vendor responsibility and/or being removed from the UCS/OCA applicants list for future solicitations.

A. Early Termination for Budget Modification

1. If the UCS Budget ("Budget") is modified (a "Budget Modification," defined in subsection 2 below) for any State fiscal year included in the term of the awarded contract, in whole or in part (including any renewal or extension term), such that UCS determines, in its sole discretion, that it is necessary to reduce, eliminate, or otherwise modify the budget allocation covering payment thereunder, UCS shall have the option to terminate the awarded contract upon not less than thirty (30) days' notice to awarded contractor(s), without liability for costs, expenses or damages as a result thereof.

2. For purposes of this subsection A, Budget Modification shall mean and include, with respect to the Budget or any appropriation contained therein:
 - i. any reduction, elimination or restriction upon access thereto as provided by law; or
 - ii. any restriction placed on UCS' spending authority, including any restriction imposed by UCS upon itself in response to a request of the Executive or Legislative Branch of government.
3. Termination hereunder shall be further governed by the termination provisions contained in the awarded contract, as applicable.

B. Early Termination for Cause

Early termination of the contract for cause may result in, among other consequences, exercising any or all remedies available to UCS and New York State, the awarded contractor(s) both being declared non-responsible by the UCS/OCA, pursuant to the UCS and Office of the State Comptroller's guidelines on vendor responsibility and in the awarded contractor's removal from the UCS/OCA's bidders list for future solicitations.

Unified Court System Self-Insurance

UCS, a New York State governmental entity, is self-retained for risk of loss and liability.

Work for Hire

If awarded contractor(s) produces any materials for UCS pursuant to this RFP, such work shall be deemed "work for hire" and shall be governed by the terms of Exhibit 6 (Appendix B: Terms and Conditions Applicable to Materials Produced Under the Agreement).

1. Contractor acknowledges and agrees that UCS has ordered and/or specially commissioned the services, deliverables, and materials that Contractor is required to produce pursuant to this Agreement (the "Work"), whether in written form, on tape, computer-readable media or other tangible or intangible form. Except as otherwise specified in this Appendix B, Contractor agrees that: (i) UCS shall be the sole owner of the Work; and (ii) the Work shall be considered a "work made for hire" as that term is used under federal and state law. UCS or its authorized designee shall have all right, title, and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a "work made for hire," Contractor hereby irrevocably grants, assigns, transfers, and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage thereof, Contractor shall deliver all such Work to UCS. To the extent an assignment is not effective under applicable law, Contractor grants UCS an exclusive, perpetual, royalty-free, fully-paid, irrevocable, worldwide, transferable license to use, reproduce, distribute, and commercialize any deliverables to the fullest extent permissible and effective under applicable law. Contractor shall cooperate with UCS, at UCS's request, as reasonably required to perfect or secure UCS's rights, including executing appropriate documents.

Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face, or likeness of any person, unless Contractor has: (i) advised UCS of this; and (ii) the appropriate written authorizations, releases, licenses, or other permits to allow UCS and Contractor to use the Work and any other materials used in

connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.

3. All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation, or termination by Contractor for any cause whatsoever.

4. If applicable, Contractor shall own and retain all pre-existing proprietary rights to any materials, tools, templates, or methodologies produced or licensed by Contractor prior to the Effective Date, or not as a result of this Agreement ("Contractor's Property"), even if such materials are incorporated into the Work.
