PENAL LAW 490.45(1)  
(Committed on or after July 23, 2004)**

The \_\_\_\_\_ count is Criminal Possession of a Chemical Weapon or Biological Weapon in the First Degree.

Under our law, a person is guilty of Criminal Possession of a Chemical Weapon or Biological Weapon in the First Degree when he or she possesses any select chemical agent with intent to use such agent to cause serious physical injury to, or the death of, another person; and

intimidate or coerce a civilian population;

influence the policy of a unit of government by intimidation or coercion; [or]

affect the conduct of a unit of government by murder, assassination, or kidnapping.

Some of the terms used in this definition have their own special meaning in our law. I will now give you the meaning of the following terms: "possess," "select chemical agent," "intent" and "serious physical injury."

POSSESS means to have physical possession or otherwise to exercise dominion or control over tangible property.<sup>1</sup>

---

<sup>1</sup>See Penal Law § 10.00(8). If necessary, an expanded definition of "possession" is available in the section on General Instructions under Possession.

SELECT CHEMICAL AGENT means an identified chemical weapon, including (*specify*).<sup>2</sup>

INTENT means conscious objective or purpose.<sup>3</sup> Thus, a person acts with intent to use any select chemical agent to cause serious physical injury to, or the death of, another person and

intimidate or coerce a civilian population;

influence the policy of a unit of government by intimidation or coercion; [or]

affect the conduct of a unit of government by murder, assassination, or kidnapping,

when his or her conscious objective or purpose is to do so.

SERIOUS PHYSICAL INJURY means impairment of a person's physical condition which creates a substantial risk of death or which causes death or serious and protracted disfigurement, protracted impairment of health or protracted loss or impairment of the function of any bodily organ.<sup>4</sup>

In order for you to find the defendant guilty of this crime, the People are required to prove, from all the evidence in the case, beyond a reasonable doubt, both of the following two elements:

---

<sup>2</sup> See Penal Law § 490.05(15) which refers to "a chemical weapon which has been identified in regulations promulgated pursuant to subdivision twenty of section two hundred six of the public health law." If "chemical weapon" is at issue, the charge should be expanded by adding the applicable definition set forth in Penal Law § 490.05(10).

<sup>3</sup> See Penal Law § 15.05(1).

<sup>4</sup> See Penal Law § 10.00(10).

1. That on or about (date), in the county of (county), the defendant, (defendant's name) possessed any select chemical agent; and
2. That the defendant did so with intent to use such agent to cause serious physical injury to, or the death of, another person; and

*Select the appropriate alternative(s):*

intimidate or coerce a civilian population;

influence the policy of a unit of government by intimidation or coercion; [or]

affect the conduct of a unit of government by murder, assassination, or kidnapping.

Therefore, if you find that the People have proven beyond a reasonable doubt both of those elements, you must find the defendant guilty of the crime of Criminal Possession of a Chemical Weapon or Biological Weapon in the First Degree as charged in the \_\_\_\_\_ count.

On the other hand, if you find that the People have not proven beyond a reasonable doubt either one or both of those elements, you must find the defendant not guilty of the crime of Criminal Possession of a Chemical Weapon or Biological Weapon in the First Degree as charged in the \_\_\_\_\_ count.
