AGREEMENT

Agreement made by and between the State of New York-Unified Court System (hereafter referred to as “State” or “Unified Court System”) and The Civil Service Employees Association, Inc., Local 1000, AFSCME (AFL-CIO) (hereafter referred to as “Union”).

The term “employees” shall hereafter refer to employees within the State Judiciary negotiating unit as defined in Article 1 of this Agreement.

ARTICLE 1

RECOGNITION

1.1 The State, pursuant to Article 14 of the Civil Service Law (Public Employees' Fair Employment Act), hereby acknowledges that it recognizes the Union as the exclusive negotiating representative for collective negotiations with respect to salaries, wages, hours and other terms and conditions of employment for all full-time and part-time employees in a single negotiating unit consisting of:

All employees in Judicial Districts Three through Eight, except those employees who have been designated as managerial or confidential pursuant to law; and all employees who served in State-paid nonjudicial positions in the Unified Court System prior to April 1, 1977 and all employees who were paid by the County of Orange, the County of Dutchess, the County of Putnam, the City of Port Jervis, the City of New Rochelle, the City of Newburgh, the City of Middletown, the City of Poughkeepsie, the City of Mount Vernon, the City of Peekskill, the City of Beacon, the City of Rye, the City of Glen Cove and the City of Long Beach, and similar positions or titles thereafter created, except those employees who have been, or hereafter are, designated managerial or confidential pursuant to law; whose job titles or positions are set forth in Appendix A.

ARTICLE 2

A. STATEMENT OF POLICY AND PURPOSE

2.1 It is the policy of the State to continue harmonious and cooperative relationships with its employees and to ensure the orderly and uninterrupted operations of government. This policy is effectuated by the provisions of the Public Employees' Fair Employment Act granting public employees the rights of organization and collective representation concerning the determination of the terms and conditions of their employment.

2.2 The State and the Union now desire to enter into an agreement reached through collective negotiations which will have for its purposes, among others, the following:

2.2(a) To recognize the legitimate interests of the employees of the State to participate through collective negotiations in the determination of the terms and conditions of their employment.

2.2(b) To promote fair and reasonable working conditions.

2.2(c) To promote individual efficiency and service to the citizens of the State.

2.2(d) To avoid interruption or interference with the efficient operations of the State's business.

2.2(e) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE 3

UNCHALLENGED REPRESENTATION

The State and the Union agree, pursuant to Section 208 of the Civil Service Law, that the Union shall have unchallenged representation status for the maximum period permitted by law on the date of execution of this Agreement.

ARTICLE 4

EMPLOYEE ORGANIZATION RIGHTS

4.1 Exclusive Right to Negotiate. The Union shall have the exclusive right to negotiate with respect to salaries, wages, hours and other terms and conditions of employment on behalf of those employees it represents under this Agreement and the State shall not negotiate or meet with any other employee organization with reference to terms and conditions of employment of employees represented by the Union under this Agreement.

4.2 Payroll Deduction. The Union shall have exclusive payroll deduction of membership dues and insurance premiums with this privilege accorded to no other employee organization. Payroll deductions shall also be provided without service charge for savings and loans to credit unions as authorized in writing by an employee and in accordance with the Rules of the Comptroller. Further, to the extent allowed by law, payroll deductions shall also be provided without service charge for approved Individual Retirement Accounts, Deferred Compensation Programs and the P.E.O.P.L.E. Program, as authorized in writing by an employee and in accordance with the Rules of the Comptroller.

4.3 Bulletin Boards.

4.3(a) The State shall provide a reasonable amount of exclusive bulletin board space in an accessible place in each area occupied by a substantial number of employees for the purpose of posting bulletins, notices and material issued by the Union, which shall be signed by a designated official of the Union. In addition, the State shall provide a reasonable amount of space in accessible locations where the Union may place its own exclusive bulletin boards at no cost to the State. No material shall be posted which is defamatory of the State or its representatives, or which constitutes election campaign material for or against any person, organization or faction thereof. Until such time as a bona fide representation petition has been filed with the Public Employment Relations Board ("PERB"), no other employee organization except employee organizations which have been certified or recognized as the representative for collective negotiations for other State employees employed at such locations, shall have the right to post material upon State bulletin boards.

4.3(b) The number and location of bulletin boards as well as arrangements with reference to placing material thereon and removing material therefrom, shall be subject to mutual understandings, provided, however, that any material objected to by the State shall be removed, which removal may be contested pursuant to the contract grievance procedure provided for herein.

4.4 Meeting Space. Where there is appropriate available meeting space in buildings owned, leased or used by the State, the Union will be accorded the privilege of using such space for specific meetings, subject to the consent of the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, provided, that there is no extraordinary expense incurred by the State in the furnishing of such space, and written or verbal request for the use of such space is made in advance to the appropriate approving authority as set forth above.

4.5 Access to Employees. The Union shall, on an exclusive basis, have access during working hours to employees it represents, to consult regarding membership services and programs under mutually developed arrangements with the consent of the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts. Any such arrangements shall ensure that such access shall not interfere with work duties or performance and shall be reasonably controlled.

4.6 Employee Lists. The State shall furnish to the Union, without charge, upon written request, but not more than quarterly, information showing the name, home address, negotiating unit designation, social security number, payroll agency, title, salary and work location, if and when available, of all employees covered by this Agreement. The State shall provide to the Union a monthly list of new employee names and work locations.

4.7 Employee Organization Leave. Employee organization leave (“EOL”) is excused leave from work time for authorized Union business for purposes set forth below, subject to the reasonable operating needs of the court or court-related agency:

4.7(a) The Union shall designate at least quarterly, in writing, those employees who are authorized to take EOL. The Deputy Director for Labor Relations shall maintain a list of those employees who are authorized to use EOL and maintain the EOL balance of hours.

4.7(b) Individuals duly designated by the Union shall be permitted to perform the following functions subject to the reasonable operating needs of the court or court-related agency without loss of pay or other employee benefits, except as limited by Section 4.7(d):

4.7(b)(1) To investigate grievances, assist in their early resolution, and to process them at all levels of the grievance procedure.

4.7(b)(2) To participate in meetings of the Labor/Management Committee.

4.7(b)(3) To meet or confer with the Chief Administrative Judge’s designee or any of his/her representatives on matters affecting labor-management relations, where such meetings or conferences have been previously approved by the Chief Administrative Judge or his/her designee.

4.7(b)(4) To negotiate, prepare for negotiations, or confer with the Deputy Director for Labor Relations or his/her representative, and to participate in fact-finding or other collective bargaining impasse procedures.

4.7(b)(5) To confer with and/or appear before PERB, Department of Audit and Control, New York State Employees Retirement System, and the Civil Service Commission on matters which may have any effect on labor-management relations.

4.7(b)(6) To confer with and/or appear before any Federal wage regulatory agency or Occupational Health and Safety Commission.

4.7(b)(7) To attend award, honor, graduating and promotional ceremonies as employee representatives, provided that no more than ten workdays in any calendar year are used for such purposes.

4.7(b)(8) To attend funerals and memorial services for employees who are killed in the line of duty (officers of the Union and an honor guard and such others as the Deputy Director for Labor Relations may approve).

4.7(b)(9) To engage in any other activity which may be approved by the Deputy Director for Labor Relations consistent with the conduct of labor-management relations.

4.7(b)(10) To attend meetings as a trustee of the Union Employee Benefit Fund, up to four such meetings per year.

4.7(b)(11) CSEA delegates, State employee members of its Board of Directors required by CSEA bylaws to be present at delegate meetings, Sergeants-at-Arms and assistants, members of its Resolutions, Social and Credentials Committees, shall be granted EOL for delegate meetings, workshops, training programs and Judiciary workshops, including reasonable travel time for all such meetings. Under special circumstances and upon advance request, additional EOL for additional meetings may be granted by the Deputy Director for Labor Relations.

4.7(b)(12) Each State employee member of CSEA's State Executive Committee or Board of Directors shall be granted a reasonable amount of EOL for time actually spent at meetings of such board and its committees or State Executive Committee up to a maximum of ten days for each year of the term of this Agreement plus travel time. Eleven CSEA representatives will be granted leave to meet in Executive Council.

4.7(b)(13) No more than ten State employee members of CSEA standing, ad hoc and special committees shall be granted a reasonable amount of EOL for time actually spent at meetings of such committees, plus travel time, for the term of this Agreement. The grant of such leave shall be subject to the reasonable operating needs of the unit. The Deputy Director for Labor Relations and the Union or their designees, shall determine annually the committees which will be operative for the forthcoming year and therefore eligible for leave in accordance with this paragraph.

4.7(b)(14) Conferences with counsel to prepare for trial or a hearing or attendance as a witness in an action commenced by or against the Union concerning a claimed violation of the interpretation of this Agreement or a reclassification of employees.

4.7(b)(15) Up to fifteen State employees shall be granted a reasonable amount of EOL for the biennial AFSCME convention.

4.7(b)(16) Subject to the reasonable operating needs of the court or court-related agency, the Union shall be granted one hour to meet with new employees, within the first six months of being placed in the bargaining unit, during working hours, to explain Union services, programs and benefits.

4.7(c) Individuals duly designated by the Union shall be granted leave without pay to perform the following function: to attend Welfare Trustee Conferences offered by a recognized foundation, up to a maximum of two conferences per year per trustee.

4.7(d) Individuals duly designated and authorized in writing by the Union shall be granted EOL for time actually spent performing appropriate employee relations functions as specified in Section 4.7(b), provided that such time shall not exceed 4.5 hours per represented employee per year based on the average number of employees in the bargaining unit, computed on a quarterly basis, in the preceding fiscal year and, provided further, that unused time shall be carried over from one fiscal year to the next. If EOL is utilized beyond such amount, the Union shall have 30 days to determine whether to repay such amount to the State in cash as provided below or through a charge to the accrued annual leave credits or compensatory time credits of the employee who was absent from work performing such appropriate employee relations functions. Provided, however, that if an employee does not have sufficient annual leave or compensatory time credits to cover such absence from work, appropriate deductions shall be taken from subsequent paychecks. Provided further, however, that if the Union chooses to reimburse the State in cash for such excess time used, such payment shall be based on the hourly rate of the individual for whom such reimbursement is made including an additional payment of 30% of such rate representing the

value of fringe benefits. Such reimbursement by the Union shall be made within 30 days after the State has notified the Union by certified mail that a deficit exists. If the Union fails to make such cash payment within 30 days and the Union has not notified the State that a dispute exists concerning the amount of EOL due and owing, the State shall make an appropriate deduction from the affected employee's leave credits or subsequent paychecks. The hourly rate shall be determined by dividing an employee's basic annual salary plus any additional compensation payable because of hours of work or location by 1,827. If the Union notifies the State within 30 days that a dispute exists concerning the amount of EOL due and owing, then the Union must simultaneously notify the State whether it chooses to place the disputed amount of cash or leave credits in escrow pending resolution of the dispute by arbitration pursuant to Article 15 of the Agreement. The Union may elect to place a certified check for the full disputed amount in an escrow account which the State selects. If the Union does not make a timely election when it notifies the State within 30 days of notification of the overage of a dispute, the State will automatically freeze the disputed amount of leave credits of affected employees. Such leave credits cannot be used by affected employees while frozen and such leave credits will not be released until there is a final resolution of the dispute. In scheduling the use of EOL time for such appropriate employee relations functions, the State shall use its best efforts to accommodate authorized requests for EOL.

ARTICLE 5

MANAGEMENT RIGHTS

Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the State are retained by it, including but not limited to, the right to determine the mission, purposes, objectives and policies of the State; to determine the facilities, methods, means and number of personnel required for the conduct of State Judiciary programs; to administer the Merit System, including the examination, selection, recruitment, hiring, appraisal, training, retention, promotion, assignment or transfer of employees pursuant to law; to direct, deploy and utilize the work force; to establish specifications for each class of

positions and to classify or reclassify and to allocate or reallocate new or existing positions in accordance with law, and to discipline or discharge employees in accordance with law and the provisions of this Agreement.

ARTICLE 6

NO STRIKES

6.1 The Union shall not engage in a strike, nor cause, instigate, encourage or condone a strike.

6.2 The Union shall exert its best efforts to prevent and terminate any strike.

6.3 Nothing contained in this Agreement shall be construed to limit the rights, remedies or duties of the State or the rights, remedies or duties of the Union or employees under State Law.

ARTICLE 7

COMPENSATION

7.1 The State and the Union shall prepare, secure introduction, and recommend passage by the Legislature of such legislation as may be appropriate and necessary to provide the benefits described in this Article.

7.2 The lag payroll shall continue. Repayment of such lagged salary shall be made when an employee leaves State service. The employee's final salary check shall be paid at the employee's then-current salary rate and shall be issued at the end of the payroll period next following the payroll period in which service is discontinued.

7.3 Performance Evaluation.

7.3(a) The State shall continue to utilize a performance evaluation system for all employees. All annual increments and Longevity Payments shall be conditioned on ratings pursuant to the performance evaluation system as provided herein. The procedures are contained in Appendix B of this Agreement. Such performance evaluation system shall provide for an annual initial and an annual final employee performance review by a supervisor. A mid-year review may also be held for employees who have received a rating that was other than meets job requirements

during the previous rating period. Additional informal reviews are encouraged. No annual increment normally due under Section 37(4) of the Judiciary Law and provided for in this Agreement or Longevity Payment under Section 7.10 shall be released unless an employee receives a final annual rating other than unsatisfactory under the State's performance evaluation system. An employee will receive a copy of the performance evaluation form. An unsatisfactory rating in one year will not be a bar to annual increments or Longevity Payments in future years, if eligible.

7.3(b) A written appeal of an unsatisfactory performance evaluation review shall be made within ten workdays of the receipt of the final performance evaluation form. Such appeal shall be made, on a form acceptable to the State and the Union, to a panel to be composed of one Union representative, one management representative and one third-party neutral to be designated by agreement of the parties. The panel shall review whether the unsatisfactory performance evaluation was a reasonable determination by the supervisor considering the performance evaluation form and the written appeal form. The panel may determine, in its discretion, that additional information, oral argument or witnesses are necessary to make an adequate review. The panel shall determine in writing on an expedited basis whether the unsatisfactory rating shall be sustained or denied. Such decision shall be final and binding and unreviewable in any other forum. The procedure herein shall not apply to probationary employees.

7.4(a) Effective April 1, 2021, or on a different day of the biweekly period for administrative convenience as provided for in Sections 44 and 200(1) of the State Finance Law, each graded employee eligible for an increment pursuant to Section 37 of the Judiciary Law whose performance is rated higher than unsatisfactory, shall receive such increment based on the salary schedule in effect on March 31, 2021, added to basic annual salary. An employee must have served the equivalent of 120 full-workdays in the fiscal year to receive such increment.

7.4(b) Effective April 1, 2021, or on a different day of the biweekly period for administrative convenience as provided for in Section 200(1) of the State Finance Law, the basic

7.6 Each employee who is in active status upon ratification of this agreement, shall receive a one-time lump sum payment of \$3,000 (prorated for employees working less than full time at the time of payment), which shall not be part of basic annual salary but shall be pensionable.

7.7(a) Effective April 1, 2023, or on a different day of the biweekly period for administrative convenience as provided for in Sections 44 and 200(1) of the State Finance Law, each graded employee eligible for an increment pursuant to Section 37 of the Judiciary Law whose performance is rated higher than unsatisfactory, shall receive such increment based on the salary schedule in effect on March 31, 2023, added to basic annual salary. HEALTH INSURANCE

8.1 The State shall continue to provide health and prescription drug benefits administered by the Department of Civil Service. Employees enrolled in such plans shall receive health insurance and prescription drug benefits to the same extent, at the same contribution level, in the same form and with the same co-payment structure that Executive Branch employees represented by CSEA receive such benefits.

ARTICLE 9

TIME AND LEAVE

9.1(a)(1) **Attendance.** The transition to a uniform automated computer-based system for the maintenance and submission of time and attendance records has been completed. While the transition has been completed, nothing herein prevents the Unified Court System from transitioning to a comparable system in the future. The impact of any such transition shall be subject to a demand by the Union for negotiations. A demand by the Union for negotiations shall not, however, serve to delay or otherwise bar transition/implementation.

9.1(a)(2) **Overtime Eligible Employees.** The Kronos system has been configured to register an overtime eligible employee's presence for his/her scheduled shift in the following manner: The system will register a swipe within the scheduled start of an employee's shift to five minutes after and reflect that the employee was present at the start of the shift and between 15 minutes prior to the scheduled start of an employee's shift to the scheduled start of the shift and reflect that the employee was present at the start of the shift. Similarly, a swipe within 15 minutes

preceding the scheduled end of an employee's shift will reflect that the employee worked until the end of his/her shift. This will provide the same flexibility presently available to overtime eligible employees when they are not approved to work overtime and choose to swipe within 15 minutes before and after their shift starts and ends. Specific information captured concerning the time a swipe registers, within the parameters detailed above, will not be used by management as the sole basis for raising a concern about an employee's presence at the beginning or end of the employee's shift.

9.1(a)(3) **Meal Period.** Employees shall not be required to swipe in or out for their meal period during their scheduled shift.

9.1(a)(4) **Appointments During the Employee's Scheduled Shift.** When an employee is excused from work for an appointment and is expected to return to work before the end of his/her shift, the employee shall not be required to swipe out for the appointment or in upon the employee's return to work. This does not impact in any way upon the rules and procedures set forth in Article 9 that set the requirements for use of leave time for appointments during the workday.

9.1(a)(5) **Meal Period and Overtime.** When an employee works overtime on a day the employee is not scheduled to work his/her regular shift, a meal period will not be assumed and automatically deducted. Rather, the employee will be paid for overtime hours worked.

