I. BACKGROUND INFORMATION

The mission of the New York State Unified Court System (UCS) is to deliver equal justice under the law and to achieve the just, fair and timely resolution of all matters that come before our courts. In the service of our mission, the UCS is committed to operating with integrity and transparency, and to ensuring that all who enter or serve in our courts are treated with respect, dignity, and professionalism. We affirm our responsibility to promote a court system free from any and all forms of bias and discrimination and to promote a judiciary and workforce that reflect the rich diversity of New York State. More information about the UCS is available at <https://www.nycourts.gov>.

The UCS Office of Court Administration’s (OCA) Division of Professional and Court Services (DPCS) is soliciting proposals via this RFP to establish a contract with an eligible organization to serve as the clinical provider for the Judicial Diversion-Mental Health Track (“JD-MHT”) in the New York County Supreme Court, Criminal Term (“NYCSC-CT”).

UCS operates problem-solving courts which help judges and court staff respond to the needs of participants and the community. Problem-solving courts look to the underlying issues that bring people into the court system, employ innovative approaches to address those issues, and seek to simplify the court process for participants. A problem-solving court involves an intervention by the court in cooperation with a team of specialists in social services, treatment, and criminal justice professionals in the local community. In return for a promise of a reduced sentence, appropriate non-violent addicted offenders are given the option of entering voluntarily into court-supervised treatment. The rules and conditions of participation are clearly stated in a contract entered into by the defendant, the defense attorney, the district attorney, and the court.

Coordinating court, treatment, and social services to support participants requires a specialized combination of expertise with the justice, substance use, mental health, and social services communities.

II. PROJECT INFORMATION

UCS anticipates an award (the “Grant Award”) by the New York County District Attorney’s Office (DANY, hereinafter the “Grantor”) to procure a clinical provider for the Judicial Diversion-Mental Health Track in the New York County (Manhattan) Supreme Court, Criminal Term to serve individuals with co-occurring behavioral health disorders (the “Project”). The Grant Award will provide up to \$630,000 in funding for Project Services (as set forth in Article V below) performed between January 2, 2024 and January 31, 2025, provided, however, that such period may be extended upon mutual agreement of Grantor and UCS (the “Project Term”). UCS reserves the right to request a no-cost extension of the Project Term from the Grantor.

Jurisdiction	Project Goals	Maximum Available Grant Term Funding
New York County	<p>Funds will support clinical services for the JD-MHT in the NYCSC-CT. Goals include, but are not limited to:</p> <ul style="list-style-type: none"> • Greater acceptance of defendants with co-occurring mental health disorders and the optimization of NYCSC-CT resources for participants • Reduced delays from arrest to placement in treatment • More robust recommendations to the judge regarding initial treatment modality and provider placement for defendants in the JD-MHT • Provide and connect at least 60 participants per year to responsive services, including behavioral health and other social services, to support participants throughout their court mandate and recovery • Optimize resources in NYCSC-CT • Improve outcomes for JD-MHT participants to prevent recidivism 	\$630,000

III. AWARD

UCS intends to award one contract for a term commencing on or about January 2, 2024, and terminating on or about January 31, 2025 (“Contract Term”).

Notwithstanding the foregoing, the Contract Term of any contract resulting from this RFP may extend to a term not to exceed five (5) years in total, which contract shall terminate upon the earlier of: (i) five (5) years from the contract commencement date; or (ii) the complete expenditure of funding available for Project Services, whichever is earlier, unless otherwise terminated pursuant to the terms of said contract. Awarded contractor shall be contractually obligated to provide the Project Services for the Project Term, as it may be amended or extended. UCS and awarded contractor shall communicate regularly concerning the remaining amount of grant funds and the approximate timing of complete expenditure.

In the event of a tie composite score, the applicant with the higher cost score, i.e., lowest total cost, will prevail.

Proposals will be scored as follows:

Technical Criteria (70%)	Maximum Points
Capacity	35
Proposed Service Delivery	40
Maximum Technical Points	75
Cost (25%)	25
Maximum Cost Points	25
MAXIMUM TOTAL POINTS	100

Organizational capacity and program and staffing plan criteria are contained in the Proposal Rating Tool attached as Exhibit 4 hereto.

