TO: Holders of the Financial Planning and Control Manual,

SUBJECT: Part-Time City, Town or Village Judge Assigned Temporarily to a Town or Village Court

* This bulletin supercedes Budget Bulletin No. 373 dated 12/12/07

Attached is Administrative Order AO/599, dated November 15, 2007 and effective July 18, 2007. This order adds a new section 126.2 to the Rules of the Chief Administrator which provides for the per diem compensation of part-time judges and justices of a city, town or village court who are temporarily assigned to a town or village court pursuant to section 106(2) of the Uniform Justice Court Act.

Judges and justices assigned pursuant to this section shall be compensated in accordance with the provisions of 22NYCRR section 126.1, that is, at a maximum rate of \$250 per diem for in-court services and at a rate of \$125 per diem for in-court services of one-half day or less. Judges so assigned shall also be eligible for reimbursement of out-of-pocket expenses as provided in 22NYCRR Part 102.

<u>Per diem</u> payment to judges pursuant to these provisions shall be processed via the Judicial Assignment Compensation Form CP-33 (attached), which is to be submitted to the appropriate UCS district/administrative office, for subsequent processing by Payroll.

<u>Reimbursement</u> of out-of-pocket expenses shall be processed via the judicial expense voucher (JC-2007), which is also to be submitted to the district/administrative office and to be charged to state funds allocated for the support of town & village court operations.

In addition, 22NYCRR Part 102 has been amended to include City Court Judges in the general definition of the judges eligible for reimbursement of expenses incurred during the performance of judicial duties outside the county in which chambers are provided. This is to accommodate those full-time City Court Judges who may be temporarily assigned to County or Family Court in counties outside of their own.

Please ensure distribution of this bulletin to all personnel who may be responsible for the processing of, or the monitoring of internal controls relating to, payment or reimbursement of judicial expenses.