9.1(a)(6) **Overtime Ineligible Employees.** Overtime ineligible employees, as defined in Section 10.3 of this Agreement, shall not be required to swipe for timekeeping purposes.

9.1(b) **Tardiness.**

9.1(b)(1) The Chief Administrative Judge or his/her designee may establish rules and schedules of penalties for tardiness. Such rules and schedules shall be established after consultation with the Union at Labor/Management Committee meetings. Penalties imposed pursuant to such rules and schedules shall not preclude disciplinary action in cases of excessive tardiness.

9.1(b)(2) In the event of public transportation difficulties, traffic difficulties (limited to traffic accidents or hazardous road conditions not related to weather), strikes, severe storms or

floods (including public transportation or traffic difficulties caused by them), or similar uncontrollable conditions affecting employees, tardiness may be excused by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts in the trial courts.

9.1(b)(3) Employees shall charge tardiness to accrued annual leave on a minute-for minute basis; provided, however, that tardiness may be excused as provided in subsection (2) above.

9.1(c) The (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts in the trial courts shall excuse a reasonable amount of tardiness caused by direct emergency duties of duly authorized volunteer firefighters, volunteer ambulance drivers and search and rescue personnel who are members of any certified emergency response team. In such cases, he/she may require the employee to submit satisfactory evidence that the lateness was due to such emergency duties.

9.2 Annual Leave.

9.2(a) **Accruing Annual Leave.** Employees shall be entitled to combined vacation, personal, business and religious holiday leave of 20 days annually and shall be entitled to one additional day for each completed year of continuous service in the Unified Court System up to a maximum of 27 workdays annually. An employee shall not earn annual leave credit for any biweekly pay period unless he/she is in full pay status for at least seven workdays during such biweekly pay period. Annual leave shall be credited on a biweekly basis.

A part-time, per diem or hourly employee eligible to earn annual leave credits pursuant to Section 9.2(g) shall earn annual leave credits as provided herein but his/her total pay when absent on such leave shall be the amount which would have been due him/her if he/she had worked his/her usual number of hours or days during such period.

9.2(b) A leave of absence without pay, or a resignation followed by re-employment in the Unified Court System within one year following such leave of absence or resignation, shall not constitute an interruption of continuous service for the purposes of this section; provided, however, that leave without pay for more than six months or the period between resignation and re-employment, during which the employee is not in the service of the Unified Court System, shall not be counted in determining eligibility for additional annual leave credits under this section.

9.2(c) After the anniversary date on which an employee has been credited with seven days of additional annual leave credits, he/she shall thereafter earn annual leave for completed biweekly pay periods at a rate which will equal 27 days for 26 such pay periods.

9.2(d) **Maximum Accumulation.** No accumulation of annual leave credits in excess of 54 days may be carried over from one fiscal year to the next. Any such accumulation in excess of 54 days at the end of a fiscal year shall be converted into sick leave. The (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts may grant an employee specific permission to exceed the 54-day maximum for a period of no longer than one year where the needs of the court or court-related agency require that the employee postpone his/her vacation.

9.2(e)(i) **Use of Annual Leave.** The time at which annual leave may be drawn by an employee shall be subject to the prior approval of the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts. Notwithstanding the foregoing, employees shall be allowed to charge the equivalent of two (2) days of annual leave for emergency circumstances, per calendar year, which time may be charged in such amounts as may be needed by the employee, i.e., not required to use in full-day increments. Such approval shall not be unreasonably denied.

9.2(e)(ii) Assignment of annual leave, compensatory time, holiday work or flexible time shall be made at the times desired by an employee to the extent practicable in light of the needs of the court or court-related facility involved to provide the services it is charged to provide. In the event that more employees request the same time off than can be reasonably spared for operating reasons, such time off will be granted to such employees who can reasonably be spared in order of seniority. If two or more employees in the same title have the same length of service in the Unified Court System, a conflict in scheduling shall be resolved by lot. Prior service which was credited by the Unified Court System on April 1, 1977 will be used in determining length of service.

9.2(e)(iii) To assist in the scheduling of annual leave, a court or court-related facility may establish, locally, an annual date or dates, period or periods by which or within which an employee must request time off in order to have his/her seniority considered. In no event shall a deadline for filing requests for annual leave be established beyond April 1st of each year.

9.2(e)(iv) The court or court-related facility shall respond, in writing, to all requests for annual leave within 15 workdays of the established date or dates, period or periods, either approving or denying the request. If an employee's properly submitted request for annual leave is denied, the employee will be given the reason for such denial in writing.

9.2(e)(v) Any written request for annual leave submitted after the deadline established for filing requests for annual leave, shall be granted at the discretion of the court or court-related facility, without regard to seniority. The court or court-related facility shall respond, in writing, either approving or denying the written request within 15 workdays.

9.2(f) As far as practicable, annual leave credits shall be used prior to appointment, promotion, reassignment or transfer to a different court or court-related agency. The court or court-related agency to which an employee is appointed, promoted, reassigned or transferred shall credit him/her with all of his/her accumulated annual leave credits not used prior to such appointment, promotion, reassignment or transfer.

9.2(g) **Part-Time Definition.** Employees compensated on a part-time, per diem or hourly basis who are employed at least half time and who are expected by the Chief Administrative Judge to be so employed continuously for nine months without a break in service exceeding one full payroll period shall be eligible to observe holidays and to accrue pro rata annual leave and sick leave subject to the same limitations and restrictions as would apply if they were compensated on an annual salary basis.

9.2(h) An employee who has completed 25 years of Unified Court System or State service shall be entitled to one (1) additional annual leave day each year.

9.2(i) An employee who has completed 30 years of Unified Court System or State service shall be entitled to one (1) additional annual leave day each year, in addition to the one (1) additional annual leave day provided in Section 9.2(h).

9.2(j) Employees entering the service of the Unified Court System shall be entitled to accrue annual leave from their initial date of hire.

9.2(k) **Court Recess.** In the event the State determines that it will recess operations in a particular court or courts for at least four consecutive workdays, it may require employees during such recess to charge up to four days annual leave or compensatory time in each fiscal year.

9.3 Sick Leave.

9.3(a)(i) Sick leave is absence with pay necessitated by the illness or disability of the employee including illness or disability caused by pregnancy or childbirth.

9.3(a)(ii) An employee shall be allowed to charge a maximum of 25 days of sick leave in any one calendar year for absences from work in the event of illness of, or a medical appointment for, the employee's spouse or domestic partner; natural, foster or step: parent, child, or sibling; any relative residing with the employee; or an individual for whom the employee is the primary caregiver. Such leave is subject to notice to the supervisor in accordance with Section 9.3(c) and will be used by the employee to enable the employee to care for a family member as defined herein

during a time of illness or a medical appointment. Sick leave used for this purpose shall be charged separately as part of uniform time and attendance procedures.

9.3(a)(iii) Sick Leave Use During FMLA Caregiver Leave. An employee who submits a WH-380-F form and is approved for leave pursuant to the Family and Medical Leave Act (“FMLA”) may charge approved FMLA caregiver absences during the FMLA period to accumulated sick leave using the UCS-48 Leave Form. Sick leave charged during the FMLA period shall not be counted towards the 25 days set forth in Section 9.3(a)(iii), i.e., these 25 “family sick leave” days remain available for the employee’s use before and/or after the FMLA period.

9.3(b)(1) Accruing Sick Leave. Employees shall earn sick leave credits at the rate of one-half day per biweekly pay period. An employee shall not earn sick leave credit for any biweekly pay period unless he/she is in full-pay status for at least seven (7) workdays during such biweekly pay period. A part-time, per diem or hourly employee eligible to earn sick leave credits pursuant to Section 9.2(g) shall earn sick leave credits as provided herein, but his/her total pay when absent on such leave shall be the amount which would have been due him/her if he/she had worked his/her usual number of hours or days during such period.

9.3(b)(2) Use of Sick Leave Accruals for Retirement. No more than 200 days of sick leave credits may be used for retirement service credit and for health insurance in retirement unless a greater benefit is provided by law, UCS rule or UCS regulation.

9.3(c) Call-In Procedures. An employee absent on sick leave shall notify his/her supervisor, or the supervisor's designee if appointed, of such absence and the reason therefor on the day of such absence and within sixty minutes after the beginning of his/her workday; provided, however, that where the work is such that a substitute may be required, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, may require earlier notification, but not earlier than two hours prior to the beginning of the employee's workday.

9.3(d) **Proof of Illness.** Before absence for personal illness may be charged against accumulated sick leave credits, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, may require such proof of illness as may be satisfactory to him/her or may require the employee to be examined, at the expense of the State, by a physician designated by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, provided, however, the State shall not routinely require proof of illness for absences of three days or less. In the event of failure to submit proof of illness upon request, or in the event that, upon such proof as is submitted or upon the report of medical examination, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, finds that there is not satisfactory evidence of illness sufficient to justify the employee's absence from the performance of his/her duties, such absence may be considered as unauthorized leave and shall not be charged against accumulated sick leave credits. Abuse of sick leave shall be cause for disciplinary action.

9.3(e) **Returning to Work.** The (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, may require an employee who has been absent because of personal illness, as a condition of his/her return to duty, to submit the Health Care Provider Certification for Employee's Return to Work form, and any other forms currently in use (Estimated Capabilities Form and Duties Assessment Form for Court Officers) prior to the employee's return to work to establish that the employee is not disabled from the performance of the employee's normal duties

and that the employee's return to duty will not jeopardize the health of other employees. If the medical reports provided by the employee are deemed insufficient, the employee will be notified within five workdays and asked to provide additional medical. If the employee does not provide additional medical or the medical provided is deemed insufficient, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, will make a determination within five work days from the date of receipt of the additional medical as to whether the employee will be examined, at the expense of the State, by a physician designated by the State, to establish if the employee is able to perform his/her normal duties and if the employee's return to duty will not jeopardize the health of other employees. The examination shall be scheduled within twenty workdays after a determination is made by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, to send the employee to be examined by a State physician. If it is determined that the employee needs to be examined by a specialist including a psychiatrist, this examination shall be scheduled within twenty workdays from the date the employee is examined by the State physician. A failure by the State to meet the time frames provided in this Section shall not be deemed as authorizing an employee to return to work.

9.3(f) Sick Leave for Doctor's Appointments. In addition to personal illness of an employee, personal visits to a doctor or dentist, or other medical practitioner by the employee when approved by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, may be charged against accumulated sick leave credits. Proof of such visit for such

absence, satisfactory to the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts may be required.

9.3(g) Transfers and Reinstatements. When an employee is transferred or reassigned, his/her accumulated sick leave credits shall be transferred with him/her. When an employee is separated from service, for other than disciplinary reasons, and is subsequently reinstated or reemployed within one year after such separation or is reinstated by action of the Chief Administrative Judge or is reinstated or reemployed while eligible for reinstatement from a preferred list, his/her sick leave credits accumulated and unused at the time of his/her separation shall be restored.

9.3(h) Incapacitated Employees.

9.3(h)(1) When there is reason to believe that an employee to whom the disciplinary procedures of this Agreement apply is physically and/or mentally disabled from performing the duties of his/her position, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, may require such employee to undergo a physical and/or psychiatric examination at the expense of the State, to be conducted by a medical officer selected by the Chief Administrative Judge or his/her designee, to establish whether he/she is able to perform the full duties of his/her position and/or whether his/her continued presence on the job will jeopardize the health and safety of himself/herself or other employees.

9.3(h)(2) Where the continued presence of an employee on the job represents a potential danger to persons or property or would significantly interfere with operations, the appropriate the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge

(Courts Within and Outside New York City) in the trial courts and the Court of Claims, may place such employee on an involuntary leave of absence immediately, provided, however, that the employee shall be entitled to draw all accumulated and unused sick leave, annual leave, compensatory time, overtime credits and other time allowances standing to his/her credit. If such employee is finally determined to be physically and mentally fit to perform the duties of his/her position, he/she shall be restored to his/her position and shall have any leave credits or salary that he/she may have lost because of such involuntary leave of absence restored to him/her, less any compensation he/she may have earned in other employment or occupation and any unemployment benefits he/she may have received during such period.

9.3(h)(3) An employee who is temporarily disabled from performing the full duties of his/her position may, as far as practicable, be assigned to in-title and related duties in the same title during the period of the employee's disability. If a suitable position is not available, the State may offer the employee any available opportunity for appointment to another title for which the employee is qualified pursuant to applicable rules of the Chief Administrative Judge. If no suitable position is available, and there is no offer of appointment to another title, or the employee refuses such offer, such employee shall be placed on leave and allowed to draw all accumulated and unused sick leave, annual leave, compensatory time, overtime credits and other time allowances standing to his/her credit prior to being placed on leave without pay. An employee who chooses to draw his/her accumulated leave credits under this Section shall cease to earn and accrue sick and annual leave credits during that period. An employee placed on leave pursuant to this subsection who is not reinstated within one year after the date of commencement of such leave, may be terminated by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, and his/her position may be filled by a permanent appointment.

9.3(h)(4) When an employee who is not permanently incapacitated from performing the duties of his/her position has been absent from and unable to perform the duties of his/her position by reason of sickness or disability either for a consecutive period of one year or more or for a cumulative total of 250 workdays or more within a period of 24 consecutive calendar months and who reasonably cannot be expected to be able to resume performing his/her duties on a full-time basis shortly thereafter, his/her employment status may be terminated by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims and his/her position may be filled by a permanent appointment.

9.3(h)(5) This Section shall not be construed to require the extension of any employment beyond the time at which it would otherwise terminate by operation of law, rule or regulation.

9.3(h)(6)(a) Absent exceptional circumstances, prior to being placed on leave pursuant to Section 9.3(h)(2) or 9.3(h)(3) or terminated pursuant to Section 9.3(h)(4), or, under exceptional circumstances, as soon thereafter as reasonably possible, an employee shall be provided with written notice thereof, including written notice of the facts relied on therefor and written notice of the employee's right to appeal the determination and of the procedures for perfecting such appeal. Such notice shall be served in person or by first class, registered or certified mail, return receipt requested, upon the employee. If such person elects to appeal, he/she shall file a written request for a hearing with the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, within ten workdays from service of the notice of the determination to be reviewed. The request for such hearing shall be filed by the employee personally or by first class, certified or registered mail, return receipt requested.

9.3(h)(6)(b) Upon receipt of such request, the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, shall supply to the employee or his/her personal physician or authorized representative, copies of all diagnoses, test results, observations and other data supporting the determination, and imposition of the leave or termination shall be held in abeyance until a final determination is made by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, as provided in Section 9.3(h)(6)(c).

9.3(h)(6)(c) A hearing shall be held by a hearing officer designated for that purpose by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims. The hearing officer shall be vested with all the powers of the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, and shall make a record of the hearing which shall, with his/her recommendation, be referred to the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, for review and decision and which shall be provided to the employee free of charge. The employee shall, upon request, receive a copy of the transcript of the hearing without charge. The employee may be represented at the hearing by counsel or a representative of the Union and may present medical experts and other witnesses or evidence. The burden of proving mental or physical unfitness shall be upon the State. Compliance with technical

rules of evidence shall not be required. The: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, will render a final determination and may either uphold the original notice of leave of absence, withdraw such notice or modify the notice as appropriate. A final determination of an employee's request for review shall contain notice to the employee of his/her right to appeal from such determination and of the procedures for perfecting such appeal.

9.3(h)(6)(d) If such person elects to appeal, he/she shall make application to the Chief Administrative Judge. Such employee shall be afforded an opportunity to present facts and arguments, including medical evidence, in support of his/her position at a time and place and in such manner as may be prescribed by the Chief Administrative Judge. The reviewing authority shall make his/her determination on the basis of the medical records and such facts and arguments as are presented.

9.3(h)(7) An employee on leave pursuant to Section 9.3(h)(2) or 9.3(h)(3) may, within one year of the commencement of such leave, make application to the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, for a medical examination to be conducted by a medical officer selected for that purpose by the Chief Administrative Judge or his/her designee. An employee whose employment status has been terminated pursuant to Section 9.3(h)(3) or 9.3(h)(4), may, within one year after the termination of his/her disability, make application to the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, for a medical examination to be conducted by a medical officer selected for that purpose by the Chief Administrative Judge or his/her designee. If, upon such medical examination, the

medical officer shall certify that such person is physically and mentally fit to perform the duties of his/her former position, he/she shall be reinstated to the former position, if vacant, or to a vacancy in a similar position or a position in a lower title in the same occupational field in his/her former promotion unit. If no appropriate vacancy shall exist to which such reinstatement may be made, or if the workload does not warrant the filling of such vacancy, the name of such person shall be placed on a preferred list for his/her former position in his/her former promotion unit, and he/she shall be eligible for reinstatement in such former promotion unit from such preferred list for a period of four years. In the event that such person is reinstated in a position in a title lower than that of his/her former position, his/her name shall be placed on the preferred eligible list for the former position or any similar position in such former promotion unit.

9.3(h)(8) This Section shall not be deemed to modify or supersede any other provisions of law applicable to the reemployment of persons retired from the public service on account of disability.

9.3(h)(9) Notwithstanding any other provision of this Agreement, when an employee's disability permanently incapacitates him/her from performing the duties of his/her position, his/her employment status may be terminated, and his/her position may be filled by a permanent appointment. Such employees shall be entitled to due process and hearing as enumerated in Section 9.3(h).

9.3(i) **Sick Leave Bank.** The Sick Leave Bank in existence shall continue unless otherwise mutually agreed to by the parties.