Cost submissions will be scored as follows:

The proposal with the lowest cost will be awarded maximum cost points (25); each higher cost proposal will be awarded points according to the following formula:

$$\text{Lowest cost proposal} \div \text{Higher cost proposal} \times 25$$

For example: Assuming the lowest cost proposal is \$100 and the next higher cost proposal is \$125, the \$100 cost proposal would be awarded 25 points and the \$125 cost proposal 20 points based on the following computation:

Note: A minimum Technical Criteria point score of 40 (average of all evaluators) is required for an award to be made.

Awarded contractor shall be solely responsible for all costs and expenses incurred in connection with the performance of such services.

Pricing shall be submitted only on, and in the format prescribed by, the Required Budget Form. Bidder must quote pricing on a cost per employee basis and compute all price extensions prompted by Required Budget Form. In the event of a bidder’s miscalculation, the unit price will prevail. UCS reserves the right to make mathematical corrections based on unit price(s). Pricing in the awarded contract for amounts in increments not equal to pricing units indicated in the Required Budget Form will be prorated accordingly.

Rejected and Unacceptable Bids/Proposals/Awards

UCS reserves the right to reject any and all proposals or bids submitted in response to this solicitation. In addition, UCS may reject any bids/proposals from any bidders who are in arrears to the State of New York upon any debt or performance of any contract; or who have previously defaulted on any contractual obligations (as contracting party, surety or otherwise) or on any obligation to the State of New York; or who have been declared not responsible or disqualified by any agency of the State of New York, or who have any proceeding pending against them relating to the responsibility or qualification of the bidders to receive public contracts, whose proposal is incomplete or otherwise non-responsive in any material respect; or who are found to be non-responsible based on any of the criteria specified in the section headed “Responsible Bidder.”

UCS also reserves the right to reject any bidder: (i) whose facilities and/or resources are, in the opinion of OCA, inadequate or too remote from the UCS locations to render services in a timely manner in accordance with all requirements of this solicitation; (ii) who does not provide references in accordance with the bid specifications, or whose references report significant failure to comply with specifications; or (iii) who are otherwise, in the opinion of OCA, unable to meet specifications.

UCS further reserves the right to set aside a bid award to a successful bidder if it is unsuccessful in negotiating a satisfactory contract within a time frame acceptable to the UCS, in which event UCS may then invite the next responsible and responsive bidder with the next highest evaluation score to enter into negotiations for purposes of executing a contract.

Responsible Bidder

A bidder shall be defined as “responsible” in accordance with, but not limited to: references, past performance history, financial stability, responses to the Vendor Responsibility Questionnaire (see Attachment III-Vendor Responsibility Questionnaire), the criteria set forth in the paragraph headed “Rejected and Unacceptable Bids/Proposals/Awards,” as well as any other criteria necessary and reasonable to establish the bidder’s responsibility.

Silence of the Specifications

The apparent silence of the specifications contained as part of this package as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Subcontracting

Subcontracting, and any other transfer of any duties or obligations to be performed hereunder, will be permitted only with the prior written consent of UCS to the proposed subcontractors. In the event that bidder proposes to use one or more subcontractors, the specific subcontractors and the services proposed to be performed by such subcontractors, must be listed in bidder’s proposal. If a bidder that proposes to use one or more subcontractors is awarded the contract, the award will constitute the prior written approval of UCS to the subcontractors named in the bidder’s proposal.

The awarded contractor will be the prime contractor and will be responsible for all services required by this RFP. The UCS will communicate only with awarded contractor, and the awarded contractor shall remain wholly liable for the performance by, and payment to, any such subcontractors, their employees, agents, consultants or representatives. UCS may require subcontractors to provide evidence of insurance, as applicable, prior to UCS approval.

Termination

Early termination of the contract for cause may result in, among other consequences, all remedies available to UCS and New York State, including, but not limited to: the awarded contractor both being declared

non-responsible by the UCS/OCA pursuant to the UCS and Office of the State Comptroller’s guidelines on vendor responsibility and/or being removed from the UCS/OCA applicants list for future solicitations.

