**I. BACKGROUND INFORMATION**

The New York State Unified Court System (UCS) Office of Court Administration's Division of Professional and Court Services (DPCS) is soliciting proposals via this Request for Proposals (RFP) for the purpose of funding Case Management Services for the Nassau County Family Treatment Court.

UCS operates adult drug treatment courts throughout the state. Family drug treatment courts identify parents who have a dependency petition filed against them in which alcohol and/or substance abuse contributed to the neglect of their children. A drug court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and child welfare professionals in the local community. In return enhanced services and support for family re-unification respondents are given the option of entering voluntarily into court-supervised treatment.

Coordination of court, treatment and social services to participants requires a specialized combination of expertise with the justice, substance use, mental health, and social services communities.

**II. PROJECT INFORMATION**

UCS is the recipient of an award by the U.S. Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP) for the purpose of implementing a Family Treatment Court in Nassau, New York. The OJJDP grant award is hereinafter referred to as the Project.

The OJJDP grant period is October 1, 2021 – September 30, 2024 (hereinafter "Grant Term"). This RFP seeks Project Services as set forth in Article V below.