9.3(j) **Sick Leave: Verified Illness.** Charges to an employee's annual leave shall be changed to a charge to sick leave during a period of verified hospitalization. An employee may request that a charge to annual leave be changed to a charge to sick leave during a period of documented verified illness. Such request shall be submitted to the Deputy Director for Labor Relations or his/her designee for final determination.

9.3(k) **Use of Accruals at Half-Time During FMLA Leaves.** During a non-discretionary leave pursuant to the FMLA for their own serious health condition, employees may charge their leave accruals at the half-time rate. During a caregiver leave pursuant to the FMLA, employees may charge their sick leave accruals at the half-time rate.

9.4 Workers' Compensation Leave.

9.4(I) Non-Uniformed Personnel and Uniformed Personnel Who Incur Non-Line-of-Duty Injury/Illness

9.4(I)(1)(a) Employees necessarily absent from duty because of an occupational injury, disease or condition as defined in the Workers' Compensation Law, shall be eligible for a Workers' Compensation Benefit as provided in this Article. Determinations of the Workers' Compensation Board regarding compensability of claims shall be binding upon the parties.

9.4(I)(1)(b) A workers' compensation injury shall mean any occupational injury, disease or condition found compensable as defined in the Workers' Compensation Law.

9.4(I)(2)(a) An employee who suffers a compensable occupational injury shall, upon completion of a ten-workday waiting period, be placed on a leave of absence without pay for all absences necessitated by such injury and shall receive the benefit provided by the Workers' Compensation Law except as set forth in this Article.

9.4(I)(2)(b) An employee necessarily absent for less than a full day in connection with a workers' compensation injury as defined in 9.4(I)(1)(b) due to therapy, a doctor's appointment, or other required continuing treatment, may charge accrued leave for said absences.

9.4(I)(2)(c) The State will make previously authorized payroll deductions for periods the employee is in pay status receiving salary sufficient to permit such deductions. The employee is responsible for making payment for any such deductions during periods of leave without pay, such as those provided in 9.4(I)(2)(a) above.

9.4(I)(3) An employee required to serve a waiting period pursuant to subsection (I)(2)(a) above shall have the option of using accrued leave credits or being placed on leave without pay. Where an employee charged credits, upon receipt of documentation from the State Insurance Fund

issuing a credit to the State for the time charged, the employee shall be entitled to restoration of credits charged proportional to the net monetary award credited to the State by the Workers' Compensation Board.

9.4(I)(4) When annual leave credits are restored pursuant to this Article and such restoration causes the total annual leave credits to exceed 54 days, a period of one year from the date of the return of the credits or the date of return to work, whichever is later, is allowed to reduce the total accumulation to 54 days.

9.4(I)(5) An employee receiving workers' compensation payments for a period of disability found compensable by the Workers' Compensation Board shall be treated as though on the payroll for the length of the disability not to exceed 12 months per injury for the sole purposes of accruing seniority, continuous service, health insurance, Employee Benefit Fund contributions normally made by the State, and accrual of annual and sick leave and eligibility for the uniform and equipment allowance. Additionally, such employee shall be treated as though on payroll for the period of disability not to exceed 12 months per injury for the purposes of retirement credit and contributions normally made by the State and/or the employee.

9.4(I)(6)(a) Where an employee's workers' compensation claim is controverted by the State Insurance Fund upon the ground that the disability did not arise out of or in the course of employment, the employee may utilize leave credits pending a determination by the Workers' Compensation Board.

9.4(I)(6)(b) If the employee's controverted or contested claim is decided in the employee's favor, any leave credits charged shall be restored proportional to the net monetary award credited to the State by the Workers' Compensation Board.

9.4(I)(6)(c) If the employee was in leave without pay status pending determination of a controverted or contested claim, and the claim is decided in the employee's favor, the employee shall receive the benefits in Paragraph 9.4(I)(5) for the period covered by the award not to exceed 12 months per injury.

9.4(I)(6)(d) Where a claim for workers' compensation is controverted or contested by the State Insurance Fund, the parties will abide by the determination of the Workers' Compensation Board.

9.4(I)(7)(a) If the date of the disabling incident is prior to April 1, 1986, the benefits available shall be as provided in the 1982-85 State/Union Agreement.

9.4(I)(7)(b) If the date of the disabling incident is on or after April 1, 1986, and prior to September 10, 1992, the benefits available shall be as provided in the 1988-91 State/Union Agreement.

9.4(I)(7)(c) If the date of the disabling incident is on or after September 10, 1992, the benefits available shall be as provided herein.

9.4(I)(8)(a) **Mandatory Alternate Duty.** The parties agree to develop, as soon as possible, a mandatory alternate duty policy for employees who request or are directed to return to work after suffering an occupational injury or disease. The mandatory alternate duty policy will allow management to recall an employee to duty and will allow an eligible employee to request to return to duty subject to the eligibility criteria in the policy. The basic tenets of the mandatory policy shall include but not be limited to the following:

9.4(I)(8)(a)(1) An employee's level of disability must be classified as 50 percent or less disabled by the State Insurance Fund.

9.4(I)(8)(a)(2) Mandatory alternate duty assignments shall be based upon medical documentation satisfactory to management. Such satisfactory documentation must include a prognosis of a return to the full duties of the injured worker's original job within 45 calendar days from the date upon which the alternate duty assignment begins.

9.4(I)(8)(a)(3) Management shall have the authority to make mandatory alternate duty assignments to tasks that can be performed by the employee not necessarily within their original job duties, title series, work schedule, work location or workweek.

9.4(I)(8)(a)(4) Mandatory alternate duty assignments shall be for a period up to 45 calendar days per injury. Such assignment may be extended at management's discretion not to exceed the term of the disability.

9.4(I)(8)(a)(5) When an employee's mandatory alternate duty assignment expires or is terminated, such employee shall either be returned to full duty status or returned to being covered by the provisions of the Workers' Compensation statute.

9.4(I)(8)(a)(6) If the above conditions are met and if management is not able to provide the eligible employee with such alternate duty assignment, that employee's compensation shall be adjusted to equal the employee's "100 percent disabled" statutory benefit for the period the employee qualified for an alternate duty assignment based on medical documentation, described in 9.4(I)(8)(a)(2) above, for up to 45 calendar days.

9.4(I)(9)(a) The State and Union shall establish a committee whose purpose shall include but not be limited to reviewing and making recommendations on the following: (1) the effects of the implementation and administration of the workers' compensation statutory benefit, including resulting savings and costs associated with it; (2) the implementation of the mandatory alternate duty program; (3) the accident and injury data focusing on incidence of injuries or accidents in order to develop prevention strategies and means to reduce and/or eliminate the risk of on the job injury.

9.4(I)(9)(b) With respect to the issue of costs or savings mentioned above, the committee shall report its findings on or before October 1, 1998.

9.4(I)(10) The State retains all its managerial rights to monitor all workers' compensation claims.

9.4(II) Uniformed Personnel Injured In The Line of Duty

9.4(II)(a) A uniformed employee necessarily absent from work because of an occupational injury or disease as defined under the Workers' Compensation Law, and incurred in the line of duty, shall be granted leave from his/her position for the period of absence necessitated by such

injury in accordance with the provisions of this Section. For purposes of this Section, a line of duty injury: shall include any injury caused by an accident while driving a motor vehicle in the course of providing judicial protection; while providing courier service or while making bank deposits; incurred through the administration of Naloxone (Narcan); incurred through an assault to the employee; suffered by the employee while guarding a prisoner, including, but not limited to, an injury suffered by the employee while transporting a prisoner; incurred while in the pursuit of a criminal; incurred in the course of training, including but not limited to firearms training, training at the Court Officers Academy or in the course of other training, practice at the firing range and OC, baton training; incurred while coming to the aid of an employee or member of the public; incurred in response to an emergency; or an occupational disease that is contracted arising out of contact with a defendant. Notwithstanding the above, a line of duty injury shall not include injuries incurred by a New York State Court Officer-Trainee in the Court Officers Academy for recruit training unless the injury is the result of a firearms discharge at firearms training or as a result of defensive tactics training.

9.4(II)(b) An employee absent on leave under this Section must remain at home and be within telephone communication of the Deputy Director for Labor Relations or his/her designee. If, for any reason, the employee must be away from home, he/she must leave a forwarding telephone number and location with the Deputy Director for Labor Relations or his/her designee.

9.4(II)(c) In the event that leave pursuant to this Section is denied, the State shall provide a statement in writing of the reasons for such denial. Leave under this Section may be withheld or terminated if:

9.4(II)(c)(1) the employee's claim for benefits under the Workers' Compensation Law is controverted by the State Insurance Fund (at the request of the State or on the initiative of the State Insurance Fund). If final determination of the controverted claim is in favor of the employee, eligibility for leave shall be determined as provided in Section 9.4(II) for all absences necessitated by the occupational injury or disease;

9.4(II)(c)(2) the Workers' Compensation Board determines that the disability resulting from such injury or disease is not compensable;

9.4(II)(c)(3) there is good and sufficient reason to believe that the employee could report for work on a full-time or part-time basis;

9.4(II)(c)(4) the employee has not submitted satisfactory medical documentation of the claimed disability upon request;

9.4(II)(c)(5) the employee fails or refuses to submit to a medical examination conducted by a physician selected by the State and at the expense of the State;

9.4(II)(c)(6) the employee fails or refuses to submit a timely request for such leave;

9.4(II)(c)(7) it is determined that the employee is employed on a full or part time basis outside the Unified Court System;

9.4(II)(c)(8) the employee failed to obtain prior permission during his/her regular hours of work to leave his/her home while on workers' compensation leave;

9.4(II)(c)(9) the State in its discretion determines that an employee should return to work on a light-duty basis even if a doctor determines that the employee is medically disabled; or,

9.4(II)(c)(10) the employee's services would have terminated or ceased under law, rule or regulation.

9.4(II)(d) An employee who is granted leave under this Section shall be allowed leave at full pay without charge to leave credits for a period not to exceed six months for each separate injury or disease; provided, however, that the cumulative total of leave shall not exceed the number of hours normally and regularly worked by the employee during the six-month period.

9.4(II)(e) The workers' compensation leave may be extended for an additional six months upon a determination by a State Insurance Fund physician or a consulting State physician that such employee is not permanently disabled and will be able to return to duty within the additional leave period.

9.4(II)(f) Should the employee's disability continue beyond 12 months, and a determination is made by a State Insurance Fund physician or consulting State physician, or a State-selected physician, that the employee is not permanently disabled and will be able to return to work within the additional leave period, the employee will be granted leave under this Section for a period not to exceed an additional six months.

9.4(II)(g) The Deputy Director for Labor Relations or his/her designee may, at approximately the 10th month of utilization of workers' compensation leave, have an employee examined by a State Insurance Fund physician or consulting physician, or State-selected physician, to determine if the employee is permanently incapacitated from performing his/her duties as a uniformed employee. If it is determined that the employee is permanently incapacitated, the Deputy Director for Labor Relations or his/her designee will notify the employee by certified mail, return receipt requested with a copy to the Union, encouraging him/her to file for disability retirement or any other retirement that may be available prior to the 12th month of such workers' compensation leave. Such notice shall indicate that should the employee choose not to file for disability retirement by the end of the 12th month of such leave, he/she shall not be eligible for the additional leave provided under Section 9.4(II)(i).

9.4(II)(h) If, at any time, it is determined through medical examination that the injury or disease incurred by the employee is of such nature as to incapacitate the employee from the full performance of duties either permanently or for the duration of the period for which workers' compensation leave can be granted, the Deputy Director for Labor Relations or his/her designee will notify the employee by certified mail, return receipt requested with a copy to the Union, encouraging him/her to file for disability retirement prior to the 12th month of such workers' compensation leave. Such notice shall indicate that should the employee choose not to file for disability retirement by the end of the 12th month of such leave, he/she shall not be eligible for the additional leave provided under Section 9.4(II)(i).

9.4(II)(i) If an employee has applied for disability retirement under subsections (II)(g) or (II)(h), and exhausts eligibility for workers' compensation leave under this Section prior to a determination regarding the application for disability retirement, leave under this Section shall be granted for up to an additional six months.

9.4(II)(j) If it is subsequently determined that an employee was not entitled to workers' compensation leave with pay without charge to leave credits, for any period for which such employee was granted such leave as provided in this Section, the employee shall be required to make reimbursement for such paid leave from current or subsequent accumulations of leave credits at a rate and in a manner to be determined by the Deputy Director for Labor Relations or his/her designee.

9.4(II)(k) In order to enable the State to make such determinations as are authorized or required under this Section, the Deputy Director for Labor Relations or his/her designee may, at any time, require an employee to provide medical documentation of the disability satisfactory to him/her or to be examined at the expense of the State by a physician designated by the Deputy Director for Labor Relations or his/her designee.

9.4(II)(l) This Section shall not be construed to require extension of any employment beyond the time at which it would otherwise terminate by operation of law, rule or regulation or to require the granting of any leave benefits provided herein solely because of determinations made by the Workers' Compensation Board.

9.4(II)(m) Provided, however, that nothing contained in this Article shall prevent the State from requiring an employee to return to work upon a determination by a State-selected physician that the employee is medically able to return to work.

9.4(II)(n) Upon expiration of the benefits contained in Section 9.4, employees may apply for benefits under Section 9.3(i) of this Agreement.

9.4(II)(o) Workers' Compensation Leave—Assaultive Circumstances. The State shall grant leave pursuant to Section 9.4(II) to non-uniformed employees who are assaulted and injured

in line-of-duty incidents, as defined in Section 9.4(II)(a), and who otherwise qualify for workers' compensation benefits.

9.4(III) NYS Court Officer-Trainee: Absence During Traineeship.

Up to a maximum of 60 workdays of absences attributable to an authorized line of duty injury under Section 9.4(II) shall be forgiven during the two-year period required to qualify for promotion to NYS Court Officer, (JG-19).

9.4(IV) Death Benefit (Performance of Duty).

If an employee dies during the term of this Agreement because of an injury arising out of and in the course of the employee's employment, through no fault of the employee and in the proper performance of his/her duties, a \$100,000 death benefit will be made to the employee's estate from funds other than those provided by the Retirement System and will be in addition to any other payment that the employee may be entitled to as a result of such death.

9.5 Other Leaves With Pay.

9.5(a) Leave for Subpoenaed Appearance and Jury Attendance. Upon application to the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, together with proof satisfactory to the State of the necessity of each day's absence from work, an employee shall be granted a leave of absence with pay for documented absences resulting from jury service or appearance as a witness pursuant to subpoena or other order of a court or body. Provided, however, that this Section shall not apply to any absence by an employee occasioned by such an appearance where the employee, or his/her relative as defined in paragraph (g) of this subdivision, has a personal interest in the underlying action or proceeding; nor shall this Section apply to any absence by an employee who receives a fee for testifying as an expert witness. Employees who are required to report to night jury duty shall be entitled to leave work at 3:00 p.m. without charge to leave credits.

Employees entitled to leave under this Section shall not be entitled to receive any remuneration for jury service except mileage and transportation expenses when serving on a New York State Unified Court System jury. Should an employee receive a New York State Unified Court System jury fee, the State will require reimbursement from the employee.

9.5(b) Leave for Civil Service and Bar Examinations.

9.5(b)(1) An employee shall be allowed leave with pay to take Civil Service examinations at the appropriate examination center for positions in the Unified Court System. An employee also shall be allowed leave with pay to appear for an official investigation or appointment interview for competitive class, noncompetitive class or exempt class positions in the Unified Court System. Prior to such leave being granted, due notice and proof satisfactory to the State shall be submitted by the employee to the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts.

9.5(b)(2) Upon application to the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, together with proof satisfactory to the State, employees registered to take the New York State Bar examination shall be allowed two days leave with pay to take the Bar examination and, if necessary, one day leave with pay to review the results of such examination.

9.5(c) Waiver of Fees for Civil Service Examinations. The State agrees that to the extent the Chief Administrative Judge determines, pursuant to the Rules of the Chief Judge and Chief Administrative Judge, to establish examination fees for Civil Service examinations, the State will waive such examination fees for employees.

9.5(d) **Leave for Quarantine.** If an employee who is not ill himself/herself is required to remain absent because of quarantine and presents a written statement of the attending physician or local health officer proving the necessity of such absence, he/she shall be granted leave with pay for the period of his/her required absence, without charge against accumulated sick leave, annual leave or overtime credits. Prior to return to duty, such employee may be required to submit a written statement from the local health officer having jurisdiction that his/her return to duty will not jeopardize the health of other employees.

9.5(e) **Leaves Required by Law.** An employee shall be entitled to such other leaves of absence with pay as are required by law, including military leave, breast cancer screening, prostate cancer screening and bone marrow screening and donation.

9.5(f) **Leave for Civil Defense Duties.** Upon certification by the State Director of Civil Defense of the necessity for the participation in state or local civil defense drills of an employee enrolled as a civil defense volunteer and required to perform civil defense duties, pursuant to the State Defense Emergency Act, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts may allow such employee to absent himself from his/her position, without loss of pay or charge against leave credits, for such time as is necessary for participation in such drills, but not exceeding cumulatively five workdays per calendar year.

9.5(g) **Bereavement Leave.**

9.5(g)(1) Leave shall be allowed immediately following death as set forth below:

(i) 4 Days:

- employee's spouse or domestic partner
- employee's natural, foster or step: parent; child; brother or sister
- the natural, foster or stepchild of the employee's domestic partner
- employee's father-in-law or mother-in-law

- parent or stepparent of the employee's domestic partner
- employee's grandparent or grandchild
- any relative residing with the employee
- an individual for whom the employee has been the primary caregiver.

