

# PROTOCOLS FOR NEW YORK STATE COURTS E-FILING (NYSCEF) Cases Filed in Supreme Court, Monroe County

Updated: January 24, 2018

- I. Introduction:** In implementation of the New York State Courts E-Filing system (hereinafter referred to as “the NYSCEF system”) in Monroe County Supreme Court in accordance with the program established by the Chief Administrator of the Courts pursuant to Uniform Rules for the Supreme and County Courts (hereinafter “Uniform Rules”) §§202.5-b and 202.5-bb, the Administrative Judge of the Seventh Judicial District and the Monroe County Clerk as Clerk of the Supreme and County Courts hereby promulgate local user protocols to assist users in implementing NYSCEF in practice and provide guidance with respect to local practice and procedures used to process filings, fees and court calendaring. In addition, it is suggested that users consult the User Manuals provided on-line at the NYSCEF website ([www.nycourts.gov/efile](http://www.nycourts.gov/efile)) as well as any applicable part rules.
- A. Effect of Joint Protocols:** The NYSCEF system does not change the rules applicable to civil litigation. As such, the protocols promulgated herein, as well as any additions or amendments thereto, do not change applicable rules or statutes with respect to civil practice as defined by the New York State Civil Practice Law and Rules (hereinafter “CPLR”). In addition, users are encouraged to be fully familiar with the IAS Part Rules for each Judge as they apply to the action type being filed in the NYSCEF system.
- B. Official Case Record:** The official case record for any action or proceeding, and the filing or entry of documents thereto, shall be the records maintained by the Office of the Monroe County Clerk via its electronic database, online images and hard copy filings as per the constitutional authority vested as the Clerk of the Supreme and County Courts. In addition, as Clerk of the Supreme and County Courts, the Monroe County Clerk is and remains the vested constitutional official with respect to access, maintenance and retention and dissemination of court records within Monroe County.
- C. Getting Started:** Prior to utilizing the NYSCEF system, an attorney, party, or filing agent must register to become an authorized user of the NYSCEF site at [www.nycourts.gov/efile](http://www.nycourts.gov/efile). A firm acting as filing agent for an attorney or party to a case must file a form accessible at [www.nycourts.gov/efile](http://www.nycourts.gov/efile) whereby the attorney or party authorizes the agent to file on the attorney or party’s behalf. Only one such form may be filed in any NYSCEF case. Any NYSCEF User shall immediately contact the NYSCEF Resource Center if they have reason to believe their user identification or password may have been compromised, and may request a new user identification or password.
- D. Cases Eligible for E-Filing:** Monroe County has a mandatory e-filing program.

**Mandatory** electronic filing includes all actions except:

- CPLR Art. 70 Proceedings
- CPLR Art. 78 Proceedings
- Election Law Proceedings
- Matrimonial Matters
- Mental Hygiene Law Matters

**Mandatory in part\*** electronic filing includes:

- Consumer Credit Actions
- Residential Foreclosures

(\*e-filing of commencement documents is mandatory; e-filing of subsequent documents is consensual/voluntary)

Cases previously filed in hard copy prior to January 18, 2017, may be converted to electronic filing pursuant to the procedure set forth in NYSCEF Manual Section IX regarding Stipulation and Consent. The Monroe County Clerk will assign an index number and will post a document list/index of previously filed paper documents in the case. The parties need not electronically file previous documents unless specifically directed by the Court to do so.

All documents in an e-filed case shall be filed on-line with the NYSCEF system. The Notice of Hard Copy Submission E-filed Case Form must be attached to every filing of an original hard copy document that either cannot (e.g. emergency exception) or need not (e.g. party did not consent) be electronically filed.

**II. Identifying E-filed Cases:** E-filed cases must be readily identifiable and marked as such. Whenever counsel presents papers to the Office of the Monroe County Clerk or the Supreme Court Clerk in a NYSCEF matter, counsel should alert the appropriate Clerk that the case is a NYSCEF matter. Further:

**A. When commenced via NYSCEF:** All E-filed case index numbers will start with an “E” in front of the actual index number, followed by the year, followed by six digits, for example, **E2017123456**. Upon filing of the commencement pleadings and payment of the statutory fee, the Monroe County Clerk as Clerk of the Supreme and County Courts will assign a NYSCEF designated Index Number and notify the filer via the NYSCEF system of the number assigned and filing date. Such index number must be affixed to all document submissions, filings and communications to the Monroe County Clerk as Clerk of the Supreme and County Courts and the Court.

