This is a request by all parties that this case be "retained and handled" in the Commercial Division. The computer shows that no RJI has been filed as yet. There is therefore no way to record an assignment to the Division should it be appropriate to approve the request. Further, normal procedures require that the application be made in the first instance to the General Assignment IAS Justice if the case is assigned as a non-commercial matter, or that the Commercial Division Justice pass on the assignment question first if the case is assigned to the Division initially. See the *Guidelines for Assignment of Cases to the Commercial Division*. I therefore decline the request without prejudice. *to seeking that the case be assigned to the Commercial Division upon the filing of an R.J-I.*
