

STUDENT AMBASSADOR PROGRAM

THE NEW YORK STATE UNIFIED COURT SYSTEM

The Student Ambassador Program is a unique internship, offering students unparalleled opportunities for personal and professional growth. Student Ambassadors work closely with Judges and court personnel to learn about court operations and court initiatives. Students in this program from high school, college, graduate school and law school play an active role in the court system's public education efforts, imparting the knowledge they acquire about the role of the courts to their peers and the community.

As a Student Ambassador you will be able to . . .

- Increase your knowledge of the judicial system by acquiring hands-on experience in a court setting
- Gain leadership, analytical and public speaking skills as you develop and implement a project involving public outreach
- Fulfill academic internship requirements

What are the Requirements for Participation in the Program?

Student Ambassadors must serve a minimum of one semester and maintain a GPA of 3.0 or "B" or higher.

How Does One Apply?

To obtain additional information about the program or the application process, please email:
