AFFIDAVIT

and

ATTORNEYS IN VIOLATION OF JUDICIARY LAW §468-a,

Respondent.

STATE OF NEW YORK)
COUNTY OF NEW YORK)ss:

Samuel H. Younger, being duly sworn, deposes and says:

1. I am Chief Management Analyst for the Office of Court Administration Attorney Registration Unit ("OCA"), and I am responsible for attorney registration. This responsibility includes supervising the mailing of the biennial registration form to every attorney registered in the State of New York.

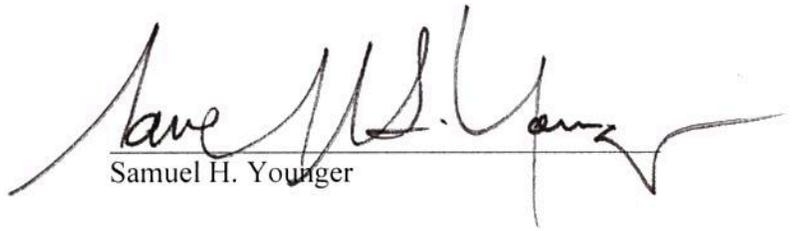

2. If OCA fails to receive a response to the biennial form, I supervise the mailing of a second notice to the attorney's business address requesting registration compliance and, when necessary, the mailing of a third and final notice to the attorney's home address directing the attorney to register if he or she has failed to do so. All OCA registration mailings are sent to the last address provided to the OCA by the attorney.

3. I supervised the compilation of a list of attorneys ("list") who are delinquent and last failed to register for the biennial registration periods 2014-2015 or 2015-2016, and who either (1) have a principal place of business within the Third Judicial Department, as noted in their OCA registration form, or if no business address is given, have a home address in the Third Judicial Department, or (2) have failed to note a New York State address on their OCA form but, were admitted in the Third Judicial Department.

4. OCA notified these attorneys of their failure to register by mailing an initial biennial registration form to the last home address provided by the attorneys followed by two subsequent notices demanding registration compliance. The second notices were mailed to the attorneys' business addresses and the third and final notice to the attorneys' home addresses, as provided by the attorneys.

5. A copy of that list was forwarded to the Attorney Grievance Committee for the Third Judicial Department in 2018.

6. Approximately 2700 attorneys who are on said list remain unregistered according to the OCA records.
