**Subject:** Proposal to amend Section 25.15(g) of the Rules of the Chief Judge regarding provisional service credits

Dear David,

I just read the proposed amendment to the Rules of the Chief Judge. I gather that comments were been solicited, and had one proposed language edit.

As proposed, the rule reads: “...shall have all time spent as a provisional appointment credited...”

I suggest one of the following alternatives:

“...shall have all time spent as a provisional **appointee** credited...”

Or

“...shall have all time spent **in** a provisional appointment credited...”

This would be consistent with our use of “appointee” to refer to the person in current version of the Rule.

Best Regards,