**B. When converted to NYSCEF:** Cases originally commenced in hard-copy form but later converted to NYSCEF status consensually will continue with the index number originally assigned.

**III. Filing of Papers:**

**A. Payment of Fees:** Payment for fee-bearing NYSCEF documents may be made online via credit card (MasterCard or Visa) at the time of submission.

**1. Effect of Payment:** Pursuant to CP1.R §304, a document is not filed until payment of the

fee has been tendered.

2. **Effect of Refused Payment:** If, for any reason or at any time, the fee payment is returned or refused, the filer will be notified and required to pay the document fee. Failure to pay or a reoccurring payment return notification will result in the filer being reported to the Court and the Unified Court System for further action.

**B. Filing a Document where Size, Consistency or Context Prevent electronic filing:** Where the size, consistency or context of a document preclude its electronic filing, the user shall electronically file a Notice of Hard Copy Exhibit Filing [www.nycourts.gov/efile](http://www.nycourts.gov/efile) and if filing the document in hard copy, attach a copy of the notice to the document. Any party may object to such hard copy filing, and the Court, in response to such objection, may, following the hard copy filing, fashion such relief as it deems appropriate, pursuant to and in furtherance of the Uniform Rules and these protocols, including, but not limited to, an Order directing the filing party to file such documents online via the NYSCEF system.

**C. Social Security Numbers:** An attorney or self-represented party filing a document via the NYSCEF system must comply with the requirements of General Business Law §399-ddd (6) which will often require redaction of any social security number that appears in the original document.

**D. Exhibits:** In the NYSCEF system, each exhibit should be uploaded as a separate PDF file. After uploading a primary document, please choose the document type "Exhibit", enter the appropriate number or letter.

**E. Errors Upon Submission:** Submission of documents which, upon examination, require correction or addition will result in notification to the filer advising that there is a problem with a document. The filer shall make the required corrections and/or additions and transmit the corrected document.

**F. Technical Failures:** When filing by electronic means is hindered by a technical failure (as set forth in Uniform Rule §202.5-b(I)), a party may file with the appropriate Clerk in hard copy. With the exception of deadlines that by law cannot be extended (e.g. a statute of limitations or the deadline for filing a notice of appeal), the time for filing of any document that is delayed due to technical failure of the NYSCEF system shall be extended for one day for each day on which such failure occurs, unless otherwise ordered by the court.

**G. Correspondence:** Correspondence, only as expressly permitted by the individual Judge's part rules, must be filed and transmitted to other parties via the NYSCEF system. No duplicate copies of the correspondence shall be provided to the court by either fax or mail.

**H. Discovery Materials:** In any action subject to electronic filing, parties and non-parties producing materials in response to discovery demands may enter into a stipulation authorizing the electronic filing of discovery responses and discovery materials to the degree and upon terms and conditions set forth in the stipulation. In the absence of such a stipulation, no party shall file electronically any such materials except in the form of excerpts, quotations, or selected exhibits from such materials as part of motion papers, pleadings or other filings with the court unless otherwise specified by statute, rule or part rule.

**I. Notice of Entry:** Pursuant to the NYSCEF Rules, the Court shall file orders electronically and such filing shall constitute entry of the order. The NYSCEF system will provide notification that the order has

been entered. Such notice does not constitute service of notice of entry by any party.

**J. Working Copies:** Electronically filed documents subject to review and processing by the Supreme Court Clerk's office do not require a working copy unless otherwise directed or provided for in the individual Judge's part rules. Any working copy without a Confirmation Notice generated by the NYSCEF system firmly fastened thereto as a cover page will not be accepted.

