4. Q: In lieu of a PT-PT proposal, will the NYS Office of Court Administration accept and seriously consider a MPLS solution ? If yes, please answer the following questions.

A - Integration into the existing Nortel routers would be necessary, what is the interface? Is there an external CSU/DSU or do the circuits terminate directly in the routers?

QUESTIONS & ANSWERS

Revised

B - What model are the Nortel routers?

C - Is QoS / DSCP bit marking being used? If so, what are the markings (e.g., EF, AF41, AF21, BE, etc...)?

D - What routing protocol is being used? BGP, OSPF?

E - Would you like the chosen vendor assisting in programming the routers?

A: This bid is for point-to-point dedicated T-1s only. For the purposes of this bid we will only consider proposals that meet this requirement.
