

8th Judicial District
Erie County Surrogate's Court - Hon. Acea M. Mosey, Surrogate Judge
Presumptive Alternative Dispute Resolution Program

Erie County Surrogate's Court is a firm believer in Alternative Dispute Resolution ("ADR") and strongly encourages the use of ADR through the following options: Settlement conferences with the Surrogate and the Surrogate's Staff, court annexed mediation with a Surrogate Court Roster of Neutrals or the local Community Dispute Resolution Center ("CDRC"). Mediation and agreed to resolutions can result in enormous savings of time and money, reduce stress and create longer lasting agreements that are abided by the participants. Parties are also encouraged to pursue private resolution options tailored to their needs.

If you have a matter that is currently pending in Erie County Surrogate's Court that you would like considered for reference to ADR, or if you have a question concerning ADR in Erie County Surrogate's Court, please contact the ADR Manager for Erie County Surrogate's Court, Rebecca Diina LaCivita, Esq., who can be reached by email at rlacivit@nycourts.gov.