- 1. Filing Must Precede Delivery of Working Copies:** Pursuant to Uniform Rule §202.5-b. any working copy submitted shall include, as a cover page firmly fastened thereto, a copy of the Confirmation Notice received from the NYSCEF site. Court staff will not screen each working copy to be sure that it is an accurate reflection of the document filed via NYSCEF, should counsel fail to file a document with NYSCEF that document will not be part of the Monroe County Clerk's file.
- 2. Format of Working Copies:** Working copies must contain tabs and backs. Each document or group of documents that is separately bound must have a Confirmation Notice firmly fastened thereto as a cover page.
- 3. Working Copies Not Accepted by the Monroe County Clerk:** Working copies are not accepted by the Office of the Monroe County Clerk for forwarding to the assigned IAS Justice, nor are they received and filed as part of the case file maintained by the Monroe County Clerk in her/his capacity as Clerk of the Supreme and County Courts.
- 4. Printing of Working Copies:** Working hard copy documents, when required by the assigned IAS Justice or by rules of procedure, are not printed and provided by the Office of the Monroe County Clerk or the Supreme Court Clerk's office.
- 5. Delivery of Working Copies:** All working copy documents shall be marked "WORKING COPY," addressed to and delivered to the assigned Justice at Monroe Supreme Court, Room 545 Hall of Justice, Rochester, NY 14614 or in the manner directed by the court. Filers must familiarize themselves with the individual Judge's part rules to determine whether working copies are permitted. Working copies submitted by mail or overnight delivery must be conspicuously marked on the outside of the package - "Working Copy."
- 6. Working Copies Discarded:** The official record of a document in an electronically filed case is the document filed via the NYSCEF system. Working copies are intended only for use by the Justice. The court will discard all working copies after the Justice has finished with them. Thus in the event that counsel fails to file a document via the NYSCEF system, the document will not be part of the court record.

**IV. Requests for Judicial Intervention (RJIs):** A RJI in a NYSCEF case shall be filed via the NYSCEF system. Any attachments to a RJI, with the exception of a motion or order to show cause, shall be submitted along with the RJI as one PDF file.

**A. Tort Actions:** In a tort action, if a RJI is accompanied by a Notice of Medical Malpractice, the filer should choose document type *RJI re: Notice of Medical Malpractice* and both documents should be uploaded as one PDF file in the NYSCEF system. If an RJI is accompanied by a Request for a Preliminary

Conference, the filer should choose document type *RJI re: PC Request* and both documents should be uploaded as one PDF file in the NYSCEF system.

**B. Commercial Division Assignments:** If the case is to be assigned to the Commercial Division, the filer must submit as required by the standards for assignment of cases to the Commercial Division (Uniform Rule §202.70 (d)(2)) (<http://www.courts.state.ny.us/rules/trialcourts/index.shtml>), the document type Commercial Division Addendum (840C), and ensure that all pleadings have been electronically filed. Filing the Commercial Addendum as a separate document will result in the case type being automatically revised from ANY OTHER case type to Commercial Division and the case will be assigned to the Commercial Division subject to acceptance by the division's presiding Justice.

**V. Motions and Petitions:** Motion and Petition submission, including cross motions, shall comply with all relevant provisions of the CPLR, and the Rules of the Court.

**A. General:** A motion on notice or a notice of petition in a NYSCEF case shall be filed through the NYSCEF system and except with regard to a notice of petition commencing a Tax Certiorari Action, must be accompanied by a Request for Judicial Intervention if the motion is being filed upon commencement or if the matter has not yet been assigned to an IAS Justice. In addition, cross motions and opposition and reply papers must be submitted via the NYSCEF system.

**B. Calendaring of Motions and Petitions:** Refer to the individual Justice's Part Rules.

**C. Adjournments:** Refer to the individual Justice's Part Rules

**D. Exhibits:** In the NYSCEF system, each motion exhibit should be uploaded as a separate PDF file. After uploading motion papers, please choose the document type "Exhibit", enter the appropriate number or letter, and place a check mark to the left of "Attach to main document".

**E. Working Copies:** Please see Section III (J) above regarding working copies.

**F. Affidavits of Service:** All affidavits of service must be filed with the NYSCEF system in compliance with statutory requirements or pursuant to the directive of the Court.

**G. Decisions:** Decisions and/or orders issued will be scanned by court staff into the NYSCEF system, which will immediately transmit notice of the event via the NYSCEF system to all parties and a link to the decision and/or order. In the case of orders, this notice does not constitute service of notice of entry by any party (See Section III (I) for more information regarding Notice of Entry).

**VI. Orders to Show Cause:** Proposed Orders to Show Cause (hereinafter "OTSC") shall comply with all relevant provisions of the CPLR, and the Uniform Rules. Those OTSC, in which interim relief is sought, require prior notice in accordance with the aforementioned rules. Counsel must contact chambers to set up a time to be heard as to the interim relief requested.

**A. General:** Except as provided in the following paragraph, a proposed OTSC and supporting documents in a NYSCEF case must be submitted by filing with the NYSCEF system. Original documents will not be accepted by the Monroe County Clerk.

**B. Review:** Absent unusual practical difficulties, a proposed OTSC and supporting documents that have been filed with NYSCEF will be reviewed through the NYSCEF system by the Court. If there are problems with the documents, the submitting attorney will be promptly contacted by e-mail or telephone.