A. Early Termination for Budget Modification

1. If the UCS Budget (“Budget”) is modified (a “Budget Modification,” defined in subsection 2 below) for any State fiscal year included in the term of the awarded contract, in whole or in part (including any renewal or extension term), such that UCS determines, in its sole discretion, that it is necessary to reduce, eliminate, or otherwise modify the budget allocation covering payment thereunder, UCS shall have the option to terminate the awarded contract upon not less than thirty (30) days’ notice to awarded contractor, without liability for costs, expenses or damages as a result thereof.
2. For purposes of this subsection A, Budget Modification shall mean and include, with respect to the Budget or any appropriation contained therein:
 - i. any reduction, elimination or restriction upon access thereto as provided by law; or
 - ii. any restriction placed on UCS’ spending authority, including any restriction imposed by UCS upon itself in response to a request of the Executive or Legislative Branch of government.
3. Termination hereunder shall be further governed by the termination provisions contained in the awarded contract, as applicable.

B. Early Termination for Cause

Early termination of the contract for cause may result in, among other consequences, all remedies available to UCS and New York State, the awarded contractor both being declared non-responsible by the UCS/OCA, pursuant to the UCS and Office of the State Comptroller’s guidelines on vendor responsibility and in the awarded contractor’s removal from the UCS/OCA’s bidders list for future solicitations.

Unified Court System Self-Insurance

UCS, a New York State governmental entity, is self-retained for risk of loss and liability.

Work for Hire

If awarded contractor produces any materials for UCS pursuant to this RFP, such work shall be deemed “work for hire” and shall be governed by the terms of Exhibit 5 (Appendix B: Terms and Conditions Applicable to Materials Produced Under the Agreement).

Except as otherwise specified in this Appendix B, Contractor agrees that (i) UCS shall be the sole owner of the Work and (ii) the Work shall be considered a "work made for hire" as that term is used under federal and state law. UCS or its authorized designee shall have all right, title and interest of every kind and nature, whether now known or hereafter devised and including, without limitation, all copyrights and renewals and extensions thereof, in and to the Work, including without limitation any editions and versions thereof, without payment of any royalty or other compensation. Without limiting the foregoing, and except as otherwise specified in this Appendix B, if all or any part of the Work is not so deemed a "work made for hire," Contractor hereby irrevocably grants, assigns, transfers and sets over to UCS or its authorized designee all rights of any kind and nature in and to the Work that he/she/it may possess or come to possess, including without limitation all copyrights and renewals and extensions thereof, without payment of any royalty or other compensation. Contractor agrees to execute and deliver to UCS any assignments and other documents requested by UCS confirming the assignment to UCS or its authorized designee of all rights in the Work and to fully cooperate with UCS in registering and protecting UCS's rights to and interests in the Work. Upon request of UCS during any stage thereof, Contractor shall deliver all such Work to UCS.
2. Furthermore, Contractor represents and warrants that the Work and any other materials used in connection with this Agreement shall not include or incorporate in any way the work or materials of any third party with rights to such work or materials, or the name, face or likeness of any person, unless Contractor has (i) advised UCS of this and (ii) the appropriate written authorizations, releases, licenses or other permits to allow UCS and Contractor to use the Work and any other materials used in connection with this Agreement without violating such rights have been obtained and delivered to UCS. The form of such authorizations and other documents is subject to UCS's approval.

All rights granted to UCS hereunder are irrevocable and shall vest and remain perpetually vested in UCS and UCS's successors and assigns without payment of any royalty or other compensation, whether this Agreement expires or is terminated, and shall not be subject to rescission, cancellation or termination by Contractor for any cause whatsoever.

4. If applicable, Contractor shall own and retain all proprietary rights to any materials produced by Contractor prior to the Effective Date, or not as a result of this Agreement (“Contractor’s Property”), even if such materials are incorporated into the Work. If any such materials are incorporated into the Work, Contractor hereby licenses to UCS or its authorized designee, in perpetuity, at no additional cost or expense, the non-exclusive, irrevocable worldwide rights to reproduce, display and otherwise use Contractor’s Property as part of the Work.
5. If master tapes are created in the production of the Work, upon receipt of final payment for the Work, Contractor will provide these to UCS, except for the master tapes to Contractor’s Property (if applicable).
