National Consortium on Racial & Ethnic Fairness in the Courts

CONFERENCE INVITATION LETTER

April 24, 2015

Greetings:

I invite you to attend our 27th Annual Conference entitled **Uniting Communities: Justice For All**. The Conference will be held from June 10-13, 2015 in Buffalo, New York. The Conference promises to be exciting and empowering as we bring together leaders from within the courts, government, private sector, and universities to discuss relevant and timely issues facing communities of color. This year's Conference will feature a Town Hall Meeting at which we will tackle the critical issue of the relationship between law enforcement and the community and the means to improve that relationship. Also, there will be insightful compelling plenary sessions and dynamic workshops.

We are proud to host the Conference in "The City of Good Neighbors" Buffalo, New York. The Conference will close with an option of touring Niagara Falls and visiting the sites of the Underground Railroad where fugitive slaves found safe haven on their journey of freedom to Canada.

It will indeed take communities uniting to ensure the promise of equality and justice in the courts. We hope that you will be part of the discussion and the solution. Hope to see you at this year's Conference. For information on how to register for the conference and the tour, please visit our website at: <http://www.national-consortium.org/Conference/2015-Registration.aspx>. Also for your convenience enclosed are the conference program and registration form.

Warm Regards,
