Request to Review/Defer/Reduce: (attach letter signed by an attorney stating basis)

Claims Review. If you believe the amount of the lien asserted is incorrect, attach a marked spreadsheet of charges identifying the specific charges being disputed and any medical or legal record(s) evidencing the identified claim is unrelated. *Do not send the entire medical file.*

I do not have the spreadsheet, but request that it please be sent to me. Note, if you have checked this option, please submit this request before requesting a reduction so that the lien amount can be verified.

OR

Medicaid. Note: Westchester County applies the holding of *Dep't of Human Servs. v. Ablborn*, 547 U.S. 268 (2006), when assessing Medicaid deferrals. Please be sure to include a reasonable and county relevant full case value.

Public Assistance. Note: The discretion afforded under N.Y.S. Social Services Law §104-b(13) is interpreted to require a hardship or other explanation regarding the need for the funds (e.g., moving, education, etc.).

Be sure to include the attorney contact information, including email address, on the letter.

Requests will be processed as received and take approximately 3-4 weeks to review.