(ii) 2 Days:

- employee's son-in-law or daughter-in-law
- son-in-law or daughter-in-law of the employee's domestic partner

(iii) 1 Day:

- employee's brother-in-law or sister-in-law
- brother or sister of the employee's domestic partner

9.5(g)(2) For purposes of this Section 9.5(g), "days" shall be defined as consecutive UCS workdays (based on a standard Monday to Friday workweek), i.e., not to exceed 7 hours of paid leave per day (prorated for employees working less than full time).

9.5(g)(3) In exceptional cases where the deceased is unavailable for burial or services, or when there is a delayed memorial service, the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts, may, in his/her discretion, upon an employee's request, waive the requirement that bereavement leave be used immediately following the death. Delayed bereavement leave is subject to the terms set forth in subsections (i) through (iii) above.

9.5(g)(4) For those employees regularly scheduled to work on a weekend or holiday, such days shall be considered UCS workdays for purposes of this Section only. Prior notice and authorization is not required for leave under this paragraph. When a death in an employee's family occurs while he/she is on annual leave, such time as is excusable for bereavement shall not be charged to annual leave.

9.5(h)(1) **Extraordinary Circumstances.** An employee who has reported for duty, and because of extraordinary circumstances beyond his/her control, is directed to leave work, shall not be required to charge such directed absence during such day against leave credits. An employee who does not report for duty because of circumstances beyond his/her control shall not be required to charge such absence during such day against leave credits if the court or other facility where the employee is required to report is closed due to such extraordinary circumstances. Any release or excusal of employees due to extraordinary circumstances does not create any right to equivalent time off by employees not adversely affected by the extraordinary circumstances. Only designated management officials may direct employees to leave work. The: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, shall promulgate a list of personnel who have this authority. Except as provided in Section 9.9, if the celebration of a holiday in a locality results in the closing of a court or court-related agency and notification by posting or other means that the court or court-related agency will be closed on that date to the employees has not been given by a designated management official, employees shall not be required to charge such absence against leave credits.

9.5(h)(2) Employees who are required to work when the court or facility where they report to work is closed due to extraordinary circumstances shall be credited with compensatory time for the time they worked.

9.5(i) **Blood Donations.** Subject to the reasonable operating needs of the court or court-related agency, an employee shall be allowed three and one-half hours leave with pay for blood donations made during an employee's normal working hours. Such leave shall only be used on the day such donation is made and shall include all time spent making such donation (including travel time to and from the collection point). This provision shall not apply to an employee who receives a fee for such donation.

9.5(j) **Other Leaves.** The Chief Administrative Judge or his/her designee may grant leave with pay for reasons not itemized in this Section.

9.5(k) **“CAT” Training.** Upon application to the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, with proof satisfactory to the State, a court reporter may be granted up to two days leave with pay for computer-aided transcription (“CAT”) training which enables an employee to initially become CAT-proficient.

9.5(l) **Real-Time Translation Training.** Subject to the reasonable operating needs of the court or court-related agency, together with proof satisfactory to the State, a court reporter may, in the discretion of the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, be granted up to two days leave with pay to attend real-time translation training.

9.5(m) **Grand Jury Leave.**

9.5(m)(1) Peace officers who use deadly physical force pursuant to their official duties as a peace officer and who may become a subject of a Grand Jury review shall be granted leave while the incident is reviewed by the Grand Jury. Grand Jury Leave will run concurrently with the Grand Jury review. Once the Grand Jury review concludes, the peace officer’s leave shall end and the peace officer shall return to work, unless another leave is granted.

9.5(m)(2) While on a leave pursuant to this subsection, a peace officer will receive the same benefits provided to employees on other leaves with pay except a court officer shall not accrue Pre-tour prep time pursuant to Section 21.8(a).

9.5(m)(3) Except as provided in subsection 2 above, employees shall receive all the same benefits as they would on any other paid leave.

9.5(n) Leave for Firearms Screening. Peace officers who have (i) successfully completed Basic Peace Officer Training; (ii) have submitted an “Application for Clerical Employees (Peace Officer Titles) Requesting Firearms Training”; and (iii) have been approved by the Office of Court Officer Staffing and Security Services to participate in firearms training, shall be eligible for up to two workdays (not to exceed 14 work hours) of leave with pay for purposes of participating in required firearms screening procedures, i.e. medical exam; Physical Ability Test (“PAT”); vision screening test; written psychological tests; background investigation; psychological interview; evaluation board review. The use of leave under this Section is subject to approval by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims. This Section shall not apply to leave to attend firearms requalification.

9.5(o) Leave for Internal Discrimination Claims. Subject to the reasonable operating needs of the court or court-related agency and with the prior written approval of the Office of the Inspector General, an employee shall be allowed leave with pay (i) to consult with the Office of Inspector General prior to filing an Internal Discrimination Claim pursuant to the Discrimination Claim Policy and Procedure; or, (ii) to attend meetings or consultations with the Office of the Inspector General in relation to a filed Internal Discrimination Claim. Such leave shall include reasonable travel time.

9.6 Leaves Without Pay.

9.6(a) Leave of Absence; Duration. A permanent employee may, in the discretion of the Chief Administrative Judge or his/her designee, be granted a leave of absence, without pay, for a period not exceeding two years. Such leave may be extended beyond two years, for periods aggregating not in excess of an additional two years. In an exceptional case, a further extension may be permitted by the Chief Administrative Judge or his/her designee for good cause shown and where the interests of the government would be served. For the purposes of this Section, time spent

in active service in the military forces of the United States or of the State of New York shall not be considered in computing the period of leave.

This Section shall not be construed to require the extension of any employment beyond the time at which it would otherwise terminate by operation of law, rule or regulation.

9.6(b) Successive Leaves of Absence. Where a leave of absence without pay has been granted for a period which aggregates two years, or more if extended pursuant to subdivision (a) of this Section, a further leave of absence without pay shall not be granted unless the employee returns to his/her position and serves continuously therein for six months immediately preceding the subsequent leave of absence.

9.6(c) Leave Without Pay for Child Care.

9.6(c)(i) A combined confinement and childcare leave of absence without pay shall be granted to an employee (male or female) who becomes the parent of a child up to four years of age, either by birth or by adoption, for a period of up to 12 months. A period beyond 12 months, but not more than another successive 12-month period, may be granted at the discretion of the Chief Administrative Judge or his/her designee subject to the staffing needs of the court. The use of this maximum allowance will be limited to one instance only during the term of this Agreement.

9.6(c)(ii) Prior to the commencement of confinement and childcare leave, an employee shall be continued in pay status for a period of time equal to all of the employee's unused accrued annual leave.

9.6(c)(iii) Notwithstanding Section (c)(ii), a pregnant employee shall have the option to be continued in pay status for a period of time equal to all or part of her period of disability using accrued sick leave or annual leave.

9.7 Payment of Accruals Upon Separation.

9.7(a) At the time of separation from UCS service, an employee, his/her estate or beneficiary, as the case may be, shall be compensated in cash for overtime credits not in excess of 50 days accrued and unused as of the effective date of separation; provided, however, that any

accumulation of overtime credits in excess of 50 days at the time of separation shall be converted into sick leave; and further, except where provision is made for the transfer of leave credits, the employee, his/her estate or beneficiary shall be compensated in cash for annual leave credits not in excess of 50 days accrued and unused as of the effective date of separation, except that in the case of resignation, the Chief Administrative Judge or his/her designee may require, as a condition for such payment, that written notice of such resignation be given to the Chief Administrative Judge or his/her designee at least two weeks prior to the last day of work. No employee who is removed from State service as a result of disciplinary action, or who resigns after charges of incompetency or misconduct have been served upon him/her, shall be entitled to compensation for annual leave under the provisions of this Section.

9.7(b) An employee on leave from his/her position due to his/her entry into the Armed Forces of the United States for active duty (other than for training as defined by Title 10 of the United States Code), may elect to receive compensation in cash for accrued and unused annual leave and overtime credits not in excess of 30 days in each category accrued and unused as of the last date on which his/her name appeared on the State payroll.

9.8 Written Agreement Required for Transfer of Leave Credits. For the purposes of applying the provisions of this Article, employment in the Executive or Legislative Branches of State service shall be credited as service in the UCS; provided, however, that except as otherwise provided by law, leave credits may not be transferred upon movement from such positions to positions within the negotiating unit except where such credits are earned and accumulated in accordance with attendance and leave provisions which are substantially equivalent to the time and leave provisions of this Agreement and there is a written agreement between the President of the Civil Service Commission and the Chief Administrative Judge governing the transfer of leave credits upon such movements. Other public employment may be credited as service in the UCS for purposes of determining transferability of leave credits provided such employment was subject to attendance and leave provisions substantially equivalent to the time and leave provisions of this

Agreement, and provided there is a written agreement between the Chief Administrative Judge and the public agency wherein such employment occurred governing the crediting of such employment and the transfer of leave credits upon movement of employees to and from such agency and positions included within this negotiating unit.

9.9 Holidays. All legal holidays enumerated herein shall be allowed as paid days off, or holiday pay as set forth in Section 9.11 shall be allowed in lieu thereof. The days prescribed by law for the observance of New Year's Day, Martin Luther King, Jr.'s Birthday, Lincoln's Birthday, Washington's Birthday, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Election Day, Veterans Day, Thanksgiving Day and Christmas Day shall be observed as holidays.

9.10 Retroactive Time Credits. Nothing in this Article shall be construed to provide for the granting of annual leave, sick leave or other time or leave credits for service rendered prior to the effective date of this Agreement, provided, however, that nothing in this Agreement shall affect time or leave credits lawfully earned prior to the effective date of this Agreement.

9.11 Holiday Pay.

9.11(a) An employee who is entitled to time off with pay on days observed as holidays by the State as an employer will receive at his/her option additional compensation for time worked on such days or compensatory time off. Such additional compensation for each such full day worked will be at the rate of 1/10 of his/her biweekly rate of compensation. Such additional compensation for less than a full day of such work will be prorated. Such rate of compensation will include geographic, location, inconvenience and shift pay as may be appropriate to the place or hours worked. In no event will an employee be entitled to such additional compensation or compensatory time off unless he/she has been scheduled or directed to work.

9.11(b) Holiday Pay-Premium Pay. An employee required to work on Thanksgiving Day (the fourth Thursday in November) Christmas Day (December 25) or New Year's Day (January 1)

shall receive a 100% cash premium for all hours worked on such day in addition to any holiday pay or compensatory time off granted under Subsection (a) above.

9.12 Holiday Falling on Saturday or Sunday. A holiday falling on a Saturday or a Sunday shall be observed on the preceding Friday or following Monday subject to the operational or staffing needs of the court or court-related agency.

9.13 Workweek. The State and the Union recognize their mutual goal of best serving the public. Toward that goal the parties also recognize that the State has the right to modify starting and ending times of work schedules as follows: The workweek shall be 35 hours. Employees currently scheduled workweek or work schedule shall be maintained unless changed in accordance with this provision. Permanent changes in employees' workweek or work schedule shall be made upon four weeks' (i.e., two pay periods) written notice to the Union; provided, however, in the event of an unexpected change in staffing, permanent changes in employees' workweek or work schedule shall be made upon two weeks' written notice to the Union. The impact of permanent changes in employees' workweek or work schedule shall be subject to a demand for negotiations from the Union. Such demand shall not serve to delay implementation. This Section shall not, however, be a bar to consideration of Alternative Work Schedule requests from individuals.

9.14 Conferences. Four days leave per annum without charge to employee's leave credits may be allowed to attend conferences of recognized professional organizations and/or to attend Continuing Legal Education ("CLE") programs or educational seminars presented by such organizations or other appropriate organizations or institutions. Such conferences must be directly related to the employee's profession or work duties as described in the applicable title standard. This leave is subject to approval of the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims and the staffing needs of the unit. There shall be no

prohibition on the employee's virtual attendance at such conferences and programs where such option is available.

9.15 Scheduling. Subject to the reasonable operating needs of the court or court-related agency, employee service in the UCS shall resolve conflicts among employees in the same title in scheduling use of annual leave, holiday work, or flexible time. If two or more employees in the same title have the same length of service in the UCS, a conflict in scheduling shall be resolved by lot. Prior service which was credited by the UCS on April 1, 1977 will be used in determining length of service.

9.16 Workforce Reduction.

9.16(1) In the event of a workforce reduction, permanent employees in the competitive, non-competitive and labor class shall be laid off as specified in Section 25.30 of the Rules of the Chief Judge and Chief Administrative Judge. In the event of a workforce reduction, employees impacted will be provided with no less than 30 calendar days written notice prior to the effective date.

9.16(2) Employees in the noncompetitive, confidential class, who are impacted by a workforce reduction, will be provided with no less than 30 calendar days written notice prior to the effective date.

9.17 Early Release. The: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims shall authorize the release of an employee without charge to leave credits no later than 1:00 p.m. when:

- a. the indoor temperature in the courtroom or office where such employee is assigned is sixty (60) degrees Fahrenheit or below at 9:00 a.m. and does not exceed sixty (60) degrees Fahrenheit by 12:00 p.m.; **or**

the indoor temperature in the courtroom or office where such employee is assigned is eighty (80) degrees Fahrenheit or above at 9:00 a.m. and is not below eighty (80) degrees Fahrenheit by 12:00 p.m.; **and**

- b. there is no location to which the employee may be temporarily relocated where the indoor temperature is above sixty (60) degrees Fahrenheit or below eighty (80) degrees Fahrenheit; **and**
- c. the operational needs of the court or facility do not require the employee to remain on duty.
In the event it is necessary for an employee to remain on duty as part of a skeleton force, he/she shall receive minute-for-minute compensatory time for any time worked during the remainder of their regular shift (exclusive of the unpaid meal break). *For illustrative purposes only*, an employee that works a 9:00 a.m. to 5:00 p.m. shift that is required to remain on duty to 5:00 p.m. would be entitled to four (4) hours of compensatory time.
- d. Notification of such early release shall be made to the Courts and the Union by a designee of the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims.
- e. Indoor temperature readings will be monitored by an appropriate management representative to be determined locally.

ARTICLE 10

OVERTIME

10.1 **Policy.** Employees shall receive compensation for work performed between 35 and 40 hours per week in cash compensation at a straight-time rate as provided in Section 10.7, or compensatory time, pursuant to Section 10.9, at the employee's option.

10.2 **Definitions.** Wherever used in this Article:

10.2(a) A “workweek,” for overtime purposes, shall mean a regularly scheduled recurring period of 168 hours in the form of seven consecutive 24-hour periods. A workweek need not coincide with the calendar week. It may begin any day of the week and any hour of the day. Each workweek stands alone. Once fixed, however, it must remain the same unless any change is intended to be permanent.

10.2(b) Except as the term is used in Section 10.10 (Overtime Meal Allowance) “overtime” shall mean hours worked in excess of 35 hours in any workweek by an eligible employee.

10.2(c) An “eligible employee” shall mean any employee who is not deemed ineligible to earn overtime pay, as provided under Section 10.3.

10.2(d) “Scheduled overtime” shall mean overtime which is susceptible to scheduling and approval in advance of need.

10.2(e) “Unscheduled overtime” shall mean overtime which is necessitated by emergency conditions which cannot be anticipated in advance.

10.3 Exclusions.

10.3(a) Employees who meet the criteria for exclusion from the overtime provision of the Fair Labor Standards Act (“FLSA”) shall not be eligible to receive contractual overtime compensation.

10.3(b) With respect to previously made determinations on contractual overtime exclusions such determinations shall be continued upon execution of this Agreement.

10.3(c) In the event that the State determines that an individual employee whose title had previously been considered as eligible for contractual overtime compensation meets the FLSA criteria for exclusion, it will provide the Union with thirty (30) days prior notice of such determination and afford the Union, during this thirty (30) day period, with the opportunity to assert that such individual employee/title should continue to be eligible for overtime compensation.

10.3(d) With respect to new titles, the State shall undertake a review of all such titles, as they are established, for the purpose of determining overtime eligibility for contractual overtime

using FLSA criteria. Upon request by the Union, the State and the Union shall meet to discuss whether the title in question should be eligible to receive contractual overtime compensation.

10.3(e) The Chief Administrative Judge or his/her designee may waive the restriction contained in Section 10.3(a) whenever he/she determines that strict adherence to such restriction would be detrimental to the sound and orderly administration of the UCS.

10.3(f) Nothing in this Section shall be construed as a waiver of the Union's right to appeal the State's determinations to the appropriate forum, or as a waiver of the State's right to implement changes in accordance with the provisions herein.

10.4 Authorization for Overtime Work.

10.4(a) Unscheduled overtime work must be authorized in advance by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts before overtime may be credited.

10.4(b) Notification of unscheduled overtime shall be forwarded to the Director of Budget and Finance at the close of the biweekly payroll period in which the overtime is authorized.

10.4(c) Scheduled overtime work must have the prior approval of the Chief Administrative Judge or his/her designee.

10.4(d) The: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts will take all reasonable steps to provide for an equitable distribution of scheduled overtime opportunities among qualified permanent employees of the appropriate work unit, provided, however, that such overtime opportunities may be denied to an employee who has been determined to have a poor record of attendance and/or tardiness by the final determination of discipline or the alternate discipline procedure for time and attendance infractions. For purposes of this Section

10.4(d), “equitable distribution” shall mean in order of lowest overtime hours worked calendar year to date.

10.4(e) In the absence of a sufficient number of volunteers, unscheduled overtime can be required of any employee who, in the judgment of his/her supervisor, is needed to do the work.

10.4(f) Overtime performed in a higher or lower title can be performed only on a voluntary basis. Extra service work can also be performed only on a voluntary basis.

