

## Questions and Answers

### **OCA/ADRCIP RFP #004: Children's Centers in the Courts**

Q. Am I correct in assuming that OCA already has providers for Bronx, Kings and NY County's Family Courts?

A. The Bronx Family Court, Kings Criminal Court and New York Family Court currently have operational children's centers funded under contracts between the NYC Administration for Children's Services and provider Safe Horizon. These contracts are terminated effective June 30. There is no current UCS contract to provide Children's Centers services in these courts. This RFP is to bid to serve as a service provider as of July 1.

Kings Family Court Children's Center is not part of this RFP and is operated under a contract between UCS and Safe Horizon.
