ADMINISTRATIVE ORDER

Medical malpractice actions require not only considerable pre-trial preparation but the trials of those actions are often quite lengthy. Trial ready malpractice actions are now assigned to, inter alia, Part 6, Hon. Joan Lobis; Part 16, Hon. Alice Schlesinger; and Part 44, Hon. Milton Tingling. Given the large inventories of our Medical Malpractice Parts and our other Parts, including our General Parts, it is necessary that our trial capacity be employed as efficiently as possible.

Therefore, by the authority vested in me as Administrative Judge of this court, I hereby direct that those actions as set forth in the list annexed hereto and assigned to the above mentioned respective Parts, be scheduled for appearance in our Administrative Coordinating Part, Part 40, Hon. George Silver, solely for the purpose of the Administrative Coordinating Justice making trial assignments, which assignments will be the final trial dates for these cases. All such matters so scheduled in Part 40 will remain in the inventories of the original respective IAS Parts for all purposes, including pre-trial conferences and motions, except for the assignment of trial dates.

Dated : New York, New York

Administrative Judge