10.4(g) Eligible employees shall be eligible for overtime for actual travel and/or service performed while in travel status, provided that:

10.4(g)(1) The trip is not between the employee's residence and his/her official workstation;

10.4(g)(2) The trip is for the purpose of conducting State business and is authorized in advance;

10.4(g)(3) Authorization is granted only when travel during regular work hours is less economical or unduly delays the employee's return to his/her official workstation; and,

10.4(g)(4) The trip is not taken for the purpose of attending a professional conference or convention.

10.4(h) There shall be no rescheduling of days off or hours of work to avoid the payment of overtime.

10.5 Determination of Overtime Earned.

10.5(a) Total hours worked shall include all the time worked by an employee when required to be on duty or at a prescribed workplace and shall exclude all absences from duty and all time allowed for meals. Overtime work shall also exclude all preparation of transcripts except those transcripts prepared pursuant to Judiciary Law §299 provided such work is performed beyond 40 hours, and provided that no other compensation will be received from any other source by the court reporter for production of the transcript. In addition, the court reporter's supervisor must determine that such transcript cannot be produced during normal working hours and the supervisor must give

advance written approval for the production of the transcript on an overtime basis. Such work will be deemed scheduled overtime work. For purposes of computing total hours worked in a week, time during which an employee is excused from work because of holidays, sick leave at full pay, annual leave, compensatory time off or other leave at full pay shall be considered as time worked by the employee. Compensatory time off granted in the same workweek in which it is earned, except compensatory time off granted in lieu of a holiday worked in such workweek, does not add to the total hours worked and is not to be construed as time worked by an employee.

10.5(b) Each time an employee is recalled to work overtime after having completed his/her scheduled work period and left his/her scheduled workstation, he/she shall be considered to have worked, for the purpose of computing overtime credits, a minimum of one-half day. If an employee entitled to a minimum of one-half day of overtime credits works such overtime for more than one-half day, the total time worked shall be used in computing the total hours worked.

10.5(c) Employees who volunteer to standby in their homes or who are required, ordered, and/or scheduled on an involuntary basis to standby in their homes subject to recall, shall receive compensatory time on the basis of one-half hour for each hour of standby time, if eligible for overtime under Section 10.2(c) of the Agreement.

10.5(d) Overtime shall be paid on a minute for minute basis.

10.5(e) Work performed on a Saturday, Sunday or holiday, as part of an employee's regular work schedule and not in excess of 35 hours per workweek, is not considered to be overtime.

10.5(f)(1) Employees who work overtime on a Saturday, Sunday or non-Premium Pay Holiday shall be paid for a minimum of two hours.

10.5(f)(2) Employees who work overtime on Thanksgiving Day, Christmas Day or New Year's Day shall be compensated as follows:

- (i) if actual overtime work performed is less than two hours, employees shall receive four hours of overtime pay; or

(ii) if actual overtime work performed is two hours or more, employees shall receive the Holiday–Premium Pay rate set forth in Section 9.11(b) for all hours worked.

10.6 Payment for Overtime. Scheduled overtime shall be compensated in cash only after prior authorization and approval by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts.

10.7 Computation of Cash Compensation. Payment for overtime shall be computed in the following manner:

10.7(a) If an employee works overtime in his/her regular position or title or in a position the title of which is allocated to the same salary grade as his/her regular position, he/she shall be compensated for work between 35 and 40 hours at a straight-time rate and for work in excess of 40 hours at one and one-half times the regular hourly rate of pay.

10.7(b) When the overtime is worked in a position which is allocated to a higher salary grade than the grade of the employee's regular position, he/she shall be compensated for work between 35 and 40 hours at a straight-time rate and in excess of 40 hours at one and one-half times the hourly rate of compensation he/she would be entitled to if he/she were permanently promoted to the higher position.

10.7(c) The hourly rate of compensation shall be determined by dividing the basic annual rate of compensation plus any additional compensation payable because of the location of employment or because work is performed between 6 p.m. and 8 a.m. by 1,827. The hourly rate of compensation for per diem employees shall be determined by dividing the per diem rate by seven.

10.8 Time of Payment of Cash Compensation. When cash payment for scheduled overtime has been approved, employees shall be paid for such overtime compensation in excess

of 35 but less than 40 hours per week at the employee's option, and for more than 40 hours, by the close of the second bi-weekly payroll period following the period during which the overtime is earned.

10.9 Compensatory Time Off. Eligible employees shall have the option to receive either cash compensation at a straight-time rate or compensatory time off on an hour-for-hour basis for overtime worked in excess of 35 hours but not in excess of 40 hours in a workweek. Prior to October 1, 1988, eligible employees shall elect, in writing, on forms to be provided by the State, cash compensation or compensatory time off for such overtime work. New employees shall make an initial election at the commencement of service in an eligible title. Thereafter, employees shall be allowed to modify such election prior to the start of each new calendar quarter. Such modification shall be effective following the first day of the new calendar quarter. An employee who fails to file such election on a timely basis shall be compensated on a cash basis.

10.10 Overtime Meal Allowance.

10.10(a) A meal allowance of \$9 will be paid to any employee required to work at least three hours beyond his/her regularly scheduled workday unless he/she is receiving cash compensation for such overtime work.

10.10(b) An employee ineligible to receive cash compensation for overtime worked who is required to work at least seven hours on his/her regularly scheduled day off shall be entitled to receive one overtime meal allowance. An employee required to work at least ten hours on his/her regularly scheduled day off shall be entitled to receive a second overtime meal allowance.

10.10(c) Court employees assigned to a jury trial who are required to work beyond their regularly scheduled workday will remain in pay status for the time they remain at work, including any meal period provided to the jury.

10.11 Timekeeping Procedures. Employees eligible to receive overtime compensation pursuant to this Article shall be required to follow daily swipe-in and swipe-out procedures.

10.12 **Conflicts.** In the event that a tribunal of competent jurisdiction determines that any provision of this Article is in conflict with the Fair Labor Standards Act, then such provision shall be of no force and effect and the applicable portion of the Fair Labor Standards Act shall govern. The grievance and arbitration procedure of the Agreement shall not apply to alleged conflicts between provisions of this Article and the Fair Labor Standards Act.

10.13 **Exceptions.** The restrictions and limitations contained in this Article may be waived by the Chief Administrative Judge or his/her designee whenever he/she determines that strict adherence to the rules would be detrimental to the sound and orderly administration of the State System.

ARTICLE 12

DISCIPLINARY PROCEDURE

12.1 **Applicability.** An officer or employee described in paragraph (a), (b), or (c) below shall not be removed or otherwise subjected to any disciplinary penalty provided in this Section except for incompetency or misconduct shown after a hearing upon stated charges pursuant to this Section, unless such officer or employee is granted the option and elects to follow the alternative administrative disciplinary procedure set forth in Section 12.8 of this Article.

12.1(a) An officer or employee holding a position by permanent appointment in the competitive class of the classified service; or,

12.1(b) An officer or employee holding a position by permanent appointment or employment in the classified service, who is an honorably discharged member of the Armed Forces of the United States having served therein as such member in time of war as defined in the Civil Service Law, or who is an exempt volunteer firefighter as defined in the General Municipal Law, except where the officer or employee described in this paragraph holds a position designated by the Chief Administrative Judge as confidential or requiring the performance of functions influencing policy; or,

12.1(c) An officer or employee holding a position in the non-competitive class other than a position designated by the Chief Administrative Judge as confidential or requiring the performance of functions influencing policy, who since his/her last entry into the service of the UCS has completed at least five years of continuous service in the non-competitive class in a position or positions not so designated as confidential or requiring the performance of functions influencing policy.

12.2 **Procedure.** An officer or employee against whom removal or other disciplinary action is proposed shall have written notice thereof and of the reasons therefore, shall be furnished a copy of the charges preferred against him/her and shall be allowed at least ten days for answering the same in writing. Service of a copy of the charges shall be made in a sealed envelope by personal

service, if possible. Such service shall be made by an individual who is not in CSEA's negotiating unit. If service cannot be effectuated by personal service, it shall be made by certified mail, return receipt requested. The Union shall be advised by certified mail, return receipt requested or by electronic means, of the name and work location of the officer or employee against whom charges have been preferred. The hearing upon such charges shall be held as follows:

12.2(a) in the instance of an officer or employee of the Court of Appeals, the charges shall be made by the Clerk of the Court and the hearing shall be held by a person designated by him/her for that purpose,

12.2(b) in the instance of an officer or employee of an Appellate Division, the charges shall be made by the Presiding Justice and the hearing shall be held by a person designated by him/her for that purpose,

12.2(c) in the instance of an officer or employee of a court or court-related agency located within the City of New York, the charges shall be made by the Clerk of the Court of Appeals, the Presiding Justice of an Appellate Division, or the Deputy Chief Administrative Judge (New York City Courts) and the hearing shall be held by a person designated by him/her for that purpose,

12.2(e) in the instance of an officer or employee of the Office of Court Administration the charges shall be made by the Chief Administrative Judge or his/her designee and the hearing shall be held by a person designated by him/her for that purpose.

12.2(f) If the Inspector General identifies an employee as the subject of an investigation, the local president shall be notified prior to scheduling an interview with the employee.

12.2(g) An employee who at the time of questioning appears to be a potential subject of disciplinary action shall have the right to representation by CSEA. If representation is requested,

a reasonable period of time shall be afforded to obtain such representation. If the employee is unable to obtain representation within a reasonable period of time, the State has the right to question the employee.

The person or persons designated to conduct the hearing shall, for the purpose of such hearing, be vested with all the powers of the officer or court appointing him/her and shall make a record of such hearing which shall, with recommendations, be referred to such officer or court for review and decision. The Hearing Officer shall, upon the request of the officer or employee against whom charges are preferred, permit him/her to be represented by counsel, or by a representative of the Union and shall allow him/her to summon witnesses on his/her behalf. The burden of proving incompetency or misconduct shall be upon the State. Compliance with technical rules of evidence shall not be required. The officer or employee against whom charges are preferred shall, upon request, be entitled to a copy of the recommendations of the Hearing Officer and shall be allowed three days to comment upon them, in writing, to the officer or court which appointed the Hearing Officer.

12.3 Suspension Pending Determination of Charges. Pending the hearing and determination of charges of incompetency or misconduct, the officer or employee against whom such charges have been preferred may be suspended without pay for a period not exceeding 30 days. In the sole discretion of the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, such suspension without pay may be charged to an employee's annual leave accruals. Such decision to permit an employee to charge annual leave accruals shall not be grievable or otherwise reviewable in any other forum.

12.4 Determination of Charges. If such officer or employee is found guilty of the charges, the penalty or punishment may consist of a reprimand, a fine not to exceed \$100 to be deducted from the salary or wages of such officer or employee, restitution, suspension without pay for a

period not exceeding three months, demotion in salary and title, probation for up to six months, or dismissal from the service; provided, however, that the time during which an officer or employee is suspended without pay pursuant to Section 12.3 may be considered as part of the penalty and the officer or employee shall be entitled to continue health insurance, if the employee pays his/her own share of the premiums and shall be eligible to receive Employee Benefit Fund benefits and have Employee Benefit Fund payments made on his/her behalf during a period of suspension not exceeding three months. If he/she is acquitted, he/she shall be restored to his/her position with full pay for the period of suspension less the amount of compensation which he/she may have earned in any other employment or occupation and any unemployment insurance benefits he/she may have received during such period. If such officer or employee is found guilty, a copy of the charges, his/her written answer thereto, a transcript of the hearing, and the determination shall be filed in the Office of Court Administration. A copy of the transcript of the hearing shall, upon request of the officer or employee affected, be furnished to him/her without charge.

12.5 Time for Removal or Disciplinary Proceedings. Notwithstanding any other provisions, no removal, disciplinary proceeding or alternative disciplinary procedure shall be commenced more than 18 months after the occurrence of the alleged incompetency or misconduct complained of and described in the charges; provided, however, that such limitation shall not apply where the incompetency or misconduct complained of and described in the charges would, if proved in a court of appropriate jurisdiction, constitute a crime.

12.6 Review of Penalty or Punishment. Any officer or employee believing himself/herself aggrieved by a penalty or punishment pursuant to the provisions of this Article may appeal from such determination by petition to the Chief Administrative Judge or by an application to the courts in accordance with the provisions of Article 78 of the Civil Practice Law and Rules.

12.6(a) If such person elects to appeal to the Chief Administrative Judge, he/she shall file a petition in writing within 20 days after receiving notice of the determination to be reviewed.

12.6(b) Where an appeal is taken to the Chief Administrative Judge, he/she shall review the record of the disciplinary proceeding and the transcript of the hearing, and shall determine the appeal on the basis of the record and transcript and such oral and written argument as he/she may determine to be appropriate. He/she may direct that the appeal shall be heard by a person or persons designated by him/her to hear such appeal on his/her behalf, who shall report thereon with recommendations to him/her. Upon such appeal, he/she shall permit the employee to be represented by counsel or a representative of the Union.

12.6(c) **Determination of Appeal.** The determination appealed from may be affirmed, reversed, or modified and the Chief Administrative Judge may, in his/her discretion, direct the reinstatement of the appellant or permit the transfer or reassignment of such appellant to a vacancy in a similar position in another court or court agency or direct that his/her name be placed upon a preferred list pursuant to this Section. In the event that a transfer or reassignment is not effected, he/she is empowered to direct the reinstatement of such employee. An officer or employee reinstated pursuant to this subdivision shall receive the salary or compensation he/she would have been entitled by law to have received in his/her position for the period of removal, including any prior period of suspension without pay, less the amount of compensation which he/she may have earned in any other employment or occupation and any unemployment insurance benefits he/she may have received during such period. The decision of the Chief Administrative Judge shall be final and conclusive, and not subject to further review in any court.

12.7 **Restoration of Position.** An employee who is removed from his/her position in violation of the provisions of this Article, and who thereafter is restored to such position by order of the Supreme Court, shall be entitled to receive and shall receive from the State, the salary or compensation which he/she would have been entitled by law to have received in such position but for such unlawful removal, from the date of such unlawful removal to the date of such restoration, less the amount of compensation which he/she may have earned in any other employment or occupation and any unemployment insurance benefits he/she may have received during such

period. Such employee shall be entitled to a court order to enforce the payment of such salary or compensation. Such salary or compensation shall be subject to the provisions of Section 474 and Section 475 of the Judiciary Law for services rendered, but otherwise shall be paid only directly to such employee or his/her legal representatives.

12.8 Alternative Disciplinary Procedure.

12.8(a) Within 18 months of when an act of alleged misconduct or incompetency occurs the officer or court empowered in Section 12.2 to make the charges shall determine whether such acts require the initiation of formal disciplinary charges pursuant to Section 12.2 of this Article or if the officer or employee shall be given the option of electing to follow the alternative disciplinary procedure to ensure that the decision to use the formal or informal proceedings is uniformly determined. For purposes of Section 12.8 only, an eligible officer or employee shall include all officers or employees who are not determined to be personal appointees of a judge by the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims.

12.8(b) If the officer or court empowered in Section 12.2 to make the charges determines that the alternative disciplinary procedure will be offered as an option, the employee shall be given an Initiation of Discipline form. This form shall specify in writing a description of the conduct alleged to constitute misconduct or incompetency. The employee shall make a written election whether or not to accept the alternate disciplinary procedure. An employee who otherwise is eligible for a formal hearing pursuant to Section 12.1 of this Article may opt to pursue a formal hearing or to accept the alternate disciplinary procedure. If such an employee fails to make a written election within 10 days of receiving an Initiation of Discipline form, the employee may be served with written notice of the charges preferred against him/her and the procedures set forth in Section 12.2 shall be followed.

12.8(c) An officer or employee who elects to follow the alternative disciplinary procedure shall meet with the designee of the officer or court empowered in Section 12.2 to make the charges who shall propose a penalty after reviewing the relevant facts which form the basis for discipline, the employment history of the employee listed on the Initiation of Discipline form and any facts or arguments submitted in defense or mitigation. The penalty shall be a written reprimand and/or no more than the forfeiture of up to ten days of annual leave, compensatory time or the loss of ten days pay, if appropriate. The officer or court empowered in Section 12.2 to make the charges shall review such proposed penalty to ensure that penalties are uniformly applied. The employee thereafter shall be informed in writing of the penalty assessed. The Initiation of Discipline form shall set forth the proposed penalty, the review of the officer or court empowered in Section 12.2 to make the charges and the penalty assessed. Such penalty assessed shall be implemented immediately. The determination of the designee of the officer or court empowered in Section 12.2 to make the charges and the officer or court empowered in Section 12.2 to make the charges shall be final, binding and not reviewable in any forum.

12.8(d) A copy of such Initiation of Discipline form upon completion of the process shall be included in the personal history folder of the officer or employee, and shall be given to the officer or employee, the supervisor, payroll, the designee of the officer or court empowered in Section 12.2 to make the charges. Upon an employee's written request, the record of the alternative disciplinary procedure shall be removed from an employee's personnel history folder 18 months after the penalty has been implemented, provided such employee has not been subject to formal disciplinary charges or further administrative disciplinary proceedings within such 18 months.

12.9 Investigatory Notification. The (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims shall provide written notice by letter to an employee who was the subject of an investigation, with a copy to the Union Local President by

hard copy or electronic means, when it has received a final report from the UCS's Inspector General's Office indicating that the Inspector General has completed its investigation.

14.8 The UCS and the Union have agreed that a pilot program to provide for electronic storage of an employee's personal history folder will be implemented during the term of the Agreement. The UCS and the Union shall establish a Labor/Management Subcommittee to address any issues that arise during the implementation of the pilot.

