

1023.6

(a) When authorized by statute the director may request that the court award the Service a reasonable fee.

(b) The director's requests for fees for the services of attorneys shall not exceed the hourly rates of compensation set forth in section 35 of the Judiciary Law; and the director's requests for fees for the services of non-lawyer professionals shall not exceed the hourly rate of compensation set forth in the Unified Court System's compensation rate guidelines for court-appointed non-lawyer professionals.

(c) Fees awarded the Service shall be maintained and dispensed in accordance with law.