**C. Working Copies:** Counsel should consult the relevant part rules for the individual Judge assigned to determine whether a working copy of the proposed OTSC and the supporting documents must be submitted.

**D. Hard Copy Service:** In cases in which hard copy service is made of documents that were submitted in hard copy form pursuant to paragraph VII(B), and where no party is served electronically, the filing attorney or party shall, not later than two days after service, electronically file the OTSC and the supporting papers, together with proof of hard copy service.

**E. Declination:** If the Justice declines to sign the OTSC, the Supreme Court Clerk will electronically file the declined order. **F. Exhibits:** In the NYSCEF system, each exhibit to an OTSC should be uploaded as a separate PDF file. After uploading the OTSC, please choose the document type "Exhibit", enter the appropriate number or letter, and be sure to place a check mark to the left of "Attach to main document".

**G. Other:** Any OTSC not filed in accordance with the Uniform Rules and assigned Judge's individual part rules will not be addressed by the part.

**VII. Sealed Documents and Secure Documents:** In order to seal a document in a NYSCEF case, a party must proceed in accordance with Part 216 of the Uniform Rules for the Trial Courts.

**A. Secure Documents:** Documents may be designated as "Secure" by the filer without an order of the court. The effect of such designation was that the document could be viewed in the NYSCEF system only by counsel and self-represented parties to the case who consented to NYSCEF and by the court and the Monroe County Clerk. The electronic file, however, remains open for public inspection at the Office of the Monroe County Clerk.

**B. Application for a Sealing Order:** If a party wishes to file and maintain papers under seal and no sealing order has been issued in the case, the party must, either by motion or on submission to the court of a stipulation, obtain a court order directing the Monroe County Clerk to seal the file. The court will conduct a Part 216 analysis in deciding whether to issue such an order. If the motion/stipulation is filed via the NYSCEF system, it will be open to the public until a sealing order is served upon the Monroe County Clerk. Alternatively, the parties may make a motion or submit a stipulation without filing it to the NYSCEF system until the court rules on the sealing issue. Any such motion or stipulation submitted in hard copy form must bear a *Notice of Hard Copy Submission - E-Filed Case* and must be accompanied by a CD or other acceptable electronic storage device containing the filings in PDF format. Any opposition or reply papers shall likewise be submitted in hard copy form with such Notice, and be accompanied by a CD containing the documents in PDF format. Each such CD shall bear a label containing the name of the case, the index number, and the name and e-mail address of the attorney submitting it.

**C. Sealing Existing NYSCEF Document:** If the court issues an order directing the sealing of an existing

NYSCEF file or a document or documents already filed via the NYSCEF system, the applicant shall file with the NYSCEF system a Notification for Sealing an Electronically Filed Case, a form for which is available at [www.nycourts.gov/efile](http://www.nycourts.gov/efile), along with a copy of the order as required by CPLR §8019. The Monroe County Clerk will seal the file or document(s) in question as directed by the court, in addition, service should include a reference, if applicable, to any hard copy filings that may exist for the sealed case in question. Upon receipt of the notification, the Monroe County Clerk shall seal the documents in question and implement a secure action code to prevent access to these documents except by the parties to the action and the court.

**D. Previously Sealed Documents in Converted Cases:** If a case that was previously sealed pursuant to court order is converted to NYSCEF status, attorneys for the parties to the action or proceeding shall notify the Monroe County Clerk as Clerk of the Supreme and County Courts of the sealing status. Notification shall consist of an e-mail in a format promulgated by the Monroe County Clerk for such purposes, and attached thereto, shall be a copy of the original sealing order.

**E. Identifying Sealed Documents:** Further, submission of documents sealed via court order or by operation of law shall be clearly labeled as SEALED on the title page of the document submitted and, wherein applicable, be accompanied by a copy of the court order directing or permitting the sealing of same.

**VIII. Note of Issue:** The case will be deemed ready for trial once a NYSCEF document type *Note of Issue-With Jury or – without Jury* has been uploaded to the NYSCEF system.

**IX. Consolidation or Joint Trial:** Consolidation or joint trial of proceedings shall be at the discretion of the court. In the ease of consolidation of tax certiorari proceedings, all pleadings containing multiple index numbers for multiple tax years shall be entered into the Supreme Court Clerk's casebook bearing the first year NYSCEF index number assigned, unless directed otherwise by the court.