Within 15 workdays of receiving the acknowledgment of receipt, the Union shall contact the individual designated by the Deputy Director for Labor Relations to discuss selection of a mutually agreeable arbitrator. The method of selecting the arbitrator for a particular case shall be by mutual agreement between both parties to the Agreement, and failing such agreement, then by lot from a panel to be mutually established by the parties within 60 calendar days of execution of this Agreement.

15.2(c)(2) The arbitrator shall have no power to add to, subtract from or modify the provisions of this Agreement in arriving at a decision of the issue presented, and shall confine his/her decision solely to the application and interpretation of this Agreement. The decision or award of the arbitrator shall be final and binding, consistent with the provisions of CPLR Article 75. The arbitrator shall confine himself/herself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him/her nor shall he/she

submit observations or declarations of opinion which are not essential in reaching the determination.

15.2(c)(3) All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case.

15.3 The time limits contained in this Article may be extended by mutual agreement. The time for presenting a Step 1 contract grievance shall be extended by the time an employee is absent from the job through illness or disability.

15.4 A settlement or any award upon a contract grievance may or may not be retroactive as the equities of each case may demand.

15.5 The contract grievance and arbitration procedure provided for herein shall be the exclusive grievance procedure for the resolution of disputes concerning the interpretation, application or claimed violation of a specific term or provision of this Agreement.

15.6 An employee may be represented at Step 1 and 2 of the contract and non-contract grievance procedure by the Union or a representative of his/her own choosing. No employee organization other than the Union may initiate or represent an employee in the processing of contract or non-contract grievances.

15.7 In the event the Union appeals a Step 2 decision to Step 3 and the parties cannot agree as to whether it constitutes an arbitrable grievance, the issue of arbitrability shall be preliminarily submitted to arbitration prior to the resolution of the dispute on the merits in accordance with the procedures for arbitration set forth in Step 3.

ARTICLE 16

OUT-OF-TITLE WORK

16.1 No employee shall be employed under any title not appropriate to the duties to be performed and, except upon assignment by proper authority during the continuance of a temporary emergency situation, no employee shall be assigned to perform the duties of any position unless

he/she has been duly appointed, promoted, transferred or reinstated to such position in accordance with the provisions of the Rules of the Chief Administrative Judge.

16.2 Grievances hereunder shall be processed on forms to be provided by the State and filed directly with the Deputy Director for Labor Relations and shall not be arbitrable. The grievance must be presented in writing not later than 45 calendar days after the date on which the act or omission giving rise to the grievance occurred or when the employee could reasonably have been expected to become aware of, or have knowledge, that he/she had a grievance, and shall specify whether or not the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified.

16.3 In determinations regarding out-of-title work under this Article, an employee shall be determined to be working out-of-title, unless:

16.3(a) The duties alleged to be out-of-title work are normally performed by employees in the grievant's title and are not described in the class specifications for another title; or,

16.3(b) The duties are reasonably related to the duties described in the class specifications for the grievant's title; or,

16.3(c) The duties are new duties which are a reasonable outgrowth of duties usually performed by employees in the grievant's title; or,

16.3(d) The duties are assigned during a temporary emergency which shall include: an unscheduled situation or circumstance which is expected to be of limited duration and either (i) presents a clear and imminent danger to person or property or (ii) is likely to interfere with the conduct of the State's statutory mandates or programs; and cataclysmic events such as strikes or black-outs; and occasionally unanticipated staffing shortages; provided the affected employee is given reasonable notice by proper authority that such assignment of out-of-title duties is under a temporary emergency.

16.4(a) An opinion shall be issued by the Deputy Director for Labor Relations within 20 workdays following the receipt of the grievance. Copies of the opinion shall be sent to the

employee, the Union local president and the Union's Deputy Director of Contract Administration. If it is the opinion of the Deputy Director for Labor Relations that the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified, the Deputy Director for Labor Relations shall direct the discontinuance forthwith of such assigned duties.

16.4(a)(1) If such substantially different duties are found to be appropriate to a lower salary grade or to the same salary grade as that held by the affected employee, no monetary award may be issued.

16.4(a)(2) If, however, such substantially different duties are found to be appropriate to a higher salary grade than that held by the affected employee, the Deputy Director for Labor Relations shall issue an award of monetary relief, provided that the affected employee has performed such duties for a period of one or more days. The amount of monetary relief shall be the difference between what the affected employee was earning at the time he/she performed such duties and what he/she would have earned at that time had he/she been promoted to the higher salary grade title, but in no event shall such monetary award be retroactive to a date earlier than 15 calendar days prior to the date the grievance was filed, in accordance with this Article.

16.4(b) Notwithstanding the provisions of subdivision (a) above, if the substantially different duties were assigned by proper authority during the existence of a temporary emergency situation, the Deputy Director for Labor Relations shall deny the grievance and no payment shall be made.

ARTICLE 17

NO DISCRIMINATION

17.1 The Union agrees to continue to admit all employees to membership and to represent all employees without regard to race, color, creed, disability, marital status, Vietnam Era Veteran status, national origin, age, sex, gender identity, gender expression, sexual orientation or political affiliation.

17.2 The UCS agrees to continue its established policy against all forms of illegal discrimination with regard to race, creed, color, disability, marital status, Vietnam Era Veteran status, national origin, age, sex (including sexual harassment) gender identity, gender expression, sexual orientation, political affiliation or the proper exercise by an employee of the rights guaranteed by the Public Employees' Fair Employment Act.

17.3 The UCS and the Union agree that nothing in this Agreement prevents the State from making reasonable accommodation for a disabled employee when such is required pursuant to the Americans with Disabilities Act.

ARTICLE 18

BENEFITS GUARANTEED

With respect to matters not covered by this Agreement, the UCS will not seek to diminish or impair during the term of this Agreement any benefit or privilege provided by law, rule or regulation for employees without prior notice to the Union; provided, however, that this Agreement shall be construed consistently with the free exercise of rights reserved to the UCS by the Management Rights Article of this Agreement.

19(a) Any employee or the Union may apply to the Chief Administrative Judge for a review and change of the classification or allocation of the position occupied by such employee or included within negotiating units represented by the Union. 19(b) The effective date of a position classification shall be such date as is determined by the Chief Administrative Judge. No change in position classification shall impair or diminish any

21.4(a) Effective April 1, 2025, and each year thereafter, all employees with peace officer status required to wear a uniform shall receive a uniform and equipment allowance of \$1,660 if eligible under Section 21.5. 21.6 There shall be no pro-ration of the uniform and equipment allowance.

21.7 **Annual Uniform Inspection.** The UCS shall conduct periodically, but at least annually, a uniform and equipment inspection. An eligible employee who, during such inspection, fails to meet minimum standards as established by the UCS shall not be eligible to receive the uniform and equipment allowance until all noted deficiencies are corrected.

21.8(a) **Pre-Tour Prep.** The UCS will have the continuing ability to require compliance with uniform requirements, which may include the right to conduct inspections on a periodic basis in accordance with the terms of the collective bargaining Agreement. Any employee who failed to meet the minimum uniform inspection standards as referenced in Section 21.7 above shall not be eligible for pre-tour prep time. To compensate for the time court officers must take to change into uniform, to secure their weapon and equipment each day before reporting for duty, and the time taken at the end of each tour of duty to change out of the uniform and to secure the firearm and equipment, the UCS shall provide court officers with up to five days of “pre-tour prep” time annually (prorated for employees working less than full time). This time shall be at a straight-time

21.8(b) Pre-tour prep time shall be credited on a quarterly basis to all court officers on the payroll as of the previous March 31; June 30; September 30; and December 31, at the rate of $8\frac{3}{4}$ hours of pre-tour prep time on April 1, July 1, October 1, and January 1, respectively. The time is intended to compensate for time spent changing into uniform and obtaining necessary weapons and equipment. It cannot be used to offset unscheduled tardiness or unscheduled absences. Eligibility for such time shall be based on the employee's title and payroll status as of the beginning of each calendar quarter (the preceding March 31; June 30; September 30; and, December 31). An employee on leave without pay or a Line-of-duty Leave or a Grand Jury Leave at the beginning of a calendar quarter shall be credited with pre-tour prep time for any days worked in each calendar quarter (8 minutes per day) but shall not be credited with pre-tour prep time for a quarter if the employee is on such leave for the entire quarter. No accumulation of pre-tour prep time in excess of ten days may be carried over from one fiscal year to the next. 22.2 The State and the Union shall enter into a separate Supplemental Employee Benefit Fund Agreement which shall specify the obligations of both parties regarding implementation, activities and reporting requirements of the Fund.

22.3 Upon ratification of this Agreement, the State shall provide the Union with a non-recurring, one-time lump sum payment in the amount of \$200,000 for remittance to the Union's Employee Benefit Fund.

25.1 When an employee to whom the disciplinary procedures of this Agreement apply has been absent from work without notice for 15 consecutive workdays, he/she shall be deemed to have resigned from his/her position if he/she (or, if he/she is medically unable, a member of his/her immediate family as defined in Section 9.5(g)) has not provided a satisfactory written explanation for such absence to the court or court-related agency to which he/she is assigned, on or before the 15th consecutive workday following the commencement of such unauthorized absence.

25.2 Prior to the conclusion of the 15 workday period noted in Section 25.1 above, the court or court-related agency shall send the affected employee notice, to the employee's last known address, by certified mail, return receipt requested, with a copy to the Union, that his/her absence is considered unauthorized and that, as a result of such absence, he/she will be deemed to have resigned from service, effective the 15th workday following the commencement of the unauthorized absence.

25.3 An employee who has been deemed to have resigned pursuant to this Section [or, if he/she is medically unable, a member of his/her immediate family as defined in Section 9.5(g)], shall have 20 workdays from the date the notice was mailed within which to submit a written explanation concerning his/her absence to the Chief Administrative Judge, or his/her designee. Upon receipt of such explanation, the Chief Administrative Judge, or his/her designee, shall reinstate the employee without examination, to the position from which he/she was deemed to have resigned, if vacant, or to any vacant position to which he/she was eligible for transfer or reassignment, and shall have 20 workdays within which to initiate charges against the employee pursuant to the disciplinary procedures of this Agreement.

ARTICLE 26

REASSIGNMENTS, TRANSFERS AND CHANGES IN ASSIGNMENT

26.1 Definitions.

26.1(a) The term “reassignment” means the movement, without further examination, of a permanent employee from his or her present permanent title, position and location to the same title under the jurisdiction of a different Administrative Judge.

26.1(b) The term “transfer” means the movement, without further examination, of a permanent employee from his or her present permanent title, position and location within one promotion unit to a similar position within another promotion unit.

For purposes of this Section, “promotion unit” shall refer to the six promotion units established by the Chief Administrator of the Courts: the Court of Appeals and related agencies; each Appellate Division and its related agencies; and all trial courts statewide and related agencies, including the Office of Court Administration.

26.1(c) The term “change in assignment” means the movement, without further examination, of a permanent employee from one work location/assignment to another work location/assignment under the jurisdiction of the same: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; or District Administrative Judge in the trial courts.

26.1(d) A Labor/Management subcommittee shall be established within sixty (60) days or as soon as practicable following ratification of the Agreement to develop a pilot program for the voluntary/involuntary change in assignment of New York State Court Officers between courts and court-related facilities located within the Third through Eighth Judicial Districts.

26.2 Filing for Reassignments and Transfers.

26.2(a) A permanent employee having at least one year of continuous service in his/her present title, position and location may request reassignment or transfer pursuant to this Section by filing a written request for reassignment or transfer on a form to be established by the Chief

Administrative Judge or his/her designee. Such form shall require the employee to provide information deemed necessary by the UCS to consider the employee's request for reassignment or transfer. A request form which does not provide all information requested or is otherwise incomplete shall not be considered and shall be returned to the employee for completion. The request form shall be filed with the Appointments Unit of the Office of Court Administration and with the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; or District Administrative Judge and the Chief Clerk of the court to which the employee seeks to be reassigned or transferred and the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; or the District Administrative Judge and the Chief Clerk of the court where the employee is presently assigned.

26.2(b) The Appointments Unit shall establish separate rosters for each promotion unit by title, in order of the date of receipt of a request for reassignment or transfer. A separate roster shall be maintained for requests for reassignments and another separate roster shall be maintained for requests for transfer.

26.2(c) If an employee who previously filed a request for reassignment or transfer no longer seeks such reassignment or transfer, the employee must notify the Appointments Unit and the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; District Administrative Judge and the Chief Clerk of the court to which the employee seeks a position of the withdrawal of his or her request.

26.3 Guidelines in Considering Requests For Filling Vacancies.

26.3(a) When there are competing claims among employees for a vacant position, applications filed pursuant to this Article will be considered according to the following guidelines:

26.3(a)(1) Permanent employees having at least one year of continuous service in their present title, position and location requesting reassignment to a position in the same title in the same promotion unit shall be considered in conjunction with any eligible list for the promotion unit or in the absence of a promotion unit list.

26.3(a)(2) Permanent employees having at least one year of continuous permanent service in their present title, position and location requesting transfer to a position in the same title in a different promotion unit shall be considered in conjunction with a general promotion list or open-competitive list for the promotion unit or in the absence of a list.

26.3(a)(3) Employees and non-employees who are otherwise eligible for appointment to such position may be considered if there are no valid lists for the promotion unit. In addition to meeting the requirements of Sections 26.3(a)(1) and (2) above, no employee of the UCS may be reassigned or transferred to a similar position in another court or court agency during the life of the eligible list from which he/she was appointed until the same examination grade or lower than the examination grade that the applicant received when he or she was appointed from that list, has been reached for consideration on the appropriate promotion unit list, general promotion list for that promotion unit or open-competitive list in the court or court agency in question.

26.3(b) The appropriate (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts will consider competing requests for voluntary reassignments and transfers according to the guidelines listed in Section (3)(a) above, using the roster of requests for reassignment or transfer promulgated by the Appointments Unit. The (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts shall only consider the smallest number of applicants necessary to find a suitable candidate. The (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Presiding Judge of the Court of Claims; Chief Administrative Judge for the Office of Court Administration; and District Administrative Judge or an appropriate local judge in the trial courts shall have the sole discretion

in determining whether any applicant for reassignment or transfer will be selected. Such determination shall not be grievable.

26.4 Notification of Rejection. No employee seeking reassignment or transfer must be selected. However, if an employee having at least one year of permanent continuous service in his/her present title, position and location is denied reassignment or transfer after being interviewed for such position, such employee will be notified in writing that his/her request is denied. The Appointments Unit, the Clerk of the Court of Appeals, a Presiding Justice of an Appellate Division, the Presiding Judge of the Court of Claims, the District Administrative Judge and the Chief Clerk of the court will be notified of the disposition of all vacancies and receive copies of the correspondence sent to applicants.

26.5 Reciprocity. This provision shall not be operative unless the specific position to which an employee seeks to be reassigned or transferred is covered by a collective negotiating agreement which contains an identical provision as that contained herein. If a conflict exists, the collective negotiating agreement covering the position to which an employee seeks to be reassigned or transferred will govern how an employee's application will be considered.

26.6 Prior to transferring or reassigning employees involuntarily the State will seek volunteers to fill such vacancies.

ARTICLE 27

CHILD CARE/ELDER CARE DEVELOPMENT COMMITTEE

The Child Care/Elder Care Development Committee composed of representatives from the UCS and the Union shall continue. This committee shall develop guidelines and procedures for the implementation of this Article.

ARTICLE 28

POSTING OF VACANCIES

When vacancies are authorized to be filled, a notice of such vacancy shall be posted at all relevant work locations on a statewide basis at least five workdays prior to filling except when

such vacancies are to be filled on an emergency basis. An inadvertent failure to post at a particular location shall not invalidate an otherwise valid appointment. Announcements of vacancies shall contain the title of the position or positions to be filled, minimum qualifications required for appointment and the work location of the vacancies.

ARTICLE 29

PERSONNEL AND PAY PRACTICES

29.(1) **Personal History Folders.** An employee shall be given a copy of every statement concerning his/her work performance or conduct prepared during the term of this Agreement if such statement is to be placed in his/her personal history folder. Prior to being given a copy of such statement, the employee must sign a form which shall indicate only that he/she was given a copy of the statement but that he/she does not necessarily agree with its contents. The employee shall have the right, but not the obligation, to answer any such statement filed and the answer shall be attached to the statement in the employee's personal history folder. Only evaluatory statements prepared by a superior with respect to the employee's work performance or conduct, which are given to the employee in accordance with the procedure outlined above, may be used in any subsequent disciplinary action against the employee.

29.1(a) An employee shall be permitted to view his/her personal history folder twice a year upon request, and when an adverse personnel action is initiated against the employee by the UCS. The view shall be in the presence of a designee of the UCS and the Union, if the employee so requests, and held at such time as the UCS may prescribe but no later than five workdays after such request is made by the employee.

29.1(b) Upon an employee's written request, any material in his/her personal history folder of an adverse nature, with the exception of disciplinary actions, personnel transactions and evaluatory statements concerning work performance, shall, if over five years old, be removed from the personal history folder. Upon an employee's written request, such material may be removed at the discretion of the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division;

Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims.

29.1(c) A Labor/Management Committee shall be established to discuss the contents of an employee's personal history folder including information covered by HIPAA.

29.2. **Notice of Termination.** Employees in noncompetitive confidential ("NCCF") or exempt confidential ("EXCF") positions shall be given at least five (5) State workdays' written notice of termination.

