Part IA-8 rules during the COVID-19 pandemic

Until Court operations fully return to normal, and until further notice, the following temporary/supplemental rules are in effect for Part IA-8:

E-filing

All attorneys are required to convert non e-filed cases to e-filed cases.

Motions

All motions must be electronically filed.

All motions are on submission unless otherwise directed by the Court.

All papers must be electronically filed no later than one week prior to the return date.

If no opposition is filed, the motion may be granted on default.

Stipulations for adjournments of motions must be made by fax or email only, on consent of all parties, at least one week prior to the return date of the motion. Stipulations for adjournments of motions that have previously been adjourned three or more times require court approval.

Infant Compromise Orders

Please submit copies of proposed infant compromise orders directly to chambers via email, and in accordance with CPLR §1207 and CPLR 1208.
