MAY 2026 Term Calendar

This is a TENTATIVE calendar of argued and submitted cases. For those cases being argued, the listing below is intended to indicate only the date and time argument has been scheduled to occur and not the sequence in which the cases will be called. An updated Session Calendar, indicating the Justices sitting for a particular session, the attorneys arguing, and the time allowed for each argument, will be posted on the Appellate Division, Third Department website (www.nycourts.gov/ad3) one week prior to the beginning of the term. The Court's policy requires notice of any calendar changes at least 24 hours prior to argument and your failure to abide by this policy could result in the imposition of costs. Please be advised the Court's arguments are streamed live via the Court's website.