29.3 **Resume Pool.** Personal appointees of a judge who are displaced from their employment, and are eligible for re-hire, may submit their resumes to the Director of Human Resources who will maintain a resume pool. Newly appointed or elected Judges will be forwarded resumes from the resume pool. In addition, when a Judge is seeking candidates to fill a vacant exempt position, the Director of Human Resources will forward resumes from the pool to the Judge for consideration. The creation of this resume pool does not represent a guarantee that a displaced employee will be rehired.

29.4 **Transitional Pool.** Employees in the exempt confidential title of Secretary to Judge who are displaced from employment through "no fault" of their own during their Judge's term shall be placed in a Transitional Pool program subject to the following terms: Upon written submission by the Union, the determination of "no fault" will be made by the Director of Human Resources, in his/her sole discretion. Once such determination is made, the affected employee will be offered the opportunity to continue working in a temporary clerical position at the same grade level for a minimum of 90 days and be available for assignment in accordance with the needs of the State. The decision to continue an assignment beyond 90 days is discretionary. Such temporary assignment shall afford the employee an opportunity to secure a new position or alternative employment. Disputes regarding the Transitional pool shall not be arbitrable or otherwise reviewable through the contract grievance procedure.

29.5 Notification to Beneficiary. If during the term of this Agreement an employee dies, the State shall notify the beneficiary designated by the employee in the personnel folder as to what benefits may be available for the employee and as to where claims may be initiated for such benefits. Division of Payroll shall promptly notify the appropriate Retirement System and communicate with the beneficiary designated in the Retirement System's records.

29.6 Itemization of Paychecks. Regular paychecks shall, to the extent permitted by the State Department of Audit and Control, be itemized to include overtime and additional wage benefits (including back pay, differentials and all deductions).

29.7 Withholding Paychecks. The State shall not withhold entire paychecks when an employee has no leave balance to cover absences without pay, due to illness, provided the affected employee has at least five (5) years of service as a member of the New York State Employees Retirement System.

29.8 Salary Garnishments. The State shall make all reasonable efforts to notify employees of pending salary garnishments.

29.9 Information of Retirement Benefits. The State shall make available material describing pension benefits and provisions. Such material shall be distributed to newly hired employees at the time of appointment, or as soon as practicable thereof.

ARTICLE 30

PHYSICAL FITNESS

An employee with peace officer status periodically may be required to be tested in accordance with weight standards and physical fitness standards established by the Chief Administrative Judge. Such weight standards shall be based on the standards set forth in the Army Physical Readiness Test and shall make allowance for differences in height and frame. Such physical fitness standards shall be established by the Chief Administrative Judge in accordance with the minimum qualifications for appointment to court officer positions. An employee shall be advised of his/her test results. An employee who fails to meet such standards shall be given a

recommended program of weight reduction and physical fitness. Such employee shall be retested and encouraged to follow an individual program to improve their job performance, health and physical fitness. As part of its wellness program the UCS, in its discretion, can publicize the program, including general statistical data concerning the results of weight testing and physical fitness testing.

31.2 The Dependent Care Advantage Account Program shall continue.

31.2(a) The employer contribution to each Dependent Care Advantage Account enrollee shall continue in the same manner and subject to the same contribution formula as provided to Executive Branch employees represented by the Civil Service Employees Association, Inc.

31.3 The Medical Flexible Spending Account shall continue.

31.4 The pre-tax transportation benefit shall continue.

ARTICLE 32

COURT REPORTER PRODUCTION STANDARDS

32.1 A court reporter who fails to meet UCS-established transcript production standards and is in a delinquent status, without good cause, after 15 workdays notice shall be placed on a leave of absence until such employee's transcript production is in compliance with UCS standards. During such leave of absence an employee shall be allowed to draw accumulated and unused annual leave and compensatory time standing to his/her credit. An employee placed on such leave of absence, with or without pay, shall be entitled to continue health insurance benefits if the employee continues to pay his/her own share of the premium costs and shall be entitled to receive

Employee Benefit Fund benefits, if eligible. Imposition of such leave of absence shall not be considered as employee discipline, provided, however, that nothing herein shall prohibit the UCS from bringing disciplinary charges pursuant to Article 12 against an employee in a delinquent status who fails to meet UCS-established transcript production standards after 15 workdays on a leave of absence pursuant to this Section.

32.2 As court reporter transcript production standards have not been negotiated but were promulgated unilaterally by the UCS pursuant to their claim that they are a non-mandatory subject of negotiations, the UCS, upon demand from the Union, shall negotiate the impact of such standards in a court reporter committee which shall consider issues which include but are not limited to appropriate facilities, lighting and equipment.

32.3 Damage to Court Reporter Equipment.

32.3(a) In the event that a court reporter's equipment is damaged at the workplace and such damage is not a result of the court reporter's negligence, the State will pay the difference between the amount covered by the court reporter's insurance plan and the repair or replacement cost; provided, however, that any payment made by the State shall not exceed two thousand (\$2,000) dollars and shall be subject to receipt of satisfactory documentation.

32.3(b) A court reporter who receives payment under (a) shall not be entitled to receive reimbursement for property damage as provided for under Article 36.

32.3(c) A court reporter who does not have an insurance plan may continue to seek reimbursement under Article 36.

ARTICLE 33

DRUG TESTING

33.1 The: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims may, with reasonable cause, require an employee to submit to blood tests and/or

urinalysis to determine whether such employee has used illegal drugs or abused controlled substances. Such determination that reasonable cause exists to test an employee shall be made in the discretion of the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims sole discretion and shall not be grievable or otherwise reviewable. References to positive testing throughout this Article refer to test results which prove that an employee has used illegal drugs or abused controlled substances.

33.2 Drug Testing Peace Officers.

33.2(a) **Voluntary Drug Testing.** An employee who has a substance abuse problem may submit voluntarily to drug testing prior to testing directed by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims. Upon positive testing, he/she shall submit to the program outlined in subsection (b)(1) provided he/she is not subject to disciplinary charges for reasons other than positive testing.

33.2(b) Positive testing is prima facie evidence of misconduct and may be cause for disciplinary action. Prior to the institution of disciplinary proceedings, a preliminary meeting shall be held with a representative of the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims, the employee and his/her representative to determine whether the employee chooses to participate in a voluntary program of rehabilitation and the terms of such program. If the employee chooses not to participate, he/she shall be subject to formal disciplinary proceedings.

33.2(b)(1) Voluntary Rehabilitation. An employee who agrees to voluntarily participate in a rehabilitation or detoxification program at his/her expense shall be allowed to charge sick leave or annual leave credits while such employee participates in a rehabilitation or detoxification program. If no leave credits are available, such employee will be placed on a leave of absence without pay for the period of the rehabilitation or detoxification program. Upon certification of successful completion of such program and a retest that demonstrates that an employee is not using illegal drugs or abusing controlled substances, the employee shall be returned to his/her position. Such employee may be subject to periodic retesting upon his/her return to his/her position. If such employee tests positive upon completion of such voluntary rehabilitation program or on any subsequent occasion, he/she shall be terminated without further hearing or formal charges.

33.2(b)(2) Formal Disciplinary Hearing. An employee who chooses not to voluntarily participate in a rehabilitation or detoxification program will be subject to formal disciplinary charges. A hearing shall be held pursuant to Article 12, Disciplinary Procedure, of this Agreement to determine the appropriate penalty. Such penalty shall not be limited to those enumerated in the Procedure and may include, but not be limited to, the following:

- medical certification of voluntary participation in a rehabilitation or detoxification program at the employee's expense and successful completion of such program;
- mandatory leave of absence of up to one year with the ability to charge earned and accrued sick leave, compensatory time and annual leave credits, if any;
- assignment to light duty;
- removal of weapon on and off duty;
- periodic retesting, including retesting before a return to duty;
- suspension; and,
- termination.

33.2(b)(3) An employee may submit proof satisfactory to the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts

Within and Outside New York City) in the trial courts and the Court of Claims that he/she is taking a controlled substance for treatment of a medical condition in defense of any proposed disciplinary charges or in mitigation of penalty in a case of positive testing. Voluntary submission to testing and admittance to a rehabilitation or treatment program shall be considered in mitigation of such penalty by the hearing officer.

33.2(c) Other Disciplinary Charges. Notwithstanding any other provision of this Article, an employee may not elect to participate in the voluntary rehabilitation program set forth in subsection (b)(1) where such employee may be subject to disciplinary charges which do not result from positive testing. Employees who are subject to disciplinary charges as a result of conduct other than positive testing pursuant to this Article may not use positive testing for drugs as a defense in such disciplinary proceeding.

33.3 Drug Testing (Non-Peace Officers).

33.3(a) There are a number of signs when an employee's ability to perform his or her job is impaired which may point to the possibility that the impairment may be due to illegal drug use or abuse of a controlled substance. Such observable signs might include, but are not limited to:

- Inability to walk steadily or in a straight line;
- Altered or slurred speech or incoherent speech;
- Unexplained and abrupt changes or radical changes in behavior such as abusive language or aggressive behavior;
- Disorientation or lethargy.

33.3(b) If a supervisor reasonably believes, based on two or more signs of visible impairment, that an employee may be under the influence of illegal drugs or the abuse of a controlled substance, the following procedure should be followed:

33.3(b)(1) The supervisor and, if practicable, another supervisor, shall observe the employee's behavior and condition. Once the employee's behavior and condition are observed, the supervisor(s) should direct the employee to a private area and his/her union local president will

be contacted. The supervisor(s) must describe, in writing, the employee's behavior and condition by completing a Behavior/Incident Documentation Form.

33.3(b)(2) The supervisor shall send a copy of the completed Behavior/Incident Documentation Form to the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims. If upon review, the: Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims determines reasonable cause exists to believe such employee is under the influence of illegal drugs or the abuse of a controlled substance, management will meet with the employee and his/her union representative. The employee will be informed that he/she may be required to undergo a drug test.

33.3(b)(3) **Voluntary Rehabilitation.** In lieu of testing, the employee will be offered the option to voluntarily participate in a rehabilitation/detoxification program through the Worklife Assistance Program, which includes signing a release acknowledging that the employee agrees to comply with all of the program's requirements, including but not limited to ongoing testing, and allowing the UCS to be advised that the employee is successfully participating in the program.

33.3(b)(3)(a) Such employee will be allowed to charge leave accruals while participating in the program. If no leave credits are available, the employee will be placed on a leave of absence without pay. Upon certification of successful completion of such program and a test indicating the employee is not using illegal drugs or abusing controlled substances, he/she shall be returned to his/her position. If an employee fails to complete the program or tests positive he/she shall be placed on a leave without pay and referred to the Worklife rehabilitation/detoxification program for additional treatment. If such employee chooses not to participate, he/she shall, if eligible, be

served with formal disciplinary charges pursuant to Article 12, Disciplinary Procedures, of the Agreement.

33.3(b)(3)(b) An employee who chooses not to participate in a rehabilitation/detoxification program will be directed to undergo a drug test.

33.3(b)(4) **Drug Testing.** To the extent practicable, an employee will be required to undergo a drug test within forty-eight hours of being directed to do so by the (or a designee of): Clerk of the Court of Appeals; Presiding Justice of an Appellate Division; Chief Administrative Judge for the Office of Court Administration; and appropriate Deputy Chief Administrative Judge (Courts Within and Outside New York City) in the trial courts and the Court of Claims. Such testing will be conducted by a laboratory that is independent of the Court System.

33.3(b)(4)(a) An employee will be required to comply with the laboratory's specific procedures. The employee will have the right to request that his/her sample be split and stored. This request must be made at the time of testing and both samples must be provided at the same time. One sample shall be submitted for immediate testing. If the original sample indicates a positive drug test, the employee may request that the second sample be tested. If the second sample is negative, both tests shall be considered non-conclusive.

33.3(b)(4)(b) Alteration of a sample shall be grounds for immediate termination.

33.3(b)(4)(c) An employee who is directed to undergo a drug test will be placed on a leave of absence without pay while the test results are pending. During this waiting period, the employee shall be allowed to charge accrued leave. If the test results are negative, the employee will be returned to his/her position and any accruals used during the waiting period will be restored. If the test results are positive, the employee will be required to submit to a rehabilitation/detoxification program under the conditions described above. Upon certification of successful completion of such program and a test indicating the employee is not using illegal drugs or abusing controlled substances, he/she shall be returned to his/her position.

ARTICLE 34

DRESS CODE

34.1 Employees whose duties are performed in workplaces which are accessible or visible to the general public shall wear appropriate business attire. For purposes of this Article, the term "appropriate business attire" shall be defined as follows:

34.1(a) a business suit, blouse or dress shirt and tie; trousers/slacks (jeans not acceptable), with coordinated blouse or dress shirt and tie; a skirt with coordinated blouse/sweater/dress shirt; a dress; and, at the employee's option, a jacket/sports coat, and

34.1(b) business shoes.

The wearing of a suit jacket or sports coat shall not be required from June 22 to September 1 of each year. The application of this provision shall be subject to the grievance procedure. The provisions of this Section may be waived in the event the provisions of Section 9.17 of this Agreement become applicable.

34.2 All employees holding titles in the court clerical series who are assigned to trial courts in the First and Second Department shall wear appropriate business attire, which shall include a State-approved blazer with patch. For purposes of this Section, the term "appropriate business attire" shall be defined as follows:

34.2(a) State-approved blazer with patch; dress pants (denim material not acceptable), with coordinated blouse/sweater/dress shirt; a skirt with coordinated blouse/sweater/dress shirt; or a dress; and

34.2(b) business shoes.

34.3 Effective April 1, 2022, all active employees required to wear the State-approved blazer and eligible under Section 34.7 below, shall receive an annual maintenance allowance of \$1,250, which payment shall not be added to basic annual salary but which shall be pensionable. The maintenance allowance shall be paid in equal parts in June and December of each year in a separate check.

34.4 Effective April 1, 2023, each employee who is required to wear the State-approved blazer and eligible under Section 34.7 below, shall receive an annual maintenance allowance of \$1,290, which payment shall not be added to basic annual salary but which shall be pensionable. The maintenance allowance shall be paid in equal parts in June and December of each year in a separate check.

34.5 Effective April 1, 2024, each employee who is required to wear the State-approved blazer and eligible under Section 34.7 below, shall receive an annual maintenance allowance of \$1,325, which payment shall not be added to basic annual salary but which shall be pensionable. The maintenance allowance shall be paid in equal parts in June and December of each year in a separate check.

34.6 Effective April 1, 2025, and each year thereafter, each employee who is required to wear the State-approved blazer and eligible under Section 34.7 below, shall receive an annual maintenance allowance of \$1,365, which payment shall not be added to basic annual salary but which shall be pensionable. The maintenance allowance shall be paid in equal parts in June and December of each year in a separate check.

34.7(a) To be eligible for the maintenance allowance payable in June above, an employee must have been on the payroll on May 31. An employee on a leave of absence without pay on May 31 who returns to duty prior to the payment of the December allowance shall receive the June allowance upon return to duty.

34.7(b) To be eligible for the maintenance allowance payable in December, an employee must have been on the payroll on November 30. An employee on a leave of absence without pay on November 30 who returns to duty prior to the payment of the June allowance shall receive the December allowance upon return to duty.

34.8 There shall be no proration of the maintenance allowance.

34.9 **Dress Code Inspection.** The State shall conduct periodically, but at least bi-annually, a dress code inspection. An eligible employee who, during such inspection, fails to meet the

minimum standards as established by the State, shall not be eligible to receive the maintenance allowance until all noted deficiencies are corrected.

ARTICLE 35

TITLE STANDARDS

The State will advise new employees of their Civil Service Status. Effective as soon as practicable after the execution of this Agreement the State shall provide to the Union two complete copies of the title standards as promulgated by the State. The State will provide amendments to the title standards to the Union as soon as practicable after promulgation.

ARTICLE 36

REIMBURSEMENT FOR PROPERTY DAMAGE

The State agrees to provide for the uniform administration of the procedure for reimbursement to employees for personal property damage or destruction as provided for by subdivisions 12 and 12-c of Section 8 of the State Finance Law and to provide for payments of up to \$350. Allowances shall be based upon the reasonable value of the property involved and payment shall be made against a reasonable release. A Labor/Management Subcommittee shall be established to resolve disputes regarding reimbursement under this Article.

ARTICLE 37

HEALTH AND SAFETY

Adequate, clean, structurally safe and sanitary working facilities shall be provided for all employees. A safety and health Labor/Management Committee shall continue for the purpose of discussing and resolving concerns related to safety and health and to study and make recommendations concerning safety and health issues. The Committee shall be composed of six members designated by the State and six members designated by the Union. The Committee shall be authorized to visit work sites as necessary and appropriate.

ARTICLE 38

SENIORITY

The term “seniority” shall refer to the length of an employee’s service in the UCS. Service credited with the UCS effective April 1, 1977, shall be included when computing length of service. In addition, service credited to the UCS upon a transfer of function as defined in Section 25.26(c) of the Rules of the Chief Judge shall be included when computing length of service.

Subject to the reasonable operating needs of the court, assignment of annual leave, compensatory time, holiday work or alternative work schedules shall be made at the times desired by the employee to the extent practicable in order of seniority. In the event that more employees request the same time off or an alternative work schedule than can be reasonably spared for operating reasons, such time will be granted to such employees in order of seniority. When the State determines to create a new work schedule (shift) or to assign an employee to an existing work schedule (shift), such assignment shall be made based on seniority among employees assigned to the same work location in a court or court-related agency. For purposes of this Section, the term “work location” shall mean any location[s] which comprise a single unit for the assignment of annual leave.

Seniority shall resolve conflicts among employees in the same title in scheduling the use of annual leave or compensatory time. If two or more employees in the same title have the same seniority, a conflict in scheduling shall be resolved by lot.

