

Q: Does every signature need to be notarized or just the one Notary page?

A: The person who signs the bid form must sign all other required documents. The acknowledgment of corporation must be notarized as well as the VR questionnaire. OCA encourages bidders to file the VR questionnaire electronically with OSC (see Attachment III in the specs).

Q: Can the 5 completed copies (in addition to the original) be photocopies or do all 6 submitted bids need to be filled out and notarized individually?

A: The 5 copies are photocopies of the original.

Q: Can you clarify from the "Bid Response/Proposal" section of the General Specifications. Is the "Bid/Proposal" the Pricing Sheet? If not, what exactly is this document?

A: The Bid Response/Proposal is your entire response to our solicitation, including the Pricing Sheet and all required documents.
