GENERAL SPECIFICATIONS

In addition to such other terms, conditions and provisions presented herein, the NYS Unified Court System Standard Request For Bid Clauses & Forms - Attachment I, ST-220 Contractor Certification Attachment II, Vendor Responsibility - Attachment III and UCS Attachment IV are attached and incorporated herein.

Background:

This Request For Proposals ("RFP") has been developed in collaboration with the Office of Court Administration's Office of Alternative Dispute Resolution and Court Improvement Programs (hereinafter "Office of ADR/CIP"). The Statewide Children's Center Program was developed by the Permanent Judicial Commission on Justice for Children (hereinafter "the Commission"). The Commission was established in 1988 to address the problems of children whose lives and life-chances are shaped by the New York State court system.

To address the needs of children spending time waiting in New York State's courts, the Commission initiated the Children's Center project. The Children's Centers promote more efficient court operations. They also achieve two important objectives for children and their families: they assure that care givers can fully participate in court proceedings, and that the time children spend in court is safe and productive.

The Children's Centers provide a separate, safe and supervised environment for children who must be in court in connection with matters involving them or their care givers.¹ They also provide an opportunity to link some of the state's neediest children and families to vital services and programs they are entitled to but not receiving.

The Children's Centers operate year-round when the court is open. Children's Center staff is trained in childcare and early childhood development. Staff provides age-appropriate activities and toys; books and materials so that the time children spend in court can be used to promote their social, educational and recreational development.

The Children's Centers provide an opportunity to connect children and families to essential services and programs such as WIC, the food stamp program, head start, the local child care resource and referral agency, local child care programs, the early intervention program and supplemental security insurance (SSI).

Purpose & Scope:

The New York State Office of Court Administration - Contracts & Procurement Administration (hereinafter OCA/CPA) is seeking sealed proposals on behalf of the Office of ADR/CIP. This RFP is seeking proposals for the ongoing operation of the existing Children's Center in **Suffolk County District Court.**

¹Caregiver is defined as a parent, guardian or other person responsible for the care of a child.

The Children's Center program consists of two parts:

- Providing quality drop-in child care for children who must be in court in matters involving them or their care givers, and
- Connecting children and families to educational, social and health services.

It is the intent of this solicitation to award a single contract for the Children's Center in Suffolk District Court. On behalf of the Office of ADR/CIP, The New York State Office of Court Administration - Contract & Procurement Administration Unit (C&PA) is soliciting sealed proposals for the purpose of establishing a single contract providing for the services specified herein.

Proposal due date:

All proposals must be received **on or before APRIL 16, 2009 AT 2:00 PM,** to receive consideration.

Contract term:

The term of any awarded contract shall be for a period of one year, nine months commencing **June 01, 2009 - March 31, 2011**. Any such renewal or extension shall be subject to the approval of the NYS Attorney General (hereinafter OAG) and the NYS Office of the State Comptroller (hereinafter OSC).

Method of Award:

Award shall be made to the responsible proposer who receives the highest point value as indicated in **Award Criteria**. Responsible shall be defined to include, but not be limited to, compliance with these specifications, references, bidder's performance history, financial stability, resources, cost factors and experience with comparable awards/contracts.
