

Q&A for RFB# OCA/CP-155-B
Bottled Water Services
Bid Opening: December 8th, 2009 - 3 p.m.

Deadline to ask questions regarding this RFB was November 25th, 2009 - 4 p.m.

1. Q.

Euclid Infotech is a company based in Mumbai, India. We are interested in participating in the tender mentioned above hence want to get more information about the same.

Considering the geographical constraint of personally reviewing the document, I request you to provide us the following details before we buy the document:

- 1) List of Items, Schedule of Requirements, Scope of Work, Terms of Reference, Bill of Materials required.**
- 2) Soft Copy of the Tender Document through email.**
- 3) Names of countries that will be eligible to participate in this tender.**
- 4) Information about the Tendering Procedure and Guidelines**
- 5) Estimated Budget for this Purchase**
- 6) Any Extension of Bidding Deadline?**
- 7) Any Addendum or Pre Bid meeting Minutes?**

A. Thank you for your interest in our bottled water bid. However, as per the policy of the New York State Unified Court System, our bid solicitations are not open to bidders outside the United States.

2. Q. Will we have to re do the whole bid package or just the Regional sheets that show the monetary calculations ?

A. A new RFB will be issued shortly (OCA/CP-155-B) and it will need to be filled out in it's entirety, including all required attachments and the correct corresponding price sheets.

3. Q. My concern is that other bidders know what I bid initially (at the last bid opening - OCA/CP-155A - where no-award was declared) and could now change their bids. Is the bid pricing available to the bidders who were not at the bid opening?

A. The bid opening is a public opening, so anyone in attendance would know what was bid. Attached, please see the bid results as they were called out at the opening.