ARTICLE 39

SEVERABILITY

In the event that any portion of this Agreement is found to be invalid by a tribunal of competent jurisdiction, then such provision shall be of no force and effect, but the remainder of this Agreement shall continue in full force and effect. Upon the issuance of such decision, then either party shall have the right immediately to reopen negotiations with respect to a substitute for such provision which has been held to be invalid.

ARTICLE 40

CONCLUSION OF COLLECTIVE NEGOTIATIONS

This Agreement is the entire Agreement between the UCS and the Union, terminates all prior agreements and understandings and concludes all collective negotiations during its term. During the term of this Agreement, neither party will unilaterally seek to modify its terms through legislation or any other means. The parties agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement. The parties acknowledge that, except as otherwise expressly provided herein, the Union waives any rights to further negotiations during the term of this Agreement inasmuch as the parties have fully negotiated with respect to the terms and conditions of employment and have settled them for the term of this Agreement in accordance with the provisions thereof.

ARTICLE 41

APPROVAL OF THE LEGISLATURE

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

ARTICLE 42

CONFLICT WITH AGREEMENT

Where the Rules of the Chief Judge and Chief Administrative Judge and the Agreement conflict, the provisions of this Agreement shall prevail.

ARTICLE 43

DURATION OF AGREEMENT

The term of this Agreement shall be from April 1, 2021 through March 31, 2026.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their representatives on May 2, 2023.

APPENDIX B
PERFORMANCE EVALUATION

**DETERMINATION OF UCS/CSEA
PERFORMANCE EVALUATION REVIEW PANEL**

In accordance with Section 7.6(a) of the 1991-95 collective bargaining agreement ("Agreement") between the State of New York-Unified Court System ("UCS") and the Civil Service Employees Association, Inc., Local 1000, AFSCME, AFL-CIO ("CSEA"), the Performance Evaluation Review Panel ("Panel") established by Section 7.6(c) of the Agreement, hereby resolves procedures relating to the forms, frequency and appeals process of a performance evaluation system applicable to CSEA-represented employees as follows:

1. Evaluation forms for titles represented by CSEA shall follow the general format of the evaluation form for the court clerk title series attached hereto as Appendix A.
2. The evaluator and employee shall have a meeting at the beginning of the annual evaluation period at which time they shall discuss the tasks on which the employee will be evaluated. The evaluator shall indicate such tasks on the evaluation form.
3. At midpoint of the evaluation period, the evaluator and the employee shall meet to assess the employee's performance and prepare a development plan identifying objectives to be achieved and/or development activities to be undertaken during the next evaluation segment.
4. After three months and nine months of the annual evaluation period, the evaluator and employee shall meet to assess the employee's performance if either the evaluator or employee requests such meeting. Additional informal reviews are encouraged.

5. At the end of the annual evaluation period, the evaluator and employee shall have a meeting at which the evaluator presents his annual final written evaluation of the employee for discussion. If, as a result of such discussion, the evaluator decides to revise his annual final written evaluation, the evaluator and employee shall meet again to discuss the revision.

6. Each employee shall have the right to prepare a written response to his/her annual final written evaluation, which shall be attached physically to such evaluation and all copies of it.

7. Any employee whose overall performance in an annual final written evaluation is rated "unsatisfactory" shall receive a written statement with such evaluation which advises him/her of the right to appeal the evaluation, describes the time limit for doing so, provides an appeal form and gives notice of the right to contact a CSEA Local President or representative or CSEA's Department of Contract Administration at CSEA Headquarters (1-800-342-4146). Copies of the written statement and appeal form referred to in this paragraph are attached as Appendices B and C.

meeting at which such oral argument or witnesses are heard. An appealing employee who attends such meeting shall be granted time off from work, including travel time, for such purpose without charge to leave credits. The appealing employee shall not be eligible for employee organization leave to prepare for attendance at a Panel meeting. Neither the appealing employee nor a CSEA representative who is a UCS employee shall be eligible to request UCS travel expense reimbursement to attend such meeting.

10. The Panel shall issue a written decision no later than ten working days after the close of its review or as soon thereafter as practicable. If the Panel sustains an appeal, the evaluation shall be returned to the evaluator for reconsideration consistent with the Panel's decision, and a revised evaluation which shall indicate an overall rating other than "unsatisfactory" shall be given to the employee for signature and placement in his/her personnel file no later than 30 calendar days after the Panel's decision.

11. If an employee's increment or longevity increase was not paid as a result of an "unsatisfactory" rating and the Panel sustains his/her appeal, the employee's salary (including retroactive payment, if any) shall be adjusted to include the increment or longevity increase no later than two pay periods after the Panel has rendered its decision or as soon thereafter as practicable.

12. CSEA shall receive an annual breakdown of final overall performance ratings by job title and rating category by CSEA negotiating unit.

Re: Revised Performance Evaluation Forms

Legal Series

Pursuant to Section 14.6 of the 1999-2003 collective Agreement between the State and your Union, a Labor/Management Committee was established to discuss modifications to the performance evaluation system including revisions of the current performance evaluation forms and procedures. In July of this year, the Deputy Chief Administrative Judge for Management Support approved the Committee's recommendation to pilot these new forms.

In response to concerns raised about identity theft and social security numbers, where an employee has a New York State retirement number, that number will be used for tracking purposes and indicated on the form. In the absence of a New York State retirement number, the social security number will be used.

Based upon the positive response to the pilot of these new forms, the Deputy Chief Administrative Judge for Management Support has approved the Committee's recommendation to replace the forms presently in use for the above-referenced series with the attached forms under the terms that follow:

1. The rating period shall continue to correspond with the fiscal year.
2. Employees shall be evaluated on an annual basis, no later than March 1, unless the employee is probationary or if the employee received a rating that was other than meets job requirements in the previous rating period.

3. Probationary employees will continue to receive evaluations on the schedule outlined in the Probationary Review Process.
4. With the exception of the modifications detailed in paragraphs 1-3 above, the terms of Article 7 shall remain in full force and effect.

Your signature below will acknowledge your agreement to the use of these forms for employees in your bargaining unit under the terms described herein. Your cooperation in returning this letter agreement as soon as possible is greatly appreciated as it will ensure the use of these forms in the final rating period for FY 2002-2003.

Very truly yours,

APPENDIX C

Procedures and Guidelines for the Implementation and Administration of Section 9.3(i), Sick Leave Bank, of the 2021-2026 Agreement between The State of New York-Unified Court System and The Civil Service Employees Association, Inc. Local 1000, AFSCME (AFL-CIO)

Purpose of the Sick Leave Bank

A Sick Leave Bank ("Bank") was established in April 1994, pursuant to Section 9.3(i) of the 1991-95 collective Agreement between the State of New York-Unified Court System ("UCS") and the Civil Service Employees Association, Inc., Local 1000, AFSCME (AFL-CIO) ("Union") and has been continued in Section 9.3(i), Sick Leave Bank, of the 2017-2020 Agreement ("Agreement") between the parties. The Bank is jointly administered by the parties for the benefit of employees in the State Judiciary Negotiating Unit ("Unit") who are necessarily absent from work due to illness, injury or disease; who have exhausted all sick leave, annual leave, compensatory time, overtime credits, pre-tour prep time and workers' compensation leave to which he/she may be entitled (if applicable); and have a reasonable expectation of being able to resume performance of the duties of his/her position, as certified by his/her medical practitioner.

Administration of the Sick Leave Bank

The Bank is administered by a Sick Leave Bank Committee ("Committee"), composed of the Administrative Director and one Union representative or their respective designees. The Committee is charged with establishing and/or revising: forms; procedures and guidelines for the submission and determination of applications by employees for Sick Leave Bank Credits ("Bank Credits"); and for reviewing and making determinations on the applications submitted.

The Committee shall meet periodically, but at least once each calendar month during which applications for Bank Credits have been received. The concurrence of the two members shall be necessary for a grant of Bank Credits. Meetings of the Committee may be conducted by telephone or electronic means. Nothing herein shall prevent members of the Committee from having additional persons available to assist the Committee. By agreement between the parties, one court system employee from each CSEA "Region" may be appointed by the President of CSEA, Local 1000 to assist the Union representative on the Committee. This representative may assist the CSEA Committee member on Bank requests filed by employees in his/her "Region" only. The representative also may assist employees in the preparation of their application to the Bank. The UCS representative on the Committee may contact the district or court to which the applicant is assigned for information on the employee's prior time and leave usage and the nature of previous illnesses, injuries or disabilities (if any,) which may be mitigating factors in the employee's absences and use of leave accruals. Any time spent preparing for and attending meetings of the Committee will be charged to employee organization leave pursuant to Section 4.7 of the Agreement.

Participating Employees – Sick Leave Bank Funding

CHARGES TO EMPLOYEES

1. The Sick Leave Bank offers membership to all qualified employees in the CSEA bargaining unit. Employees who do not desire to join the Bank must provide written notice to the UCS that they do not wish to participate within the open-enrollment period noted below. Thereafter employees may choose to join, pursuant to the eligibility requirements contained herein, if they so choose but will be required to have a minimum sick leave balance of 8 days and contribute the total amount of time that employees with the same length of service contributed.

Employees with a minimum of 8 days of accumulated sick leave standing to his/her credit during the open enrollment period will commence participation in the Bank by contributing 14 hours plus all annual charges for any prior years in which the enrollee could have joined but did not. On each succeeding April 1st, the Bank will be further funded by an annual charge of up to seven hours of sick leave made against the accumulated leave credits of each member employee. This annual charge will be made effective the last day of the first accrual period after April 1st. If it is determined by the Union that there are sufficient days in the Bank, this annual charge may be waived by the Union, upon notice to the UCS prior to April 1st. Employees with insufficient sick leave on the day the annual charge is deducted will have the deduction taken from annual leave, and if none, from any compensatory time or pre-tour prep time (if applicable) standing to the employee's credit. If the employee has no accruals, the deduction will be taken from subsequent accruals of sick leave.

Employees who are absent from work using Bank Credits during the period this annual charge is made shall not be required to make the annual donation.

2. Employees who were on the payroll and eligible to participate in the Bank but who choose not to do so, may not elect to participate in the Bank at a later date absent the agreement of the Bank Committee. If permitted to join, they will be required to contribute the same amount of sick leave accruals as those employees who joined the Bank at the time of the applying employee's initial eligibility. Eligibility begins at the time the employee either did or could have earned 8 sick leave days.
3. An employee who enters the bargaining unit after the initial deductions will be immediately eligible for membership in the Bank (provided he/she does not waive membership in writing) and will be required to contribute 14 hours of accrued and unused sick leave to the Bank provided they have the minimum number of days of sick leave standing to their credit.

ADDITIONAL FUNDING

The parties acknowledge that for the period April 1, 1994 through March 31, 1995, the Bank was credited with a total of 2,350 sick leave days from sources other than employee contributions. An employee who separated from service between April 1, 1994 and March 31, 1995, who is reinstated to UCS service pursuant to applicable rules of the Chief Administrative Judge, shall have any sick leave credits which were a part of the 2,350 days restored to him/her.

The parties acknowledge that due to the change in the status of the Bank to one which requires participation unless the employee declines membership in writing, additional funding is necessary to ensure the Bank has sufficient credits for the membership. Therefore, the parties have agreed that under the terms of this Agreement, any sick leave accrued and unused by employees who left the service of the UCS during such period shall be credited to the Bank up to a maximum of 2,140 days. Additionally, at the sole discretion of the Union, up to 2,000 hours of unused EOL time may be used for Bank funding. An employee who separated from service between November, 2002, and March 31, 2004, who is reinstated to UCS service pursuant to applicable rules of the Chief Administrative Judge, shall have any sick leave credits which were a part of the 2,140 days restored to him/her.

Eligibility for Bank Credits

1. To be eligible to make an application for Bank Credits, an employee member must be necessarily absent and have exhausted all sick leave, annual leave, compensatory time, overtime credits, pre-tour prep time and workers' compensation leave to which he/she may be entitled (if applicable).
2. To be eligible for a grant of Bank Credits, an employee must be necessarily absent and unable to perform the duties of his/her position (and have exhausted all accruals in accordance with #1, above). Proper medical documentation will be required justifying the need for the employee's continued absence.
3. The maximum number of days which can be extended to a Bank member for any given illness, injury or disability shall be 1,603 hours. Bank Credits may be extended to the employee at a full-time or part-time rate as determined by the Bank Committee.
4. Disability occasioned by pregnancy shall be treated as ordinary disability for the purpose of using Bank Credits. Bank Credits shall be available only during a period of actual disability as certified by appropriate medical documentation. Unless otherwise noted by medical documentation, a pregnant employee may be presumed to be actually disabled only for the period four weeks immediately prior to the expected date of delivery and a maximum of eight weeks following delivery.
5. Should an employee who received a grant of Bank Credits return to work at an earlier date than anticipated, the excess Bank Credits unused at the time of his/her return to work will be restored to the Bank.

Application for Bank Credits

Applications for Bank Credits are made on the form promulgated by the Committee and shall be submitted directly to the Deputy Director for Employee Relations or his/her designee. An employee requesting Bank Credits may submit his/her application at any time after the occurrence of the injury or the onset of the illness/disability; it is recommended that an employee submit an application at least 20 workdays (30 calendar days) before the employee's leave accruals are exhausted. THERE CAN BE NO RETROACTIVE GRANTS OF BANK CREDITS ABSENT EXTENUATING CIRCUMSTANCES AS DETERMINED IN THE SOLE DISCRETION OF THE COMMITTEE - AN EMPLOYEE MUST ENSURE THAT HIS/HER APPLICATION

REACHES THE COMMITTEE PRIOR TO THE EXHAUSTION OF THEIR PERSONAL ACCRUALS. The date of postmark or the date of personal delivery to the Employee Relations Division is considered the date of submission. The Deputy Director for Employee Relations shall forward all applications to the Committee as soon as practicable after receipt of the request for Bank Credits.

A record of each application for Bank Credits shall be maintained in the Employee Relations Division in a confidential and secure setting. Only Committee members or their respective designees shall have access to such records. Provided, however, that for purposes of designating an employee's absences under FLMA, the administrative office where the employee is assigned may receive a copy of the medical certification.

NO EMPLOYEE IS GUARANTEED A GRANT OF BANK CREDITS. MEDICAL DOCUMENTATION SATISFACTORY TO THE COMMITTEE WILL BE REQUIRED FOR ANY AND ALL GRANTS OF BANK CREDITS. THE NATURE OF THE ILLNESS/ INJURY/DISABILITY, TOGETHER WITH THE PRESCRIBED TREATMENT AND PROGNOSIS FOR RETURN, IS REQUIRED FROM THE MEDICAL PRACTITIONER.

THERE SHALL BE NO GRANTS OF BANK CREDITS IN EXCESS OF THOSE ACTUALLY HELD IN THE BANK.

Review and Determination

Determinations by the Committee are based on the following criteria:

- i) length of service;
- ii) nature of the disability, including whether the disability prevents the employee from performing "light duty";
- iii) attendance, whether or not the employee had been determined to have had a poor record of attendance by the final determination of discipline or the alternative disciplinary procedure for time and attendance infractions; and
- iv) the maximum number of days which can be granted to an employee is 1,603 hours (at a full-time or part-time rate).

The two members of the Committee must concur that Bank Credits shall be granted. Once the request is approved by the Committee the designee of the Administrative Director shall send a letter to the employee notifying him/her of the approval or denial of his/her request. Copies of this letter shall be sent to the appropriate payroll and personnel units, the Executive Assistant, the employee's Unit Head or Chief Clerk (whichever is applicable) and each Committee member.

An employee denied Bank Credits may resubmit his/her application with additional medical documentation or an explanation in support of his/her request for Bank Credits for reconsideration by the Bank Committee. The decision to grant or deny Bank Credits, in whole or in part, is not grievable or otherwise reviewable.

A grant of Bank Credits does not require extension of any employment beyond the time at which it otherwise would terminate by operation of law, rule or regulation.

Medical Documentation

In addition to the medical documentation required with a Bank member's application, the Committee may periodically require that an employee who is receiving Bank Credits supply medical documentation satisfactory to the Committee supporting the need for his/her continued absence. The Committee also may request that the employee be examined by a physician selected by the UCS to determine the need for his/her continued absence. Failure by an employee to provide such documentation, or to submit to a scheduled examination, may result in immediate denial of further Bank Credits.

Any medical documentation received by the Committee will be maintained in the Employee Relations Division in a confidential and secure setting. This information will be made available only to the Committee members and their designees, and the employee's Administrative Office for the purpose of making determinations concerning an employee's eligibility for Bank Credits and designating FMLA.

Leave Accumulation

An employee who is charging Bank Credits for his/her absences will continue to earn annual and sick leave credits. Such accruals of annual leave shall be charged prior to the charging of Bank Credits. An employee receiving Bank Credits shall continue to earn and accrue sick leave credits for use upon his/her return to active UCS service. Accumulation of leave credits will not require extension of any employment beyond the time at which it would otherwise terminate by operation of law, rule or regulation or pursuant to Section 9.3(k), Incapacitated Employees, of the Agreement. Provided, however, that if an employee retires from State service due to illness, injury or other qualifying disability and he/she was using Bank Credits immediately prior to his/her retirement, any Bank Credits granted shall be restored to the Bank.

Continuation of Bank Program

The Bank will be continued unless the UCS and Union expressly agree to discontinue it. Any Bank Credits remaining in the Bank at the time the Bank is discontinued shall be restored, on a pro rata basis, to the accumulated sick leave credits of each employee who elected to participate in the Bank and at the time of the Bank's dissolution was still a member in the Bank.
