NassauSup CCP 8:49

So, so just a quick conversation about what happens next.

The only order of business tonight is the selection of the Commissioner of Jurors.

I'd like to what I my thought was that because there's a possibility that we do not get a majority vote, that we talked about eventualities in the event that we don't get the majority vote very quickly and also about perhaps I want to mention have a quick

discussion, quick discussion of the candidates.

And that would require us to go into executive session.

Anybody have any objection to that?

Somebody make a motion to go into executive session so

we can discuss the candidates, discuss the eventualities and the event that we not meet and not get a majority, Judge Berkowitz?

Hon. Norman St. George 9:36

Moved.

NassauSup CCP 9:38

Everybody approves it.

Thank you everybody.

That's unanimous.

I'm gonna ask everybody who's not a member of the jury board to step out for a few minutes.
